About Southeastern
Southeastern is a Great Commission seminary, where learning is situated in light of God’s glory and God’s mission. The mission of God centers around the Creator’s desire to share his life and love with his creation, and to form a people for himself who proclaim his glory and enjoy the pleasures of life with God forever. Southeastern’s institutional mission is focused on God’s mission in the world, and is situated in the context of a particular identity and particular confessional commitments.

Southeastern’s Mission
Southeastern Baptist Theological Seminary seeks to glorify the Lord Jesus Christ by equipping students to serve the church and fulfill the Great Commission (Matthew 28:19-20).

Southeastern’s Identity
Southeastern Baptist Theological Seminary is an institution of higher learning and a Cooperative Program ministry of the Southern Baptist Convention.

Southeastern’s Confession
Southeastern Baptist Theological Seminary affirms the Bible as the authoritative Word of God. We covenant to teach in accordance with and not contrary to the Abstract of Principles and the Baptist Faith & Message. We further affirm the Chicago Statement on Biblical Inerrancy and Danvers Statement on Biblical Manhood and Womanhood.

Core Competencies
To fulfill the purpose and vision of Southeastern Baptist Theological Seminary, we seek to develop the following competencies in students who graduate from this institution:

Spiritual Formation
Acquire the knowledge and skills necessary to pursue a vital Christian life and witness manifest in all personal relationships and vocational endeavors.

Biblical Exposition
Gain a basic comprehension of Scripture and learn to interpret and communicate it properly and effectively.

Theological Integration
Understand and apply the doctrines of Christianity to all areas of life and ministry.

Christian Leadership
Cultivate a godly disposition marked by wisdom, humility and grace and develop skills to lead effectively in the church and world.

Ministry Preparation
Acquire and apply knowledge and skills necessary for Christian ministry.
Articles of Faith

The Bible is the Word of God written, and alone is inspired and authoritative for faith and practice. Baptists have often formed confessions of faith to affirm the central teachings of Scripture. Two articles of faith are affirmed by the Board of Trustees and faculty at Southeastern. The Abstract of Principles is the oldest doctrinal confession approved by Southern Baptists. It was composed by Basil Manly, Jr., in 1858. The Baptist Faith and Message, revised in 2000, is the most recent confession adopted by the Southern Baptist Convention.

Since Southeastern's founding in 1950, each elected member of the faculty has publicly signed the Abstract of Principles at the beginning of his or her teaching career at the Seminary. Currently, Southeastern's faculty members also publicly sign and affirm the Baptist Faith and Message as adopted by the Southern Baptist Convention in 2000. In addition to these two articles of faith, the trustees and faculty affirm the Chicago Statements on Biblical Inerrancy and Hermeneutics and the Danvers Statement as doctrinal guidelines for the institution.

Abstract of Principles

This Abstract of Principles was originally prepared for and adopted by the Southern Baptist Theological Seminary, founded in 1859.

I. The Scriptures.
The Scriptures of the Old and New Testaments were given by inspiration of God, and are the only sufficient, certain, and authoritative rule of all saving knowledge, faith, and obedience.

II. God.
There is but one God, the Maker, Preserver and Ruler of all things, having in and of Himself all perfections, and being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience.

III. The Trinity.
God is revealed to us as Father, Son, and Holy Spirit each with distinct personal attributes, but without division of nature, essence, or being.

IV. Providence.
God from eternity, decrees or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not in any wise to be author or approver of sin nor to destroy the free will and responsibility of intelligent creatures.

V. Election.
Election is God's eternal choice of some persons unto everlasting life—not because of foreseen merit in them, but of His mere mercy in Christ—in consequence of which choice they are called, justified, and glorified.

VI. The Fall of Man.
God originally created man in His own image, and free from sin; but through the temptation of Satan, he transgressed the command of God, and fell from his original holiness and righteousness; whereby his posterity inherit a nature corrupt and wholly opposed to God and His law, are under condemnation, and as soon as they are capable of moral action, become actual transgressors.

VII. The Mediator.
Jesus Christ, the only begotten Son of God, is the divinely appointed Mediator between God and man. Having taken upon Himself human nature, yet without sin, He perfectly fulfilled the law, suffered and died upon the cross for the salvation of sinners. He was buried, and rose again the third day, and ascended to His Father, at whose right hand He ever liveth to make intercession for His people. He is the only Mediator, the Prophet, Priest, and King of the Church, and Sovereign of the Universe.

VIII. Regeneration.
Regeneration is a change of heart, wrought by the Holy Spirit, who quickeneth the dead in trespasses and sins, enlightening their minds spiritually and savingly to understand the Word of God, and renewing their whole nature, so that they love and practice holiness. It is a work of God's free and special grace alone.
IX. Repentance.
Repentance is an evangelical grace, wherein a person being, by the Holy Spirit, made sensible of the manifold evil of his sin, humbleth himself for it, with godly sorrow, detestation of it, and self-abhorrence, with a purpose and endeavor to walk before God so as to please Him in all things.

X. Faith.
Saving faith is the belief, on God’s authority, of whatsoever is revealed in His Word concerning Christ; accepting and resting upon Him alone for justification and eternal life. It is wrought in the heart by the Holy Spirit, and is accompanied by all other saving graces, and leads to a life of holiness.

XI. Justification.
Justification is God’s gracious and full acquittal of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made; not for anything wrought in them or done by them; but on account of the obedience and satisfaction of Christ, they receiving and resting on Him and His righteousness by faith.

XII. Sanctification.
Those who have been regenerated are also sanctified by God’s Word and Spirit dwelling in them. This sanctification is progressive through the supply of Divine strength, which all saints seek to obtain, pressing after a heavenly life in cordial obedience to all Christ’s commands.

XIII. Perseverance of the Saints.
Those whom God hath accepted in the Beloved, and sanctified by His Spirit, will never totally nor finally fall away from the state of grace, but shall certainly persevere to the end; and though they may fall, through neglect and temptation, into sin, whereby they grieve the Spirit, impair their graces and comforts, bring reproach on the Church, and temporal judgments on themselves, yet they shall be renewed again unto repentance, and be kept by the power of God through faith unto salvation.

XIV. The Church.
The Lord Jesus is the Head of the Church, which is composed of all His true disciples, and in Him is invested supremely all power for its government. According to his commandment, Christians are to associate themselves into particular societies or churches; and to each of these churches He hath given needful authority for administering that order, discipline, and worship which He hath appointed. The regular officers of a Church are Bishops or Elders, and Deacons.

XV. Baptism.
Baptism is an ordinance of the Lord Jesus, obligatory upon every believer, wherein he is immersed in water in the name of the Father, and of the Son, and of the Holy Spirit, as a sign of his fellowship with the death and resurrection of Christ, of remission of sins, and of his giving himself up to God, to live and walk in newness of life. It is prerequisite to church fellowship, and to participation in the Lord’s Supper.

XVI. The Lord’s Supper.
The Lord’s Supper is an ordinance of Jesus Christ, to be administered with the elements of bread and wine, and to be observed by His churches till the end of the world. It is in no sense a sacrifice, but is designed to commemorate his death, to confirm the faith and other graces of Christians, and to be a bond, pledge, and renewal of their communion with Him, and of their church fellowship.

XVII. The Lord’s Day.
The Lord’s day is a Christian institution for regular observance, and should be employed in exercises of worship and spiritual devotion, both public and private, resting from worldly employments and amusements, works of necessity and mercy only excepted.

XVIII. Liberty of Conscience.
God alone is Lord of the conscience; and He hath left it free from the doctrines and commandments of men, which are in anything contrary to His word, or not contained in it. Civil magistrates being ordained of God, subjection to all lawful things commanded by them ought to be yielded by us in the Lord, not only for wrath, but also for conscience sake.

XIX. The Resurrection.
The bodies of men after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked, to be reserved under darkness to the judgment. At the last day, the bodies of all the dead, both just and unjust, will be raised.

XX. The Judgment.
God hath appointed a day, wherein He will judge the world by Jesus Christ, when everyone shall receive according to his deeds: the wicked shall go into everlasting punishment; the righteous, into everlasting life.
Baptist Faith and Message

The Baptist Faith and Message was adopted by the Southern Baptist Convention in June 2000. It is a revision of similar confessions adopted in 1925 and 1963.

I. The Scriptures

The Holy Bible was written by men divinely inspired and is God’s revelation of Himself to man. It is a perfect treasure of divine instruction. It has God for its author, salvation for its end, and truth without any mixture of error, for its matter. Therefore, all Scripture is totally true and trustworthy. It reveals the principles by which God judges us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds, and religious opinions should be tried. All Scripture is a testimony to Christ, who is Himself the focus of divine revelation.

II. God

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. God is all powerful and all knowing; and His perfect knowledge extends to all things, past, present, and future, including the future decisions of His free creatures. To Him we owe the highest love, reverence, and obedience. The eternal trine God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

A. God the Father. God as Father reigns with providential care over His universe, His creatures, and the flow of the stream of human history according to the purposes of His grace. He is all powerful, all knowing, all loving, and all wise. God is Father in truth to those who become children of God through faith in Jesus Christ. He is fatherly in His attitude toward all men.

B. God the Son. Christ is the eternal Son of God. In His incarnation as Jesus Christ He was conceived of the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature with its demands and necessities and identifying Himself completely with mankind yet without sin. He honored the divine law by His personal obedience, and in His substitutionary death on the cross He made provision for the redemption of men from sin. He was raised from the dead with a glorified body and appeared to His disciples as the person who was with them before His crucifixion. He ascended into heaven and is now exalted at the right hand of God where He is the One Mediator, fully God, fully man, in whose Person is effected the reconciliation between God and man. He will return in power and glory to judge the world and to consummate His redemptive mission. He now dwells in all believers as the living and ever present Lord.

C. God the Holy Spirit. The Holy Spirit is the Spirit of God, fully divine. He inspired holy men of old to write the Scriptures. Through illumination He enables men to understand truth. He exalts Christ. He convicts men of sin, of righteousness, and of judgment. He calls men to the Saviour, and effects regeneration. At the moment of regeneration He baptizes every believer into the Body of Christ. He cultivates Christian character, comforts believers, and bestows the spiritual gifts by which they serve God through His church. He seals the believer unto the day of final redemption. His presence in the Christian is the guarantee that God will bring the believer into the fullness of the stature of Christ. He enlightens and empowers the believer and the church in worship, evangelism, and service.

III. Man

Man is the special creation of God, made in His own image. He created them male and female as the crowning work of His creation. The gift of gender is thus part of the goodness of God’s creation. In the beginning man was innocent of sin and was endowed by His Creator with freedom of choice. By his free choice man sinned against God and brought sin into the human race. Through the temptation of Satan, man transgressed the command of God and fell from his original innocence whereby his posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, posterity inherit a nature and an environment inclined toward sin. Therefore, as soon as they are capable of moral action, they become transgressors and are under condemnation. Only the grace of God can bring man into His holy fellowship and enable man to fulfill the creative purpose of God. The sacredness of human personality is evident in that God created man in His own image, and in that Christ died for man; therefore, every person of every race possesses full dignity and is worthy of respect and Christian love.

IV. Salvation

Salvation involves the redemption of the whole man, and is offered freely to all who accept Jesus Christ as Lord and Saviour, who by His own blood obtained eternal redemption for the believer. In its broadest sense salvation includes regeneration, justification, sanctification, and glorification. There is no salvation apart from personal faith in Jesus Christ as Lord.

A. Regeneration, or the new birth, is a work of God’s grace whereby believers become new creatures in Christ Jesus. It is a change of heart wrought by the Holy Spirit through conviction of sin, to which the sinner responds in repentance toward God and faith in the Lord Jesus Christ. Repentance and faith are inseparable experiences of grace.

Repentance is a genuine turning from sin toward God. Faith is the acceptance of Jesus Christ and commitment of the entire personality to Him as Lord and Saviour.
B. Justification is God’s gracious and full acquittal upon principles of His righteousness of all sinners who repent and believe in Christ. Justification brings the believer unto a relationship of peace and favor with God.

C. Sanctification is the experience, beginning in regeneration, by which the believer is set apart to God’s purposes, and is enabled to progress toward moral and spiritual maturity through the presence and power of the Holy Spirit dwelling in him. Growth in grace should continue throughout the regenerate person’s life.

D. Glorification is the culmination of salvation and is the final blessed and abiding state of the redeemed.

V. God’s Purpose of Grace

Election is the gracious purpose of God, according to which He regenerates, justifies, sanctifies, and glorifies sinners. It is consistent with the free agency of man, and comprehends all the means in connection with the end. It is the glorious display of God’s sovereign goodness, and is infinitely wise, holy, and unchangeable. It excludes boasting and promotes humility.

All true believers endure to the end. Those whom God has accepted in Christ, and sanctified by His Spirit, will never fall away from the state of grace, but shall persevere to the end. Believers may fall into sin through neglect and temptation, whereby they grieve the Spirit, impair their graces and comforts, and bring reproach on the cause of Christ and temporal judgments on themselves; yet they shall be kept by the power of God through faith unto salvation.

VI. The Church

A New Testament church of the Lord Jesus Christ is an autonomous local congregation of baptized believers, associated by covenant in the faith and fellowship of the gospel, observing the two ordinances of Christ, governed by His laws, exercising the gifts, rights, and privileges invested in them by His Word, and seeking to extend the gospel to the ends of the earth. Each congregation operates under the Lordship of Christ through democratic processes. In such a congregation each member is responsible and accountable to Christ as Lord. Its scriptural officers are pastors and deacons. While both men and women are gifted for service in the church, the office of pastor is limited to men as qualified by Scripture.

The New Testament speaks also of the church as the Body of Christ which includes all of the redeemed of all the ages, believers from every tribe, and tongue, and people, and nation.

VII. Baptism and the Lord’s Supper

Christian baptism is the immersion of a believer in water in the name of the Father, the Son, and the Holy Spirit. It is an act of obedience symbolizing the believer’s faith in a crucified, buried, and risen Saviour, the believer’s death to sin, the burial of the old life, and the resurrection to walk in newness of life in Christ Jesus. It is a testimony to his faith in the final resurrection of the dead. Being a church ordinance, it is prerequisite to the privileges of church membership and to the Lord’s Supper.

The Lord’s Supper is a symbolic act of obedience whereby members of the church, through partaking of the bread and the fruit of the vine, memorialize the death of the Redeemer and anticipate His second coming.

VIII. The Lord’s Day

The first day of the week is the Lord’s Day. It is a Christian institution for regular observance. It commemorates the resurrection of Christ from the dead and should include exercises of worship and spiritual devotion, both public and private. Activities on the Lord’s Day should be commensurate with the Christian’s conscience under the Lordship of Jesus Christ.

IX. The Kingdom

The Kingdom of God includes both His general sovereignty over the universe and His particular kingship over men who willfully acknowledge Him as King. Particularly the Kingdom is the realm of salvation into which men enter by trustful, childlike commitment to Jesus Christ. Christians ought to pray and to labor that the Kingdom may come and God’s will be done on earth. The full consummation of the Kingdom awaits the return of Jesus Christ and the end of this age.

X. Last Things

God, in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth; the dead will be raised; and Christ will judge all men in righteousness. The unrighteous will be consigned to Hell, the place of everlasting punishment. The righteous in their resurrected and glorified bodies will receive their reward and will dwell forever in Heaven with the Lord.

XI. Evangelism and Missions

It is the duty and privilege of every follower of Christ and of every church of the Lord Jesus Christ to endeavor to make disciples of all nations. The new birth of man’s spirit by God’s Holy Spirit means the birth of love for others. Missionary effort on the part of all rests thus upon a spiritual necessity of the regenerate life, and is expressly and repeatedly commanded in the teachings of Christ. The Lord Jesus Christ has commanded the preaching of the gospel to all nations. It is the duty of every
child of God to seek constantly to win the lost to Christ by verbal witness undergirded by a Christian lifestyle, and by other methods in harmony with the gospel of Christ.

XII. Education
Christianity is the faith of enlightenment and intelligence. In Jesus Christ abide all the treasures of wisdom and knowledge. All sound learning is, therefore, a part of our Christian heritage. The new birth opens all human faculties and creates a thirst for knowledge. Moreover, the cause of education in the Kingdom of Christ is co-ordinate with the causes of missions and general benevolence, and should receive along with these the liberal support of the churches. An adequate system of Christian education is necessary to a complete spiritual program for Christ’s people.

In Christian education there should be a proper balance between academic freedom and academic responsibility. Freedom in any orderly relationship of human life is always limited and never absolute. The freedom of a teacher in a Christian school, college, or seminary is limited by the pre-eminence of Jesus Christ, by the authoritative nature of the Scriptures, and by the distinct purpose for which the school exists.

XIII. Stewardship
God is the source of all blessings, temporal and spiritual; all that we have and are we owe to Him. Christians have a spiritual debtorship to the whole world, a holy trusteeship in the gospel, and a binding stewardship in their possessions. They are therefore under obligation to serve Him with their time, talents, and material possessions; and should recognize all these as entrusted to them to use for the glory of God and for helping others. According to the Scriptures, Christians should contribute of their means cheerfully, regularly, systematically, proportionately, and liberally for the advancement of the Redeemer’s cause on earth.

XIV. Cooperation
Christ’s people should, as occasion requires, organize such associations and conventions as may best secure cooperation for the great objects of the Kingdom of God. Such organizations have no authority over one another or over the churches. They are voluntary and advisory bodies designed to elicit, combine, and direct the energies of our people in the most effective manner. Members of New Testament churches should cooperate with one another in carrying forward the missionary, educational, and benevolent ministries for the extension of Christ’s Kingdom. Christian unity in the New Testament sense is spiritual harmony and voluntary cooperation for common ends by various groups of Christ’s people. Cooperation is desirable between the various Christian denominations, when the end to be attained is itself justified, and when such cooperation involves no violation of conscience or compromise of loyalty to Christ and His Word as revealed in the New Testament.

XV. The Christian and the Social Order
All Christians are under obligation to seek to make the will of Christ supreme in our own lives and in human society. Means and methods used for the improvement of society and the establishment of righteousness among men can be truly and permanently helpful only when they are rooted in the regeneration of the individual by the saving grace of God in Jesus Christ. In the spirit of Christ, Christians should oppose racism, every form of greed, selfishness, and vice, and all forms of sexual immorality, including adultery, homosexuality, and pornography. We should work to provide for the orphaned, the needy, the abused, the aged, the helpless, and the sick. We should speak on behalf of the unborn and contend for the sanctity of all human life from conception to natural death. Every Christian should seek to bring industry, government, and society as a whole under the sway of the principles of righteousness, truth, and brotherly love. In order to promote these ends Christians should be ready to work with all men of good will in any good cause, always being careful to act in the spirit of love without compromising their loyalty to Christ and His truth.

XVI. Peace and War
It is the duty of Christians to seek peace with all men on principles of righteousness. In accordance with the spirit and teachings of Christ they should do all in their power to put an end to war.

The true remedy for the war spirit is the gospel of our Lord. The supreme need of the world is the acceptance of His teachings in all the affairs of men and nations, and the practical application of His law of love. Christian people throughout the world should pray for the reign of the Prince of Peace.

XVII. Religious Liberty
God alone is Lord of the conscience, and He has left it free from the doctrines and commandments of men which are contrary to His Word or not contained in it. Church and state should be separate. The state owes to every church protection and full freedom in the pursuit of its spiritual ends. In providing for such freedom no ecclesiastical group or denomination should be favored by the state more than others. Civil government being ordained of God, it is the duty of Christians to render loyal obedience thereto in all things not contrary to the revealed will of God. The church should not resort to the civil power to carry on its work. The gospel of Christ contemplates spiritual means alone for the pursuit of its ends. The state has no right to impose penalties for religious opinions of any kind. The state has no right to impose taxes for the support of any form of religion. A free church in a free state is the Christian ideal, and this implies the right of free and unhindered access to God on
the part of all men, and the right to form and propagate opinions in the sphere of religion without interference by the civil power.

XVIII. The Family
God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption.

Marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God’s unique gift to reveal the union between Christ and His church and to provide for the man and the woman in marriage the framework for intimate companionship, the channel of sexual expression according to biblical standards, and the means for procreation of the human race.

The husband and wife are of equal worth before God, since both are created in God’s image. The marriage relationship models the way God relates to His people. A husband is to love his wife as Christ loved the church. He has the God-given responsibility to provide for, to protect, and to lead his family. A wife is to submit herself graciously to the servant leadership of her husband even as the church willingly submits to the headship of Christ. She, being in the image of God as is her husband and thus equal to him, has the God-given responsibility to respect her husband and to serve as his helper in managing the household and nurturing the next generation.

Children, from the moment of conception, are a blessing and heritage from the Lord. Parents are to demonstrate to their children God’s pattern for marriage. Parents are to teach their children spiritual and moral values and to lead them, through consistent lifestyle example and loving discipline, to make choices based on biblical truth. Children are to honor and obey their parents.

Affirmed Statements

In addition to our articles of faith, Southeastern further subscribes to other documents that clarify our beliefs on two critical issues of our day. The Chicago Statement on Biblical Inerrancy reflects Southeastern’s commitment to biblical authority. The Danvers Statement addresses the issue of biblical manhood and womanhood. One Faith, One Trust, One Sacred Task is an expression of commitment to the churches of the Southern Baptist Convention on the part of the six Southern Baptist Seminaries, which includes Southeastern.

Chicago Statement on Biblical Inerrancy

Preface

The authority of Scripture is a key issue for the Christian Church in this and every age. Those who profess faith in Jesus Christ as Lord and Savior are called to show the reality of their discipleship by humbly and faithfully obeying God’s written Word. To stray from Scripture in faith or conduct is disloyalty to our Master. Recognition of the total truth and trust-worthiness of Holy Scripture is essential to a full grasp and adequate confession of its authority.

The following Statement affirms this inerrancy of Scripture afresh, making clear our understanding of it and warning against its denial. We are persuaded that to deny it is to set aside the witness of Jesus Christ and of the Holy Spirit and to refuse that submission to the claims of God’s own Word which marks true Christian faith. We see it as our timely duty to make this affirmation in the face of current lapses from the truth of inerrancy among our fellow Christians and misunderstanding of this doctrine in the world at large.

This Statement consists of three parts: a Summary Statement, articles of Affirmation and Denial, and an accompanying Exposition*. It has been prepared in the course of a three-day consultation in Chicago. Those who have signed the Summary Statement and the Articles wish to affirm their own conviction as to the inerrancy of Scripture and to encourage and challenge one another and all Christians to growing appreciation and understanding of this doctrine. We acknowledge the limitations of a document prepared in a brief, intensive conference and do not propose that this Statement be given creedal weight. Yet we rejoice in the deepening of our own convictions through our discussions together, and we pray that the Statement we have signed may be used to the glory of our God toward a new reformation of the Church in its faith, life, and mission.

We offer this Statement in a spirit, not of contention, but of humility and love, which we purpose by God’s grace to maintain in any future dialogue arising out of what we have said. We gladly acknowledge that many who deny the inerrancy of Scripture do not display the consequences of this denial in the rest of their belief and behavior, and we are conscious that we who confess this doctrine often deny it in life by failing to bring our thoughts and deeds, our traditions and habits, into true subjection to the divine Word.

We invite response to this statement from any who see reason to amend its affirmations about Scripture by the light of Scripture itself, under whose infallible authority we stand as we speak. We claim no personal infallibility for the witness we bear, and for any help which enables us to strengthen this testimony to God’s Word we shall be grateful.

*The Exposition is not included here.

A Short Statement

1. God, who is Himself Truth and speaks truth only, has inspired Holy Scripture in order thereby to reveal Himself to lost mankind through Jesus Christ as Creator and Lord, Redeemer and Judge. Holy Scripture is God’s witness to Himself.
2. Holy Scripture, being God’s own Word, written by men prepared and superintended by His Spirit, is of infallible divine authority in all matters upon which it touches: it is to be believed, as God’s pledge, in all that it promises.
3. The Holy Spirit, Scripture’s divine Author, both authenticates it to us by His inward witness and opens our minds to understand its meaning.
4. Being wholly and verbally God-given, Scripture is without error or fault in all its teaching, no less in what it states about God’s acts in creation, about the events of world history, and about its own literary origins under God, than in its witness to God’s saving grace in individual lives.
5. The authority of Scripture is inescapably impaired if this total divine inerrancy is in any way limited or disregarded, or made relative to a view of truth contrary to the Bible’s own; and such lapses bring serious loss to both the individual and the Church.
Articles of Affirmation and Denial

Article I
We affirm that the Holy Scriptures are to be received as the authoritative Word of God.

We deny that the Scriptures receive their authority from the Church, tradition, or any other human source.

Article II
We affirm that the Scriptures are the supreme written norm by which God binds the conscience, and that the authority of the Church is subordinate to that of Scripture.

We deny that Church creeds, councils, or declarations have authority greater than or equal to the authority of the Bible.

Article III
We affirm that the written Word in its entirety is revelation given by God.

We deny that the Bible is merely a witness to revelation, or only becomes revelation in encounter, or depends on the responses of men for its validity.

Article IV
We affirm that God who made mankind in His image has used language as a means of revelation.

We deny that human language is so limited by our creatureliness that it is rendered inadequate as a vehicle for divine revelation.

We further deny that the corruption of human culture and language through sin has thwarted God’s work of inspiration.

Article V
We affirm that God’s revelation in the Holy Scriptures was progressive.

We deny that later revelation, which may fulfill earlier revelation, ever corrects or contradicts it. We further deny that any normative revelation has been given since the completion of the New Testament writings.

Article VI
We affirm that the whole of Scripture and all its parts, down to the very words of the original, were given by divine inspiration.

We deny that the inspiration of Scripture can rightly be affirmed of the whole without the parts, or of some parts but not the whole.

Article VII
We affirm that inspiration was the work in which God by His Spirit, through human writers, gave us His Word. The origin of Scripture is divine. The mode of divine inspiration remains largely a mystery to us.

We deny that inspiration can be reduced to human insight, or to heightened states of consciousness of any kind.

Article VIII
We affirm that God in His Work of inspiration utilized the distinctive personalities and literary styles of the writers whom He had chosen and prepared.

We deny that God, in causing these writers to use the very words that He chose, overrode their personalities.

Article IX
We affirm that inspiration, though not conferring omniscience, guaranteed true and trustworthy utterance on all matters of which the biblical authors were moved to speak and write.

We deny that the finitude or fallenness of these writers, by necessity or otherwise, introduced distortion or falsehood into God’s Word.

Article X
We affirm that inspiration, strictly speaking, applies only to the autographic text of Scripture, which in the providence of God can be ascertained from available manuscripts with great accuracy. We further affirm that copies and translations of Scripture are the Word of God to the extent that they faithfully represent the original.

We deny that any essential element of the Christian faith is affected by the absence of the autographs.
We further deny that this absence renders the assertion of Biblical inerrancy invalid or irrelevant.

**Article XI**

We affirm that Scripture, having been given by divine inspiration, is infallible, so that, far from misleading us, it is true and reliable in all the matters it addresses.

We deny that it is possible for the Bible to be at the same time infallible and errant in its assertions. Infallibility and inerrancy may be distinguished, but not separated.

**Article XII**

We affirm that Scripture in its entirety is inerrant, being free from all falsehood, fraud, or deceit.

We deny that Biblical infallibility and inerrancy are limited to spiritual, religious, or redemptive themes, exclusive of assertions in the fields of history and science. We further deny that scientific hypotheses about earth history may properly be used to overturn the teaching of Scripture on creation and the flood.

**Article XIII**

We affirm the propriety of using inerrancy as a theological term with reference to the complete truthfulness of Scripture.

We deny that it is proper to evaluate Scripture according to standards of truth and error that are alien to its usage or purpose. We further deny that inerrancy is negated by Biblical phenomena such as a lack of modern technical precision, irregularities of grammar or spelling, observational descriptions of nature, the reporting of falsehoods, the use of hyperbole and round numbers, the topical arrangement of material, variant selections of material in parallel accounts, or the use of free citations.

**Article XIV**

We affirm the unity and internal consistency of Scripture.

We deny that alleged errors and discrepancies that have not yet been resolved vitiate the truth claims of the Bible.

**Article XV**

We affirm that the doctrine of inerrancy is grounded in the teaching of the Bible about inspiration.

We deny that Jesus’ teaching about Scripture may be dismissed by appeals to accommodation or to any natural limitation of His humanity.

**Article XVI**

We affirm that the doctrine of inerrancy has been integral to the Church’s faith throughout its history.

We deny that inerrancy is a doctrine invented by Scholastic Protestantism, or is a reactionary position postulated in response to negative higher criticism.

**Article XVII**

We affirm that the Holy Spirit bears witness to the Scriptures, assuring believers of the truthfulness of God’s written Word.

We deny that this witness of the Holy Spirit operates in isolation from or against Scripture.

**Article XVIII**

We affirm that the text of Scripture is to be interpreted by grammatico-historical exegesis, taking account of its literary forms and devices, and that Scripture is to interpret Scripture.

We deny the legitimacy of any treatment of the text or quest for sources lying behind it that leads to relativizing, dehistoricizing, or discounting its teaching, or rejecting its claims to authorship.

**Article XIX**

We affirm that a confession of the full authority, infallibility, and inerrancy of Scripture is vital to a sound understanding of the whole of the Christian faith. We further affirm that such confession should lead to increasing conformity to the image of Christ.

We deny that such confession is necessary for salvation. However, we further deny that inerrancy can be rejected without grave consequences, both to the individual and to the Church.
Danvers Statement
Council on Biblical Manhood and Womanhood

Affirmations
Based on our understanding of Biblical teachings, we affirm the following:

1. Both Adam and Eve were created in God's image, equal before God as persons and distinct in their manhood and womanhood.

2. Distinctions in masculine and feminine roles are ordained by God as part of the created order and should find an echo in every human heart.

3. Adam's headship in marriage was established by God before the Fall and was not a result of sin.

4. The Fall introduced distortions into the relationships between men and women.
   • In the home, the husband's loving, humble headship tends to be replaced by domination or passivity; the wife's intelligent, willing submission tends to be replaced by usurpation or servility.
   • In the church, sin inclines men toward a worldly love of power or an abdication of spiritual responsibility, and inclines women to resist limitations on their roles or to neglect the use of their gifts in appropriate ministries.

5. The Old Testament, as well as the New Testament, manifests the equally high value and dignity which God attached to the roles of both men and women. Both Old and New Testaments also affirm the principle of male headship in the family and in the covenant community.

6. Redemption in Christ aims at removing the distortions introduced by the curse.
   • In the family, husbands should forsake harsh or selfish leadership and grow in love and care for their wives; wives should forsake resistance to their husbands' leadership.
   • In the church, redemption in Christ gives men and women an equal share in the blessings of salvation; nevertheless, some governing and teaching roles within the church are restricted to men.

7. In all of life Christ is the supreme authority and guide for men and women, so that no earthly submission—domestic, religious or civil—ever implies a mandate to follow a human authority into sin.

8. In both men and women a heartfelt sense of call to ministry should never be used to set aside Biblical criteria for particular ministries. Rather, Biblical teaching should remain the authority for testing our subjective discernment of God's will.

9. With half the world's population outside the reach of indigenous evangelism; with countless other lost people in those societies that have heard the gospel; with the stresses and miseries of sickness, malnutrition, homelessness, illiteracy, ignorance, aging, addiction, crime, incarceration, neuroses, and loneliness, no man or woman who feels a passion from God to make His grace known in word and deed need ever live without a fulfilling ministry for the glory of Christ and the good of this fallen world.

10. We are convinced that a denial or neglect of these principles will lead to increasingly destructive consequences in our families, our churches and the culture at large.

This statement of affirmations may be reproduced without charge and in its entirety for non-commercial purposes without the prior permission of CBMW.

A Covenant Between Our Seminaries and Our Churches

You therefore, my son, be strong in the grace that is in Christ Jesus. And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.”

II Timothy 2:1-2

For over 135 years, the churches of the Southern Baptist Convention have looked to their seminaries for the training and education of their ministers. These six schools were established and undergirded by Southern Baptists in order that our churches may be served by a more faithful ministry.

This is a critical moment in the history of the Southern Baptist Convention—and for our seminaries. The six seminaries serving this denomination bear a precious and perishable responsibility on behalf of our churches, for we are entrusted with those who will be their ministers, pastors, preachers, and servants.

Looking to the dawn of the twenty-first century, we hereby restate and reaffirm our commitment to the churches we serve, to the convictions those churches hold and honor, and to the charge we have received on their behalf.

One Faith

The church of Jesus Christ is charged to contend for the faith once for all delivered to the saints Jude 3). Our seminaries, charged with the theological formation of ministers, must take this charge as central and essential to our mission. In an age of rampant theological compromise, our seminaries must send no uncertain sound.

Let the churches of the Southern Baptist Convention know that our seminaries are committed to theological integrity and biblical fidelity. Our pledge is to maintain the confessional character of our seminaries by upholding those doctrines so clearly articulated in our confessions of faith; by teaching the authority, inspiration, inerrancy, and infallibility of the Bible; by maintaining the purity of the Gospel and affirming the identity of Jesus Christ, by whose blood we have been redeemed and in whose name alone salvation is to be found; and by proclaiming with boldness the precious and eternal truths of God’s Word.

In this we stand together, and we stand with our churches. We understand that those who teach take on an awesome responsibility, and will receive from our Lord a stricter judgment (James 3:1). We stand before this convention and our churches to declare that we stand together in one faith, serving our Lord Jesus Christ.

One Task

Our mission is to prepare ministers for service. We cannot call ministers, nor appoint them to service. Ministers, called by God and commissioned by our churches come to us in order that they may through our seminaries receive learning, training, and inspiration for service. Preachers, evangelists, missionaries, and those who minister throughout the life of the churches come to our seminaries with the hope that they will leave their programs of study better equipped, armed, and matured for the faithful exercise of their calling.

Our mission is to remain ever true to this task. We declare our unflinching resolve to provide the very finest programs of theological education for ministry. We will match theological fidelity to practical ministry, passion to practice, vision to calling, and honor to service. This is our task.

One Sacred Trust

Our schools are not generic institutions for religious studies. We are the six theological seminaries serving the Southern Baptist Convention. We belong to you—we belong to the churches of this Convention. We are proud to carry your charge, and we declare our fidelity to you as a sacred trust. In this trust we stand before the Southern Baptist Convention, and we stand together.

Through the trustees elected by this Convention, our churches must hold our seminaries accountable to the faith once for all delivered to the saints, to the essential task of training and educating ministers, and to the sacred trust which unites our seminaries and our churches.

As the presidents of your seminaries, we declare our unbending and fervent resolve to uphold all of these commitments. We will lead our institutions so that no harm shall come to your students and ministers; so that they will be rooted and grounded in the truth; so that they will be trained as faithful and effective preachers and teachers; so that they will bring honor to the church
and not dishonor; and so that we shall be able to give a good answer and receive a good report when we shall face that stricter judgment which is to come.

This is our pledge, our resolve, our declaration. One Faith, One Task, One Sacred Trust.

Southeastern’s History

Southeastern Baptist Theological Seminary is an educational institution of the Southern Baptist Convention (SBC). The Seminary is governed by a Board of Trustees elected by the SBC. Trustees elect the President, President’s Cabinet, and the Faculty. Trustees also approve the budget, official documents, and personnel policies as well as authorize legal transactions, academic policies and administrative guidelines for the school. The Seminary receives a major part of its operating expenses from the SBC Cooperative Program. These funds are supplemented by student fees and special gifts from alumni and friends. The College at Southeastern is a school of the Seminary that offers primarily undergraduate programs.

History of the Institution

Southeastern Baptist Theological Seminary was formed on May 19, 1950 by a vote of the Southern Baptist Convention meeting in Chicago. To house the Seminary, the Convention purchased the campus of Wake Forest College in Wake Forest, N.C. recognized then and now as one of the most beautiful campuses in the southeastern United States. The campus also claimed a Baptist heritage. The property was originally obtained in 1832 by Baptists of North Carolina in order to build a college for educating ministers.

Trustees elected by the Convention secured a charter and adopted the Abstract of Principles as the Seminary’s Articles of Faith. Next they elected the first president, Sydnor L. Stealey.

Southeastern began classes in the fall of 1951. At first, Southeastern offered only a basic theological program leading to a Bachelor of Divinity degree. In 1956, when Wake Forest College finally moved to its new location in Winston-Salem, N.C., Southeastern inherited the rest of the Wake Forest campus. The number of faculty members and students grew and plans to remodel and renovate buildings were initiated.

In 1958, the school achieved recognition from the American Association of Theological Schools, now known as the Association of Theological Schools in the United States and Canada.

In 1963, after 13 years of service, Stealey retired and Olin T. Binkley was elected president. Enrollment stood at 575 and the school had 28 faculty members.

Under Binkley’s leadership, the Seminary continued the renovation program begun by Stealey. Four outdated buildings were removed and 13 new buildings were built. He also guided major academic changes: the general curriculum was revised; the Bachelor of Divinity degree became the Master of Divinity degree; the Master of Religious Education and the Doctor of Ministry degrees were implemented, bringing the total number of degree programs to seven. He also inaugurated the annual Alumni Giving Program before his retirement in 1974.

Southeastern’s third president, W. Randall Lolley, was elected in 1974. Enrollment had reached 663 with 24 elected faculty members. His was an era of progress for the Seminary. Degree programs were restructured, Southeastern received accreditation by the Southern Association of Colleges and Schools, and many campus buildings were modernized, enlarged, or renovated.

Enrollment increased to 1,392 in 1983 with a faculty of 36. The modernization of Adams Hall in 1984 provided the Seminary with more classrooms, seminar rooms, an auditorium, and a photography darkroom. The Ledford Center, a $2.5 million complex completed in 1986, provided a gymnasium, snack bar, lounges, meeting rooms, book store, sauna, and exercise rooms.

Lolley resigned in the fall of 1987 and was succeeded in 1988 by Lewis A. Drummond. The Drummond presidency marked a transitional era for Southeastern. Student enrollment declined and a major turnover occurred within the faculty. Nevertheless, Drummond led an administrative restructuring in 1988 and, in 1991, established the Center for Great Commission Studies.

Southeastern’s commitment to biblical inerrancy and to historic Baptist theological principles was made clear during the Drummond years. Several new defining documents such as the Seminary’s “Faculty Profile” and revised “Statements of Purpose and Mission” were finalized and adopted in 1992. Drummond retired in the spring of 1992.

In the fall of 1994, Southeastern Baptist Theological College was established as a school of the Seminary. In April 2000, by action of the Board of Trustees, the name of the college was changed to Southeastern College at Wake Forest. Subsequently, in
April 2008, by action of the Board of Trustees, the name was changed again to The College at Southeastern.

Innovative graduate and post-graduate programs in counseling, international church planting, and a doctor of philosophy degree were launched in 1995. New programs in women’s studies and advanced biblical studies were begun in 1998, along with an expanded undergraduate program. Programs in Christian school administration, North American church planting, and a new master’s degree in theological studies began in 1999.

In 2001, Trustees supplemented the confessional stance of the school by adding the Baptist Faith and Message 2000 to the by-laws. Southeastern’s accreditation was reaffirmed in 2003. Patterson also led the school to embark on a $50 million fundraising campaign called “Scholarship on Fire!”

In January 2004, Trustees elected Daniel L. Akin as Southeastern’s sixth president. His leadership brought many innovations while at the same time providing a sense of continuity for Southeastern’s theological identity. Akin renewed the emphasis on expository preaching in masters and doctoral studies. That same year, Southeastern added an Internet-based distance learning program, and a non-thesis version of the Th.M.

In 2005-2006, the Faculty significantly revised the degree program structure on the both the undergraduate and graduate levels. Dr. Akin also announced the establishment of a new administrative structure and the L. Russ Bush Center for Faith and Culture to be located in the new Paige and Dorothy Patterson Hall.

Development of the Campus

Even though Southeastern Baptist Theological Seminary has a history covering nearly six decades, the campus has a heritage spanning more than 150 years. In 1832, the Baptists of North Carolina purchased the 615-acre plantation of Dr. Calvin Jones for the purpose of establishing a teaching facility for young ministers.

Southeastern’s campus is noted for its splendid natural beauty as well as its graceful classic Georgian architecture. The grounds are rich with magnolias, elms, pines, oaks, cedars, firs, maples, and other varieties of trees. There is also an abundance of azaleas, camellias, sasanquas, dogwoods, and flowering fruit trees.

As a result, the campus offers resplendent views all year, but especially in the fall and spring. Many of the trees were growing on the land even before the plantation was built and are centuries old. Several massive white oaks, once part of a magnificent grove, still stand on the Southeastern campus. In fact, this grove was called Wake Forest and gave the town its name.

Another historic landmark, the stone wall now surrounding the central campus, was begun about 1885 by Wake Forest College President Charles E. Taylor and “Dr. Tom” Jeffries. The wall was rebuilt by Doug Buttram, a Southeastern graduate, during 1990-1994.

Through the years, Southeastern has complemented the natural setting with dogwoods, hollies, and an array of flowers. The original Wake Forest College buildings have been renovated and new ones have been added. Yet, with each change, the goal has been to maintain the character of the original campus and land. Today, Southeastern’s campus comprises a full range of excellent facilities for living and learning.

The idea of a Prayer Garden was begun by students in the Class of 1983 with a graduation gift of $546.00 and has been expanded as funds have become available. In 1991, an anonymous donor gave a gift of the gazebo which was placed in the center of the garden as a formal place of quiet prayer. The Prayer Garden’s landscaping design is based on the classical gardens of peace and solitude found throughout the Orient. The Prayer Garden and gazebo are located at the southwest corner of the campus between Lolley Hall, the Shaw House, and Stephens-Mackie Hall.

Stealey Hall was built by Wake Forest College in 1934. It replaced the Old College Building, later named Wait Hall, which had been destroyed by fire in 1933. In 1956, it was completely renovated for offices of the administration and faculty. It was renamed in 1961 in honor of the Seminary’s first president, S. L. Stealey.

Appleby Hall was begun by Wake Forest College in 1942 and completed during World War II. From 1951 to 1956, this building housed the new Seminary. It was remodeled and renamed in honor of Mr. Scott B. Appleby in 1962 in recognition of his generous support of the student aid fund. It contains a small chapel, classrooms, offices, and a newly furnished lecture room named in memory of Dr. and Mrs. Percy A. Bethea. Appleby Hall provides the offices and classrooms of The College at Southeastern.

Adams Hall, erected in 1933, first housed the Wake Forest Medical School (now the Bowman Gray School of Medicine). Renovated in 1956 and again in 1984, it serves as a classroom building for the Seminary. It is dedicated to the memory of the late Theodore F. Adams.
Binkley Chapel commands the center of the campus. Its tall spire is visible for several miles along every approach to Wake Forest. Work was begun on the chapel in 1942, but World War II prevented the completion of the interior. When the college moved to Winston-Salem in 1956, the work was resumed and completed in 1958. In 1959, a three-manual Reuter organ was given and installed as a memorial to Walter M. Williams of Burlington, N.C. In 1969, the chapel was named in honor of the Seminary’s second president, Olin T. Binkley. The ground floor of the chapel was redesigned in 1982 and furnished as five classrooms and church music facilities, including organ and piano practice areas.

The Emery B. Denny Building, was constructed in 1958 to replace the old Heck-Williams Building (1878), which was razed in 1957. In 1969, the Board of Trustees named it in honor of Dr. Emery B. Denny, former Chief Justice of the Supreme Court of North Carolina, a trustee of the Seminary and a longtime friend and supporter.

The Library, housed in the Emery B. Denny Building, provides resources and services to support the research and study of the faculty and to meet the needs of students. A broad range of materials for the general educational, cultural, and recreational interests of students, faculty and their families is provided.

The library’s collection has grown to more than 300,000 items including books, periodical volumes, music scores, music recordings and audiovisual materials, microforms, computer software, and Baptist documents. The young library’s collection is strong in Early American and Early British materials, including important Baptist history resources. The collection is adequate to serve all of the Seminary’s programs of study.

Broyhill Hall is the oldest building on Southeastern’s campus and is listed in the National Register of Historic Buildings. Built in 1888 as Lea Laboratory, it served Wake Forest College as a science building and then as the chemistry building. In 1980 it was renovated and renamed Broyhill Hall in appreciation of the generous gifts of J. E. and Paul Broyhill, trustees from Lenoir, N.C. It now houses offices and the Hall of the Presidents.

Stephens-Mackie Hall was originally named in honor of Dr. and Mrs. George E. Mackie of Wake Forest. The building was renamed Stephens-Mackie Hall in October 1999 in honor of Mr. and Mrs. Gerald K. Stephens of Morganton, N.C. It is dedicated to faculty offices.

The Jacumin-Simpson Missions Center was finished in 2001. This building houses the Lewis A. Drummond Center for Great Commission Studies, a 111-seat auditorium equipped with world-wide video conferencing technology, and 14 faculty offices. The center serves as the headquarters for Southeastern’s mission effort. The light that shines forth from the cupola at night is a symbol of the light of the gospel penetrating the darkness of the world. The building is named in honor of Jim and Nancy Nell Jacumin of Icard, N.C., for their generous support of the project and the Seminary. It is also named in honor of the Jacumins’ parents, Emile and Mamie Jacumin, and Roy and Muriel Simpson.

The Facilities Management Building is located across from the campus near downtown Wake Forest. It is within easy walking distance of the main campus and houses maintenance offices and the Housing Office.

The Ledford Center and Cannon Gymnasium are an expansion of the Gore Gymnasium, which was first dedicated by Wake Forest College in 1938. Renovations and additions to the original building in 1986 provide an activities facility containing more than 50,000 square feet. The complex includes a multi-use gymnasium, fully equipped fitness facility, racquetball courts, and locker/dressing rooms for women and men. In addition, there is a computer lab, a post office, game area, “The Court” restaurant, and “The Locker” shop for Southeastern attire and memorabilia. Offices for administrators and the International Student Advisor are also located in the center. The center is named in honor of Mr. and Mrs. Hubert F. Ledford of Raleigh, N.C. The gymnasium area has been named for the late Charles Cannon and the Cannon Trusts.

Wake Forest Baptist Church, organized in 1835, occupies the church building (1913) within the campus enclosure.

Magnolia Hill is the home of the president. Built in 1928 as the residence of the president of Wake Forest College, the house is located off the southwest corner of the campus. It was renovated and refurnished in 1975. An addition to the home was dedicated in April 2001 featuring a new library and living space.

Purchased in 1960 and renovated in 1994, the Manor House, near the main campus, provides pleasant accommodations for prospective students and other guests.

In 1996, the Seminary purchased the Guest House at 377 Durham Road to provide additional accommodations for prospective students and guests.

The Paige & Dorothy Patterson Hall will be completed in 2008 and is named for Southeastern’s fifth president, Dr. Paige Patterson and his wife, Dr. Dorothy Patterson. The Pattersons had a significant impact on the direction and revitalization of the
academic programs, campus life, and the campus itself. Therefore, the Board of Trustees voted to name Southeastern’s newest building in honor of their eleven years of service. The building houses classrooms, the academic suites for the doctoral programs, and 22 faculty offices.

The Athletic Field is located near the campus and is utilized for recreational activities such as ultimate Frisbee, flag football, soccer, and Fall and Spring cookouts.

**Campus Life**

Southeastern students grow closer in their walk with Christ, develop lifelong friendships, and exercise their giftedness through a variety of opportunities both on and off-campus.

**Worship**

As Binkley Chapel is the center of the campus, so worship is the center of campus life. Southeastern is known for its exciting and inspiring chapel services. Under the leadership of the president, professors, students and guest speakers, chapel services are held at 10 a.m. each Tuesday and Thursday while classes are in session during the fall and spring semesters. On selected days, missionary speakers, scholars, and other Christian leaders inspire the entire community with special lectures and addresses.

**Opportunities for Ministry**

Many Southeastern students serve churches within a 200-mile radius of the Seminary. Although the Ministry Referral Office offers assistance to every student who wishes the opportunity for ministry, it cannot guarantee a position to any student.

Southeastern students minister in hospitals, prisons, shopping centers, rest homes, campgrounds, schools, churches, colleges, and in other areas of special need. During the summer, many students serve as pastor-assistants, retreat chaplains, evangelists, youth directors, chaplain interns at hospitals, missionaries, and special urban workers.

**Student Spouses**

Student spouses may enroll in Seminary classes for a reduced fee. Often, special evening classes or lectures are arranged for their convenience. Spouses also may take part in campus organizations such as the Seminary Choir and the Southeastern Women’s Fellowship. They are included in campus social functions and various special interest activities.

Spouses seeking employment have a wide choice of possibilities in the area. The Employment Office aids both students and spouses in finding employment. On-campus positions are also available. Southeastern employs a number of administrative assistants, secretaries, and other skilled persons.

**Center for Health**

During sessions, Southeastern operates an on-campus Center for Health directed by a physician. Routine medical services are available to registered students, spouses, and their children ages 12 and up. The office visit incurs no expense to the student but insurance may be filed. Medical services include: travel medicines and vaccines, wellness screening (including cholesterol, blood sugar, and blood pressure determination), and women’s health (including Pap smears).

Appointments are recommended and can be scheduled by calling 919-569-0003. The office is usually open on Tuesdays and Thursdays.

Students may purchase general medicines and certain medical supplies through the Center for Health as prescribed by the campus physician. All medicines must be paid for at the time they are issued. Students should obtain and maintain health insurance for medical services which may not be provided by the Center for Health.

**LifeWay Campus Store**

The LifeWay Campus Store (919-556-3481) is operated by LifeWay Christian Resources of the Southern Baptist Convention. It carries the required textbooks and supplies for classes as well as a variety of other materials. The bookstore is open to the public.
Opportunities in Music
Southeastern Seminary provides a wide variety of musical experiences for students, including chapel music, music performance ensembles, and private lessons.

Chapel music is led by faculty, students, and guest leaders. The musical styles represented are diverse, with an emphasis on doctrinally-rich hymns and worship songs. Chapel music encourages congregational participation and contributes to the spiritual formation of Southeastern students.

All Southeastern students are eligible to participate in Southeastern music ensembles. Ensemble credit is available for elective credit for no fee. Music performance ensembles include the Chapel Choir, the Seminary Orchestra, the Seminary Choir, and smaller ensembles. The Chapel Choir and Seminary Orchestra provide worship leadership regularly in Chapel. The Seminary Choir prepares presentations of sacred masterworks, performed with professional orchestral accompaniment. Smaller musical ensembles include the Contemporary Vocal Ensemble and the Contemporary Instrumental Ensemble. Both contemporary ensembles are auditioned groups.

Southeastern students may also choose to develop musical talents in class voice, class piano, class guitar, or private lessons. Private lessons are available in voice, piano, organ, guitar, and all orchestral instruments. An additional fee is charged for private lessons.

Special Days and Lectures
The regular curriculum of the Seminary is enlarged and enriched by guest lecturers, visiting preachers, and special speakers. These sermons, lectures, and addresses are open to the general public.

Guest Lectures
The Carver-Barnes Lectures were established in 1961. These lectures honor W.O. Carver (1868-1954) and W.W. Barnes (1883-1960) for their outstanding contributions to theological education. These lectures address the history and the mission of the church and are funded in part by the income from a gift of Mr. and Mrs. Harold C. Fechner of Lee's Summit, Missouri, and Mr. and Mrs. W. Lee Beaver of Chesterfield, Missouri.

The Theodore F. Adams Lectures on Preaching and the Pastoral Ministry were established in 1976. These lectures honor the contribution to Christian ministry of Theodore F. Adams (1898-1980), who taught at Southeastern from 1968-1978. These lectures are funded from the income on a corpus given by friends of Dr. Adams.

The Page Lectures were established in 1979. These lectures address a variety of subjects of interest to the Seminary community. They are funded by the income from a gift of Mr. and Mrs. George A. Page of Plainfield, Indiana.

Faculty Lectures
Each fall and spring, a member of the faculty gives a public lecture in his or her field of expertise.

Commencements
Family members and friends gather with graduates on these days of recognition of academic achievement. The commencement address is usually given by the president at both winter and spring commencements.

Convocations
The first chapel service of each semester is a high occasion when students, faculty, and administration dedicate themselves and the semester to the Lord.

Spring Conference
The Spring Conference is sponsored annually in cooperation with LifeWay Christian Resources of the Southern Baptist Convention.

Parking
Southeastern’s parking system is designed to provide as many students as possible with adequate parking for attending classes and using the buildings as needed. Color-coded signs are posted at every parking area, and color-coded tags are assigned to each student. When parking in the lots on campus, be sure to park in areas with signs that match the color of your parking tag. Parking tags are issued every semester during matriculation and must be displayed at all times while on campus. Parking tags are to be renewed in the Accounting Services Office, and any questions regarding parking should be directed to the Campus Security Office.
Financial Aid / Employment Services Office
The Financial/Aid/Employment Services Office serves the students by making financial aid resources available to eligible students, and giving them information on external financial aid sources.

Student Employment Services is a part of the Financial Aid Office and serves students and their families by actively generating job opportunities in communities around the school. This office seeks to match the skills and expertise of our students with contributing, encouraging, employers that support Seminary families. While this service cannot guarantee positions with employers, it can assist students in securing employment during their stay at Southeastern.

Student Employment Services include, but are not limited to, job placement, resume preparation, and financial counseling. The objective of the service is to help students seek employment based on their family, class schedule, and income needs. Part-time and full-time positions are available.

Ministry Referral / International Student Services
The Ministry Referral/International Student Services Office acts as the International Student Advisor for the campus. All inquiries related to international student issues should be made at the Student Life Office or the International Office. These issues include, but are not restricted to, immigration status, employment restrictions, social security number acquisition, student aid, and counseling.

In addition, the office also serves all students and churches near and far, by letting students know of ministry positions available and providing churches seeking for staff members with potential resumes on candidates. If you are interested in having your resume on file, please stop by the office in the Ledford Center for more information.

Becoming a Student
Undergraduate Admissions Policies

Applicants for College admission are Christians whose academic credentials, reputation of character, and personal goals exhibit a strong likelihood of graduating from Southeastern. Not all applicants who meet the minimum requirements can be accepted.

All questions about admission policies or requirements should be directed to the Admissions Office, The College at Southeastern, P.O. Box 1889, Wake Forest, N.C. 27588-1889; phone: (919) 761-2281 or e-mail: admissions@sebts.edu.

Requirements for Incoming Freshmen

Incoming students must provide the following information:

- **High School Graduation**: Proof of high school graduation or a GED is required for admission into The College at Southeastern. High school seniors making application must submit a transcript showing completion of their first semester of their senior year. Upon graduation, the applicant must submit a final transcript. Transcripts from all post-secondary schools attended must be submitted. Applicants who have completed a high school equivalency certificate must submit official transcripts from all post-secondary institutions attended. All transcripts become the property of The College at Southeastern.

- **Standardized Tests**: An official report of the student’s SAT or ACT scores (sent to Southeastern from the testing agency) is required for admission. Standardized test scores are one component of the student’s academic history considered for admission, though the College recognizes that other components may be more revealing in judging a student’s potential for college graduation. Applicants’ scores should reflect satisfactory performance on standardized tests. (See the English and Math Placement in the Academic Policies section of this catalog.) The SAT college code is 7050. The ACT college code is 3092.

Transfer students must meet all of the above requirements for admission and must submit official transcripts for all post-secondary institutions attended. Credits earned at other institutions will be evaluated by the Registrar’s Office for transferability. Applicants may be required to provide a copy of the transfer institution’s catalog. For information on Transfer Credit Policies see the section titled “Undergraduate Transfer of Credits” below.

Home school students making application must submit an official transcript from a lawfully operated non-public school. To be official, a transcript must be accompanied by a copy of the certification verifying the lawful operation of the school. The transcript should contain the home school’s name, address and telephone number, titles of the subjects completed during each academic year, the numerical (or letter) grade and unit credit earned for each subject, and the date of graduation (if applicable). Nationally standardized test scores (e.g. California or Iowa) must also be submitted to the Admissions Office from the testing agency. If deemed necessary for evaluation, the Admissions Office may also request a portfolio or bibliography of high school course work. Home school students must also submit an official report of the student’s SAT or ACT scores (SAT college code: 7050; ACT college code: 3092).

Undergraduate Admission Procedures

Application for admission is made through the Admissions Office. The following items are needed before an application is considered. (Note: Original forms are required. Faxed copies will not be accepted.)

1. A completed application form and recent “head and shoulders” photo (color or black and white)
2. Three completed Character Reference Forms (one must be from a pastor)
3. A non-refundable application fee of $30
4. A completed Medical Information Form
5. A completed Immunization History Form (North Carolina State Health Department standards require that a completed immunization record be received by Southeastern.)
6. Official transcript(s) from all secondary and post-secondary schools attended must be sent directly to the Admissions Office from the Registrar of each school previously attended
7. A completed Church Recommendation Form
8. Spouse’s Personal Statement (if married)
9. An official SAT or ACT score sent directly to the Admissions Office from the testing agency
10. A completed Southeastern Covenant

In some cases, additional documents may be required. Contact the Admissions Office for more details.

Applicants to Southeastern waive all rights to privileged knowledge of the decision making process leading toward admission. All references and other evaluative documents will be confidential. The decision of the Admissions Committee acting officially
on behalf of the faculty is final. However, an applicant who fails to be admitted may reapply with the same application materials for the following year.

**Undergraduate Application Deadlines**

Completed applications may be considered up to 12 months early and should be completed well in advance of the deadline, which is 30 days before the first day of a given semester. The deadline for completed Non-Degree (Credit-Only) applications is also 30 days before the first day of a given semester. Late applications may require delayed enrollment. No student will be admitted as Non-Degree (Credit-Only) after the first day of classes.

Students planning to live in campus housing should note that space is limited, and housing applications are processed by the Housing Office by date of acceptance to Southeastern. Therefore, it is wise to complete the application process as early as possible.

**Undergraduate Admission Process**

When application materials are complete, they are reviewed by the Director of Admissions. A personal interview with the Faculty Admissions Committee may be required.

**Provisional Acceptance**

Under certain circumstances, applicants may receive a conditional or a restricted admission. Details of any condition or restriction upon enrollment will be provided with the official letter of admission.

**International Student Admissions**

The admissions procedure for international students requires additional information and processing time due to college policies and the requirements of the U.S. Immigration and Naturalization Service.

In order to qualify for admission to the college, international students are required to provide a minimum score of 550 on the paper-based TOEFL or a 79 on the internet-based TOEFL. Southeastern’s school code for the TOEFL is 5620.

International applicants are required to complete all the forms and documentation outlined in the International Student Application Packet to ensure their financial security while studying at The College at Southeastern. This packet can be found on the college website or is available from the Admissions Office. This packet must be completed in its entirety with the previously stated application requirements, prior to the application review and issuance of an I-20.

**Non-Degree (Credit-Only) Admissions**

Applicants interested in taking courses for personal enrichment, transfer to other institutions, or fulfillment of mission board requirements are welcome to apply as Non-Degree (Credit Only) students. Non-Degree (Credit Only) students are permitted to take up to 30 hours of transferable credit. Fees for Non-Degree (Credit Only) students are equal to the fees for degree-seeking students. A transcript will be maintained, but the transference of credit is the decision of each degree or certificate granting institution. Non-Degree (Credit Only) students are permitted to occupy student or commuter housing only if their spouse is a degree-seeking student at Southeastern. If a student completes graduate courses prior to entering one of the undergraduate programs of the College, then those graduate credits will not apply to college degree requirements.

**Auditing Courses**

With the professor’s approval, students, student spouses, friends of the college, and other interested parties may audit college courses if there is space available. Auditor applications are available from the Registrar. Audit fees apply; see Schedule of Fees for more detail. A transcript record will not be maintained. Non-credit courses such as Theological German and Theological Latin are not available to auditors.

**High School Juniors and Seniors**

High school juniors and seniors who wish to take courses in the college must be currently enrolled in a high school, have an outstanding high school record, and show proof of completion of the 10th grade. In addition, they must be at least 16 years of age. Juniors may complete 3 credit hours per semester and seniors may complete up to 6 credit hours per semester.
Unique Admissions Requirements for Music Students

Based upon accrediting agency requirements, persons seeking admission to the BACS and Music should (a) have the ability to relate musical sound to notation and terminology both quickly and accurately enough to undertake basic musicianship studies in the freshman year, and (b) have a level of achievement in musical performance that indicates the ability to be successful at the undergraduate level. Therefore, each student entering the BACS and Music will be required to complete the following during New Student Orientation:

1. Take the “Pre-College Basic Musicianship Test.” In preparation for this exam the student should purchase and complete the workbook in musicianship studies Basic Materials in Music Theory by Greg Steinke and Paul Harder (Prentice Hall; ISBN: 0130993336). If deficiencies are indicated in this area, the student will be required to enroll in MUS 0010, Introduction to Basic Musicianship prior to beginning study in undergraduate level Basic Musicianship classes.

2. Perform in his chosen performance medium for the music faculty. An accompanist will be provided for the performance evaluation.

3. In the case of non-keyboard music majors, students will take a Piano Proficiency Evaluation. The purpose of this evaluation is to place the student in the appropriate Piano Lab Class or private piano study. Non-keyboard music majors are required to enroll in Piano Lab or private piano study until piano proficiency is passed.

4. In the case of non-vocal music majors, students will take a Vocal Proficiency Evaluation. The purpose of this evaluation is to place the student in the appropriate Voice Class or Voice Private Study. Non-vocal music majors are required to pass Vocal Proficiency or take the appropriate Voice Class.

Performance Recital

As a part of applied study in voice/instrumental/keyboard, each student will present a recital in their chosen performance medium. This recital is usually performed during the last semester of music study and after at least 7 semesters of private study. A Recital Hearing must be passed the semester prior to the recital.

Undergraduate Orientation

All students attending the main campus or entering under a new application are required to attend New Student Orientation at the beginning of their first semester. Orientation information is delivered to accepted students one month prior to the beginning of the semester.

During orientation students will matriculate. Matriculation is the process of becoming an enrolled student by taking care of class registration, parking decals, student identification cards, as well as having a photograph taken and remitting payment for tuition and fees. Under no circumstances are students allowed to register for courses prior to the time assigned during Matriculation.

Math and English Placement

Those who score below 450 on the SAT Math section or below 17 on the ACT Math section must complete MAT 0010 Math Foundations. MAT 0010 is a non-credit course, and it must be completed during the first year of study. Upon satisfactory completion of MAT 0010, students may enter MAT 1600. Students who transfer college Math are exempt from placement exams and pre-college courses.

Those who score below 450 on the SAT Critical Reading section or below 17 on the ACT English section must take ENG 0010 Fundamentals of Composition. ENG 0010 is a non-credit course, and it must be completed during the first year of study. Upon satisfactory completion of ENG 0010, students may enter ENG 1110. Students who transfer college English composition are exempt from placement exams and pre-college courses.

Students whose SAT or ACT scores require completion of MAT 0010 and/or ENG 0010 have the option of completing placement exams in Math and/or English during New Student Orientation prior to their first semester at Southeastern. A passing score on the placement exam exempts the student from MAT 0010 and/or ENG 0010.

Math and English Advanced Standing

An applicant’s qualifying scores on the SAT or ACT will govern Math and English placement. Students who score 700 or above on the SAT Math section, or 30 or above on the ACT Math section will receive “Advanced Standing” and three credit hours for MAT 1600 College Algebra. Students who score 700 or above on the SAT Critical Reading section, or 30 or above on the ACT English section will bypass ENG 1110 English Composition I and receive “Advanced Standing” and three credit hours for ENG 1110. They are required to complete ENG 1120 English Composition II for three credit hours.
Exemption from ENG 1120 requires a score of 700 or above on the SAT Critical Reading section or 30 or above on the ACT English section as well as an acceptable graded research paper from an English class. A College English professor will assess the research paper and determine whether or not the student may be exempt from ENG 1120. Qualified students should contact the Registrar’s office for information.

Computer Advanced Standing
To gain advanced standing for computer skills, students may take the computer proficiency exam. If a student scores an A on the exam, he will receive credit for CIS 1100 Introduction to Computers. If a student scores a B on the exam, he will bypass CIS 1100 Introduction to Computers and must take 3 hours of free elective in its place. If a student scores below a B on the exam, the student must complete the CIS 1100 Introduction to Computers requirement. Students should contact the Registrar’s office for scheduling information for the computer proficiency exam.

Undergraduate Transfer of Credits
Standard Policies: Course work completed at other institutions and applied toward any program at Southeastern is subject to certain conditions. For additional information about other institutions and the college’s interaction with these institutions, please inquire with the Registrar.

1. Course work must be complementary to the course requirements and overall purposes of Southeastern’s degree program as determined by the Registrar. In general, course descriptions, material covered, and assignments given must reasonably correspond to the complementary course at Southeastern for credit to be transferred.

2. Course work must be from a school whose accreditation is commonly recognized by similar institutions in this region. The College at Southeastern is accredited by SACS. Other accrediting agencies are reviewed on a case-by-case basis. To verify accreditation of an institution, contact the Registrar. The student may be asked to provide a copy of the transfer institution’s academic catalog.

3. Only college-level courses that appear on a student’s official transcript with a grade of C or better will be transferred.

4. Course work taken at non-accredited institutions cannot be transferred to the college.

Concurrent Enrollment
Once a student has enrolled as a student at Southeastern, the student should not enroll at another academic institution without permission from the college. A student who desires to take classes from another regionally accredited institution while concurrently enrolled at Southeastern must have prior approval of the student’s faculty adviser, the Dean of the College, and the Registrar. To initiate the approval process, the student should complete a Transfer Request Form available from the Registrar. The student should be prepared to provide all pertinent information regarding the transfer course in question. Except in rare circumstances, students will not be permitted to enroll in transfer courses if the course in question is offered in the same term by The College at Southeastern. Consult the section on “Undergraduate Academic Load” and “Undergraduate Transfer of Credits” for additional information.

A.Div. Program Transfer Policies
Up to 15 hours of General Studies courses may be taken at other accredited colleges and applied to the A.Div. program. Since the A.Div. is a specialized professional degree, a maximum of 6 hours of foundational or vocational electives may be transferred from comparable work at another accredited institution. Credit hours completed at a non-accredited institution will not be applied to the A.Div.

B.A. Program Transfer Policies
Transfer students in the B.A. program must take a minimum of 32 hours at Southeastern in order to graduate from the college and a minimum of 26 hours must be taken on the main campus in Wake Forest. Not more than 12 may be taken in practica, individualized studies, and similar special courses.

Correspondence and External Degree Programs
A maximum of 12 hours of regionally accredited correspondence, online, and external degree program course work may be credited toward graduation requirements. A maximum of six hours may be completed and transferred once the student has enrolled at Southeastern. Of the 12 hours, only 6 may transfer into Biblical Studies major courses. Before registering at another accredited institution for correspondence or online course work to be transferred to the college, current students must have written permission from the Dean of the College. Transfer Request Forms are available from the Registrar.

Military Experience
Military credit is reviewed on a case-by-case basis and may apply only as electives. Applicants must provide all necessary military transcripts.
Credit By Examination
The College at Southeastern accepts nationally recognized Credit by Examination programs including the Advanced Placement Program of the College Board (AP), the College Level Examination Program (CLEP), and the International Baccalaureate (IB). Credit awarded for successful completion in AP, CLEP, and IB programs is assigned semester hours without quality points. Successful completion in these programs is determined according to the following guidelines. Students may be awarded a maximum of 30 hours of Credit By Examination.

Advanced Placement Program
The College at Southeastern will award credit with grades of 3 or above for the following courses. Scores of 4 or 5 on selected AP examinations will award 6 hours of credit, with the second course identified by an asterisk (*).

Apply Online for an Undergraduate Degree.
Graduate Admissions Policies

Applicants for Seminary admission are mature Christian believers who affirm a divine call to Christian ministry. A prerequisite to entrance into any master’s degree program at the Seminary is a baccalaureate degree from a college or university accredited by a recognized regional or national professional accrediting agency. Graduates of colleges and universities located outside the United States and other applicants will be considered on an individual basis. Not all applicants who meet the minimum requirements can be accepted.

All questions about admission policies or requirements should be directed to the Admissions Office, SEBTS, P.O. Box 1889, Wake Forest N.C. 27588-1889; phone: (919) 761-2280 or e-mail: admissions@sebts.edu.

Academic Prerequisites for Graduate Degree Programs

The applicant’s undergraduate degree program ideally should have a strong liberal arts background as evidenced by the completion of 60 or more semester hours of courses well distributed among these subject areas:

- English, language and literature.
- Classical languages (for example, Latin, Greek, or Hebrew).
- Modern languages (for example, French, German, or Spanish).
- History, including non-Western as well as American and European studies.
- Philosophy, particularly its history and methods.
- Natural sciences, both physical and life sciences.
- Social sciences, including psychology, sociology, economics, and anthropology.
- Fine arts and music, with emphasis on creativity and symbolic communication.
- Religion, both in the Judeo-Christian and in the Eastern traditions.

Whatever their academic background, students should bring to the Seminary a broad understanding of the world and should possess the ability to communicate well. An awareness of the world in which we live includes a knowledge of persons and ideas, an understanding of significant movements in history, and an appreciation for the physical universe. Communication is of central importance in ministry. The entering student must be able to think rationally, read with comprehension, as well as write and speak clearly.

Additional information and specialized requirements for applicants are included in the descriptions of the respective degree programs.

Graduate Admission Procedures

Application for admission is made through the Admissions Office. The following items are needed before an application is considered. (Note: Original forms are required. Faxed copies will not be accepted.)

1. A completed application form and recent “head and shoulders” photo (color or black and white)
2. Three completed Character Reference Forms (one must be from a pastor)
3. A nonrefundable application fee of $30
4. A completed Medical Information Form

Graduate Application Deadlines

Completed applications for Non-degree (Credit Only), M.Div., Th.M., M.A., M.T.S., and certificate programs may be submitted up to 12 months prior to the application deadline. The deadline for application is 30 days prior to the beginning of the semester or term in which the student expects to enroll. Late applications may require delayed enrollment. Applications for the M.A. (Christian Ethics) and Th.M. with Thesis programs must be submitted at least 60 days prior to registration for consideration by the appropriate committee.

Students planning to live in campus housing should note that space is limited, and housing applications are processed by the Housing Office after the student is accepted to the Seminary for enrollment. Therefore, it is wise to complete the application process as early as possible.

Graduate Admission Process
Applications take approximately 30 days to process after all required items are received by the Admissions Office. The Admissions Committee treats all material confidentially. If approved, the application file will remain valid for purposes of admission for one year from the date of approval. If enrollment is delayed beyond one year or if this application is not approved, a new updated application with accompanying forms must be submitted. Please contact the Admissions Office at 919-761-2280 or admissions@sebts.edu if you have any questions about your application or about the admission process.

Provisional Acceptance
Under certain circumstances, applicants may receive a conditional or a restricted admission. For example, applicants may be admitted conditionally prior to receipt of a bachelor’s degree if they have transcript evidence of at least 112 hours toward their bachelor’s degree. The College at Southeastern students who have been approved through the Southeastern Collegiate Partnership (SCP) and have been admitted conditionally may take up to 30 hours of seminary courses. These seminary hours will not be applicable to their undergraduate degree. No more than 30 semester hours of Seminary work may be completed until the condition is removed. Details of any condition or restriction upon enrollment will be stated in the official letter of admission.

Credit Only/Non-Degree
The deadline for Credit Only/Non-Degree application is 30 days prior to the beginning of the semester or term in which the student expects to enroll. Late applications may require delayed enrollment. Students are not allowed to register for classes until their application has been approved.

6. A completed Church Recommendation Form
7. A completed Southeastern Covenant

World Education Services Evaluation Requirements
To ensure accurate assessment of international transcripts, a World Education Services (WES) evaluation is required of all students who have studied outside of the United States. All official transcripts from non-US post-secondary educational institutions must be translated (as applicable) and sent directly to WES by the issuing institution. This is a requirement before your admissions file will be considered complete. You will find all the information you need at www.wes.org.

Students can apply for an evaluation on the WES website, and should apply for the Course-by-Course evaluation if they have completed any university-level coursework.

If transcripts and diplomas are in languages other than English, students must provide a translation. On the WES form, the student must request a copy of the report to be sent to "a third party" and indicate the following:
- Office of Admissions
- Southeastern Baptist Theological Seminary
- PO Box 1889
- Wake Forest, NC 27587-1889

Please allow 4-6 weeks for WES evaluations to be completed.
International Student Admissions
The admission procedure for international students requires additional information and processing time due to Seminary policies and the requirements of the U.S. Immigration and Naturalization Service. Please see International Student Admissions Policies for detailed instructions.

Auditing Courses
With the professor’s approval, students, student spouses, friends of the Seminary, and other interested parties may audit seminary courses if there is space available. Auditor applications are available from the Registrar. Audit fees apply; see Schedule of Fees for more detail. A transcript record will not be maintained. Non-credit courses such as Theological German and Theological Latin are not available to auditors.

Unique Admissions Requirements for Graduate Degree Programs

Master of Church Music
Based upon The Association of Theological Schools accrediting requirements, persons seeking admission to this program should (a) possess a baccalaureate degree approved by the National Association of Schools of Music or (b) meet the standards of the bachelor of music degree as prescribed by NASM. Students not possessing an undergraduate degree in music will qualify for admission into the program via criterion (b) above by completing the Church Music Diploma offered by Southeastern College. In further accordance with ATS accrediting requirements, Southeastern Seminary is required to administer placement exams of all graduate applicants to the M.C.M. program. If deficiencies are indicated, remedial work will be required without graduate credit. Please contact the Admissions Office with any questions regarding admission into the Master of Church Music.

Master of Arts (Christian Ethics)
Admission to the Master of Arts (Christian Ethics) degree program is based on the following application elements. Note that application for admission to the M.A. (Christian Ethics) program should be made at least 60 days prior to matriculation.

1. A set of completed standard application forms and an M.A. (Christian Ethics) application form
2. Minimum 3.0 GPA in an accredited baccalaureate degree program. Applicants with degrees from colleges or universities outside the United States will be considered on an individual basis
3. Five confidential reference forms (non-family): 1 pastor; 2 personal character; 2 academic
4. A graded research paper from a graduate or undergraduate course, or the GRE Writing Assessment
5. Applicants for whom English is a second language must achieve a minimum TOEFL score of 600 or present an equivalent demonstration of ability to read and write English at a graduate level

Southeastern Collegiate Partnership
All graduate students who have completed undergraduate courses in the area of biblical studies at an accredited institution will have their transcripts evaluated by the Registrar’s Office for eligibility in the Southeastern Collegiate Partnership (SCP). If the student has received an A or B in these courses and the courses meet SCP criteria, the student may be eligible to earn credit on the master’s level for corresponding classes in the seminary. To earn credit the student must pass a proficiency test or complete an intensive seminar for eligible classes. For further information please contact the SCP Office at 919-761-2284.

Graduate Transfer of Credits in Master’s Programs
Credits earned at other schools may be applied toward degree programs at Southeastern, subject to certain conditions: the credits must be of a comparable graduate level, in a subject appropriate to the student’s degree program at Southeastern, and awarded by a recognized accredited school. Other guidelines may also apply.

Students transferring credits to Southeastern must maintain a C average on courses taken at Southeastern in order to graduate (students enrolled in advanced degrees must maintain a B average).

Persons seeking to transfer to Southeastern must make application through the normal admission process. Upon request, Southeastern’s Registrar will evaluate the official transcript and inform the student of the credit that may be transferred.

Transfer students in the master’s programs must complete through Southeastern at least one-half of the hours required for any degree and must complete the equivalent of one year of full-time academic study at the main campus or at an extension site that has been approved for degree-granting status. (This amounts to at least half of the required hours for the M.A. and one-third for the M.Div.) Not more than 12 of these on-campus hours may be taken in practica, individualized study, travel-based courses, or similar special classes. Details of all transfer policies are provided by the Registrar.
Seminary master’s-level courses that are counted toward an undergraduate degree cannot be transferred back into any Seminary master’s degree program.

**Non-Degree (Credit-Only) Status and Credit Transfer**

Non-Degree or Credit-Only status, permitting up to 30 hours of transferable credit work from the Seminary, is available to those who properly apply and qualify for admission. Students should not interpret acceptance under Non-Degree or Credit-Only status as a guarantee of being admitted into a degree program in the future.

Whether this academic work will transfer into a degree program at another institution is determined by the transfer policies of that institution. However, course credits received under this status usually will transfer as accredited work.

Seminary courses transferred to an undergraduate program cannot be transferred back into any Seminary-degree program. A student who through this process finds that Seminary degree requirements would be a duplication of previous work would be allowed to take non-duplicating courses in the same field in order to meet the hour requirements of the Seminary degree. The exception would be biblical languages, which would be treated under the advanced standing guidelines.

Advanced Degree Programs Admissions Policies

Southeastern Baptist Theological Seminary offers advanced graduate-level work including the Master of Theology, two professional doctorates (Doctor of Ministry and Doctor of Education), and an advanced research doctorate (Doctor of Philosophy). See below as well as on individual degree descriptions for specific application requirements for each of these advanced degrees.

Master of Theology

Admission Requirements
Only graduates of accredited colleges and universities who have also earned the M.Div. degree or its equivalent (as determined by the Seminary) from an accredited institution may apply for admission to the program of studies leading to the Master of Theology degree.

Admission to this program requires facility with two foreign languages. Students majoring in theological or applied studies may partially fulfill this requirement with either Greek or Hebrew, while students majoring in the biblical area must fulfill this requirement with both biblical languages.

Satisfaction of one of the language requirements can be achieved concurrently with the student’s course work in the Th.M. program. Language requirements must be completed prior to approval of the Th.M. Guided Research.

Applications for admission to the Th.M. program should be made at least 60 days prior to matriculation. Students normally begin the program June 1, though they may commence in January as well.

M.Div. graduates from Southeastern will follow a simplified admissions procedure. Information regarding the simplified admission process, as well as simplified application forms, is available in the Admissions Office. Applications from non-Southeastern graduates will follow the steps below.

Admission to the Th.M. program is based upon the following application elements:

1. A completed set of application forms, including the Church Recommendation form, Personal Statement, Spouse's Personal Statement, Divorce form, Medical History, Immunization Record, and Th.M. Application form (and application fee). Applicants must also sign a copy of the “Southeastern Covenant.”

2. A transcript showing the satisfactory completion of the Master of Divinity degree (or its equivalent) is the basic prerequisite. Minimum 3.0 GPA in the M.Div., or its equivalent, is required for application to the Th.M. program.

3. Official transcripts are required from all graduate and undergraduate studies. Southeastern students already have these transcripts on file.

4. Transcript or other evidence of satisfactory completion of all language requirements. Biblical Greek and/or Biblical Hebrew must be completed with an average grade of B or above, or a biblical language competency exam may be required.

5. Five references (non-family): 1 pastor; 2 personal character references; 2 academic (at least one from the field of desired specialization).

6. A graded research paper from the M.Div. program or an equivalent demonstration of research skills and scholarly writing ability is required.

7. Students for whom English is a second language should have a minimum TOEFL score of 600 (100 for the internet-based test) or an equivalent demonstration of ability to read and write in English at the scholarly level. Please note that TOEFL scores must be less than 24 months old to be considered valid by the Seminary.

8. Applicants must complete a Major Professor Request Form in which they designate a possible Major Professor and summarize their interest in the field concentration and their scholarly preparation for their desired specialization. Applicants may be approved only if there is a Major Professor available who agrees to work with the student in the desired discipline of major concentration. Applicants are required to meet with the desired Major Professor, in person or
by phone, in order to discuss the student's academic interests and planned course of study before completing the Major Professor Request Form.

The applicant must waive all rights to privileged knowledge of the decision making process leading toward admission. All references and other evaluative documents will be confidential. The decision of the Admissions Office regarding a student's application to the Th.M. program, acting officially on behalf of the faculty, will be final. However, an applicant who fails to be admitted may reapply with the same application materials for the following year. A third application requires a complete update of all application materials.

For more information contact the Admissions Office at 919-761-2284 or admissions@sebts.edu.

**Master of Theology with Thesis**

Satisfaction of one of the language requirements can be achieved concurrently with the student's course work in the Th.M. program upon the recommendation of the Major Professor and with the approval of the Dean of Graduate Studies. Language requirements must be completed prior to approval of the Th.M. Thesis prospectus.

Applications for admission to the Th.M. program should be made at least 60 days prior to matriculation. Students normally begin the program June 1, though they may commence in January as well.

Admission is competitive and will be based upon the following application elements:

1. A completed set of application forms, including the Church Recommendation Form, Personal Statement, Spouse's Personal Statement, Divorce form, Medical History, Immunization Record, and Th.M. Application (and application fee). Applicants must also sign a copy of the "Southeastern Covenant."

3. Transcript or other evidence of satisfactory completion of all language requirements. This means the completion of Biblical Greek and/or Biblical Hebrew at the Master's level with an average grade of B or above; or the satisfactory completion of a biblical language competency exam. Competency in a second major language must be shown depending upon the field of specialization. This second competency will be determined by the Major Professor.
4. Five references (non-family): 1 pastor; 2 personal character references; 2 academic (at least one from the field of desired specialization).
5. A graded research paper from the M.Div. program; or an equivalent demonstration of research skills and scholarly writing ability.

7. Applicants must complete a Major Request Form in which they designate a possible Major Professor and summarize their interest in the field concentration and their scholarly preparation for their desired specialization. Applicants may be approved only if there is an available Major Professor in the desired discipline of major concentration. It is in the applicant's best interest to discuss these plans in person or at least by phone with the desired Major Professor before completing this form.

The applicant must waive all rights to privileged knowledge of the decision making for toward admission. All references and other evaluative documents will be confidential. The decision of the Admissions Office, acting officially on behalf of the faculty, will be final. However, an applicant who fails to be admitted may reapply with the same application materials for the following year. A third application requires a complete update of all application materials.

Candidates for the Th.M. degree are required to maintain continuous, full-time enrollment until the degree is completed. Fees will be charged each semester including those semesters during which the research and writing of the thesis takes place.

Missionaries under full-time career appointment by the Southern Baptist International Mission Board may receive special consideration regarding the continuous enrollment policy. Students who are appointed by the IMB will need to send an
approved copy of the letter of confirmation from the IMB to the Office of the Senior Associate Dean in order to receive a letter of deferment.

For more information contact the Admissions Office at 919-761-2284 or admissions@sebts.edu.

**Doctorate of Ministry**

Graduates of accredited colleges or universities who have also earned the Master of Divinity degree or its equivalent with distinction and have otherwise demonstrated aptitude for academic work on the doctoral level may apply for admission to the program of studies leading to the Doctor of Ministry degree.

In the judgment of the faculty, the D.Min. program is most effective when the students bring to it a period of experience in ministry that follows the attainment of the first professional degree. Students should have three years of full-time post-M.Div. ministry experience prior to beginning the D.Min. program and must be continuously engaged in some type of Christian ministry during enrollment. The program of study required for the D.Min. degree will be no fewer than three academic years.

Admission to the Doctor of Ministry program is determined by an evaluation of the applicant’s academic ability and potential for excellence in ministry. Decisions on admission to the program are made by the Director and the Committee on Doctor of Ministry Studies.

Academic ability is assessed on the basis of transcripts of all college, seminary, and graduate divinity school work, and on the basis of performance on the Miller Analogies Test and any other tests the Director and the Committee on Doctor of Ministry Studies consider appropriate.

Potential for excellence in ministry is assessed on the basis of a letter of recommendation from the applicant’s church; references from at least five persons acquainted with the applicant’s ministry; and an essay describing one’s Christian experience, calling, ministry service record, and goals in pursuing the Doctor of Ministry degree.

Additional information may be obtained from the Doctor of Ministry Office, Southeastern Baptist Theological Seminary, P.O. Box 1889, Wake Forest, NC 27588-1889. The Doctor of Ministry Office may be reached by phone at: 919-761-2216 or email dmin@sebts.edu.

**Application Deadlines**

Completed applications for undergraduate programs may be considered up to 24 months early but should normally be received in the Admissions Office at least 45 days prior to the beginning of the semester or summer term in which the student expects to enroll. Late applications may require delayed enrollment. Students are not issued an I-20 until their application has been approved.

Applications for the M.A. (Christian Ethics) or the Th.M. with Thesis programs must be submitted at least 90 days prior to matriculation for consideration by the appropriate committee.

Students planning to live in campus housing should note that space is limited, and housing applications are processed by the Housing Office by date of acceptance. Therefore, it is wise to complete the application process as early as possible.

**Admissions Process**

International applications take approximately 45 days to process after all required items are received by the Admissions Office. The admissions procedure for international students requires additional information and processing time due to Seminary policies and the requirements of the U.S. Immigration and Naturalization Service.
The Admissions Committee treats all material confidentially. If approved, the application file will remain valid for purposes of admission for two years from the date of approval. If matriculation is delayed beyond two years or if this application is not approved, a new updated application must be filed in order to reopen the admission process. Please contact the Admissions Office if you have any questions about your application or about the admission process.

In order to qualify for admission to the College, international students are required to provide a minimum score of 550 on the paper-based TOEFL or 79 on the Intranet-based TOEFL. The required score for post-graduate and M.A. (Christian Ethics) students is 600 on the paper-based TOEFL. (The school code for TOEFL is 5620).

International applicants must also complete all the forms and documentation outlined in the International Student Application Packet in order to ensure their financial security while studying at SEBTS. This packet can be found on the Seminary website or is available from the Admissions Office. It must be completed, along with the other application requirements, before an application will be reviewed and before an I-20 will be issued.

**International Student Deposit Requirement**

Southeastern seeks to glorify the Lord Jesus Christ by equipping international students to serve the Church and fulfill the Great Commission in their country of origin. Every Southeastern international student applicant must commit to return to their country of origin as a condition of acceptance and continued enrollment. The Southeastern International Student Deposit is designed to encourage and assist Southeastern international students toward fulfilling their commitment to return to minister in their country of origin. The deposit encourages the applicant to reflect seriously on his/her commitments for acceptance and enrollment at Southeastern and submission to U.S. international student regulations. The deposit also assists the international student to defray some of the initial costs in repatriation. By way of reminder, international students also accept the conditions of their visa to enter the U.S. that they will return to the country of origin upon completion of studies.

Waivers will only be granted through initiation and approval of the Southeastern President or Academic Dean. Waivers are granted only in rare exceptions which do not jeopardize adherence to federal regulations or institutional commitments. Exceptions for returning the deposit when a student is not in compliance with signed commitments and school policies will be few. Deposits, for example, will not be returned in the case of marriage to an American citizen, gaining U.S citizenship, transferring to another school, or the change of immigration status which allows the international student to remain in the U.S. Only extenuating and extreme circumstances will be considered for possible exceptions to agreed upon arrangements, i.e., an international student from Brazil accepts a mission appointment to Spain, or the country of origin prohibits the return of the Christian student. Each case will be investigated and adjudicated by the Director of International Students and/or the Dean of Students.

**World Education Services Evaluation Requirements**

To ensure accurate assessment of international transcripts, a World Education Services (WES) evaluation is required of all students who have studied outside of the United States. All official transcripts from non-US post-secondary educational institutions must be translated (as applicable) and sent directly to WES by the issuing institution. This is a requirement before your admissions file will be considered complete. You will find all the information you need at www.wes.org.

Students can apply for an evaluation on the WES website, and should apply for the Course-by-Course evaluation if they have completed any university-level coursework.

If transcripts and diplomas are in languages other than English, students must provide a translation. On the WES form, the student must request a copy of the report to be sent to “a third party” and indicate the following:

Office of Admissions  
Southeastern Baptist Theological Seminary  
PO Box 1889  
Wake Forest, NC 27587-1889  
Please allow 4-6 weeks for WES evaluations to be completed.

**New International Student Orientation**

All international students attending the main campus or students who are entering under a new application are required to attend New International Student Orientation at the beginning of their first semester. Orientation information is delivered to accepted students one month prior to the beginning of the semester.
During orientation students will take care of class registration, parking decals, student identification cards, as well as having a photograph taken and remitting payment for tuition and fees. Under no circumstances are students allowed to register for courses prior to this assigned time.

**Math and English Placement**

Math and English placement exams are required for all international undergraduate students. These exams are given the first day of New Student Orientation.

**Visiting Campus**

Wake Forest, NC, is home to the approximately 300-acre campus of Southeastern. The school is located 10 miles north of Raleigh and 25 miles east of Durham. Coupled with Chapel Hill, the three cities comprise an area known as the Research Triangle. The vibrant Triangle area is home to three of the nation’s major universities: Duke University, The University of North Carolina at Chapel Hill, and North Carolina State University. The town of Wake Forest is at the intersection of US 1 at NC 98. It is serviced by the Raleigh-Durham International Airport (RDU) and is easily reached from Interstates 95, 85, 40, and 540.

Arrangements can be made for prospective students to tour the campus, see housing, visit classes, and meet other students, professors, and administrators. Accommodations and meals will be made available to prospective students for up to two days without charge. To make reservations for a visit, call 1-800-2 TIM 3 17 (284-6317).

**Preview Days**

Preview Days at Southeastern provide opportunities for prospective students to see firsthand what God is doing at Southeastern, to hear from our faculty and students, and to fellowship with others who are discerning a call to ministry. During the scheduled Preview Days, prospective students attend classes, tour the campus, have dinner with some of Southeastern’s faculty, and meet with President Akin and his wife during a reception at their home. An informal information panel led by a handful of professors gives prospective students a forum for questions and answers.

Southeastern’s Fall 2008 Preview Days are October 2 and November 13. The Spring 2009 Preview Days are February 5 and April 16. There is no cost for Preview Days. For more information, call 1-800-2 TIM 3 17 (284-6317).

**Campus Housing**

The Housing Office seeks to provide adequate, affordable, safe, and comfortable housing for all men and women who come to Southeastern to prepare for Christian ministries throughout the world. Campus housing is available to students enrolled for a minimum of six term hours per semester in the college or the seminary, but priority will be given to full-time, degree-seeking students.

All housing areas are regulated by the housing office so students feel safe and at home. Housing policies and regulations are consistent with Southeastern’s commitment not only to its students but also to the Southern Baptist Convention. We strive to maintain a comfortable setting conducive to learning while providing as much privacy as possible in a shared environment.

Campus housing may be available for students who do not meet the above criteria upon approval by the Director of Housing. Southeastern has accommodations for:

- Student Families: Apartments
- Single Students: Dorms, dorm-style apartments, and apartments
- Commuters: Facilities are available for student families and single students who need housing accommodations for a few nights a week.

**What You Should Know Before Applying For Housing**

Complete housing information can be found at our website: www.sebts.edu/housing. This website provides descriptions of facilities, rent options, pictures and floor plans, housing rules and regulations and maps of housing areas. You can also apply for housing at the website.
If you have a question about housing, please send an e-mail to housing@sebts.edu or call (919) 761-2400.

An Occupant Fee of $200 for singles and $300 for families is required at the time of check in. Checks should be made payable to Southeastern Seminary.

Rent is due on the first day of each month and is considered late if not paid by the 10th of the month in advance, without demand or notice, at Accounting Services in Stealey Hall.

All students who desire to live in campus housing must sign a housing agreement and a statement agreeing to abide by the housing rules and regulations before moving into housing. For each calendar year there are two termination dates for the housing agreements, May 31st or December 31st. Month-to-month housing agreements are available at a higher rent rate.

Please note that no pets are permitted in housing except in our West Oak apartment complex. Please inquire about our pet policies at West Oak.

### Housing Assignments

Housing assignments are made approximately four to six weeks before the move-in date indicated on the housing application. The housing office will contact you to discuss housing options available to you at that time. When the assignment is made, you will be given your new address.

Tuition, Fees & Financial Aid

Listed below are 2008-2009 fees applicable to students attending Southeastern. Expenses for food, insurance, travel and personal needs are not included. Privileges for the use of the library, Ledford Center and recreation facilities, with the exception of the golf course, are included in the student service fee. It is estimated that textbooks will cost approximately $100 per class.

Because the Southern Baptist Convention strongly supports theological education, gifts from churches through the Convention’s Cooperative Program provide the financial foundation for our students. In 2007, the Cooperative Program provided approximately $4,000 per student. As a result, matriculation fees are significantly subsidized. For more information concerning scholarships and financial aid, click here.

All student accounts, including the fees listed below, must be paid in full or enrolled in a payment plan prior to the payment deadline for each semester.

Monthly Payment Plan
A monthly payment plan (ACH) is available for Fall, Spring, and Summer sessions. ACH payments are those payments which students authorize FACTS Tuition Management Company to process directly with their financial institution. It is simply a bank-to-bank transfer of funds that students pre-approve for their expenses at Southeastern Seminary. Students wishing to enroll in a monthly payment plan must complete the online application, may be required to make a minimum down payment of up to 30 percent, and will be charged a FACTS enrollment fee.

Full Time Status
A graduate student must take at least 9 hours to be considered a full-time student. An undergraduate student must take at least 12 hours to be considered a full-time student.

Textbooks
Textbooks are available for purchase from the LifeWay Campus Book Store directly. The cost of textbooks cannot be charged to student accounts at the Seminary.

Spouse/Dependent Tuition Refund
The spouse or dependent of a full-time student is eligible to receive a 50% refund in matriculation fees following the semester deadline to drop classes. Applications for a Spouse/Dependent Tuition Refund received after the published deadline will not receive a refund. Only one spouse or dependent refund is given per each full paying student each semester. The refund is applied to the spouse or dependent who has the lowest amount of matriculation fees. Spouse and dependents are defined by the standards used for federal tax purposes. The following criteria must be met for a spouse or dependent to receive the refund:

- At least one member of the family must be enrolled as a full-time student.
- All fees for both parties must be paid in full by the tuition deadline.
- Neither the student nor spouse or dependent is receiving the President’s Scholars Award, Returning Journeyman/ISC Scholarship, MK Scholarship, an employee waiver, or any other full institutional tuition waiver.

If you and your spouse or dependent believe you qualify for this refund, please fill out the appropriate form at www.sebts.edu under the Accounting Services page. This form must be submitted each term by the appropriate deadlines. Refunds will be posted to the dependent’s student account approximately two weeks after the application deadline.
Graduation Application & Academic Apparel
Applications for graduation must be submitted to the Registrar’s Office before the last day of the add period in the semester in which the student plans to graduate. Student accounts must be paid in full prior to graduation. Orders for academic regalia (robes, caps and hoods) may be made at the LifeWay Campus Book Store during the semester in which the student graduates.

Refunds
A student who withdraws from the Seminary or drops a class before the last day of the drop period may be refunded his/her total matriculation. Requests to drop classes and requests for withdrawal are made to the Office of the Registrar. Written appeals must be submitted to the Accounting Services Office for approval of refunds after the drop date and prior to the semester/term midpoint.

Financial Aid
Student aid at Southeastern begins with the commitment of the Southern Baptist Convention to theological education. This commitment is most evident in the generous funding of Southeastern’s entire operation. Gifts from churches and individuals given directly to Southeastern and through the Cooperative Program amount to a substantial annual subsidy for each student. The result is that basic fees are kept at a minimum.

Other types of aid are made possible through gifts and funds established by individual and corporate donors. These make it possible to provide work grants, loans, emergency grants, and scholarships to qualified students.

Grants and loans are available in small sums to meet urgent or emergency needs of students. Scholarships are awarded from available funds each semester after the last day to drop a class without academic penalty. Applications for grants, loans, and scholarships are reviewed and awarded by decision of the Loan and Aid Committee. Information and applications may be obtained from the Financial Aid Office or from the Student Life Web site at www.sebts.edu.

Neither Southeastern Baptist Theological Seminary nor the College at Southeastern participate in any federally funded student aid programs involving loans or grants. Prospective students should not anticipate such aid being available while enrolled at the Seminary or College (Federal aid includes Pell grants and Stafford & Perkins loans). However, Southeastern Seminary is approved to certify enrollment eligibility for repayment deferments for most federal or state education loans received in college. Students should contact their lending institutions for advice and information. Such deferments should be referred to the Registrar’s Office.

A grant established by the State Legislature in North Carolina General Statute 116-43.5 provides an annual grant in July of each year of tuition reimbursement to North Carolina residents attending eligible private colleges on a full-time basis. The grant is limited to students who do not already hold a bachelor’s degree. The amount of the grant is determined by the legislature appropriation every year, and is currently $1,950 for full-time college students taking at least 12 hours and $1,463 for ¾ time college students taking 9 to 11 hours. All College students are eligible, without regard to need, if they: (1) have been North Carolina residents for at least one year by May 21, 2008, (2) were enrolled in the college for Fall 2007 and Spring 2008 semesters, and (3) do not already hold a bachelor’s degree. The grant is paid directly to the student in July as reimbursement for the previous year’s tuition expenses.
Academic Policies
Undergraduate Academic Policies
The College at Southeastern is a school of Southeastern Baptist Theological Seminary. The College offers undergraduate baccalaureate and associate degree programs as well as a Master of Arts in Intercultural Studies.

Undergraduate Doctrinal Guidelines
Since Southeastern’s founding in 1950, each elected member of the faculty has publicly signed the Abstract of Principles at the beginning of his or her teaching career at the Seminary. Southeastern’s faculty members also publicly sign and affirm the Baptist Faith and Message statement as adopted by the Southern Baptist Convention in 2000. Trustees have also approved the Chicago Statements on Biblical Inerrancy and Hermeneutics and the Danvers Statement as doctrinal guidelines for the school.

Undergraduate Academic Regulations
The Dean of the College, in consultation with the Senior Vice President for Academic Administration, administers the academic policies and procedures of the College. These academic regulations are established by the Faculty under the authority of the Board of Trustees. The College at Southeastern reserves the right to change academic policies and requirements as needed. Questions concerning the current status of all academic matters should be addressed to the Registrar.

The information in this catalog applies to the academic year 2008–2009 only. The College at Southeastern reserves the right, in its sole discretion, to review, modify, amend, alter, rescind, abolish, or delete any provision of this catalog or of any other catalogs, policies, publications, or statements of the seminary. This right includes, without limitation, admission or graduation standards, degree requirements, and accreditation of academic programs. This catalog is not a contract, real or implied; it is for informational purposes only. The most current version online is always operative.

Students may take advantage of any improvements that appear in later catalogs while they are enrolled. A student who withdraws from enrollment for two regular semesters or more will be required to re-enter under the catalog current at the time of readmission.

Student Records
Southeastern has established and is committed to certain guidelines for maintaining the confidentiality of student educational records in keeping with the Family Educational Rights and Privacy Act of 1974 (FERPA generally bars colleges from releasing any educational records that include “personally identifiable information” without the student’s consent). Current personal educational records, including transcripts, enrollment records, and academic plans, are not released or shown to anyone other than Southeastern personnel except in accordance with the written consent of the student.

Access to these files by Southeastern personnel is allowed under the authority of the Senior Vice President for Academic Administration on a need-to-know basis for honors evaluation, routine processing, academic concerns, and to fulfill necessary administrative tasks. Student records are otherwise held in confidence.

A student’s permanent academic record consists of the following:
- Completed application for admission
- Transcripts from all institutions attended
- Final Southeastern transcript (showing degree received and the date awarded)
- Graduation application with the final degree check
- Original church recommendation for admission
- Annual Church Membership verification forms
- Copies of any correspondence regarding disciplinary issues and the student’s written response(s), if any. U.S. Courts have ruled that disciplinary files qualify as “educational records” under FERPA.
- Any other information deemed pertinent to a student’s academic history

A student has the right, with the Registrar present, to view his or her permanent file but is not allowed to alter the content in any way except by the addition of written and signed correctives. Failure to provide truthful and/or accurate information on applications, church certifications, or on other permanent records provided by the student may be grounds for dismissal.

Directory information published by the Seminary is in the public domain. Students may request that the school not disclose directory information about them. This may be done by completing a General Request Form available from the Registrar, or by...
completing the Address Update Form sent to students each semester. Questions regarding directory information and/or permanent student records should be directed to the Registrar.

**Annual Certification of Church Membership**

The College at Southeastern seeks to glorify the Lord Jesus Christ by equipping students to serve the church and fulfill the Great Commission. Therefore, to promote accountability in students’ participation in a local church, each student is required to furnish an annual certification form from the church in which he or she is a member.

Annual verification of church membership must be provided every fall semester no later than December 1. Without this verification, a student will be unable to register for the spring semester. Due to the matriculation subsidy from the Southern Baptist Cooperative Program, the forms must indicate membership in good standing in a Southern Baptist church in order for the student to be eligible for the discounted Southern Baptist matriculation fees. Special instructions regarding the forms and church membership are listed below. If you are a:

- Church Member or Church Staff— the form should be completed by the pastor after congregational action as certified by the church clerk.
- Southern Baptist Pastor— the form should be completed by the deacon chairman after congregational action as certified by the church clerk.
- Non-Southern Baptist Student—this form should be completed by appropriate church officials at the church where membership and attendance is recognized. These students must pay non-Southern Baptist fees.

**Math and English Placement**

Those who score below 450 on the SAT Math section or below 17 on the ACT Math section must complete MAT 0010 Math Foundations. This non-credit course must be completed during the first year of study. Upon satisfactory completion of MAT 0010, students may enter MAT 1600. Students who transfer college Math are exempt from placement exams and pre-college courses.

Those who score below 450 on the SAT Critical Reading section or below 17 on the ACT English section must take ENG 0010 Fundamentals of Composition. This non-credit course must be completed during the first year of study. Upon satisfactory completion of ENG 0010, students may enter ENG 1110. Students who transfer college English composition are exempt from placement exams and pre-college courses.

Students whose SAT or ACT scores require taking MAT 0010 and/or ENG 0010 have the option of sitting for placement exams in Math and/or English during New Student Orientation prior to their first semester at Southeastern. A passing score on the placement exam permits bypassing MAT 0010 and/or ENG 0010.

**Math and English Advanced Standing**

An applicant’s qualifying scores on the SAT or ACT will govern Math and English placement. Students who score 700 or above on the SAT Math section, or 30 or above on the ACT Math section will receive “Advanced Standing” and three credit hours for MAT 1600 College Algebra. Students who score 700 or above on the SAT Critical Reading section, or 30 or above on the ACT English section are allowed to bypass ENG 1110 English Composition I. These students receive “Advanced Standing” and three credit hours for ENG 1110. They are required to complete ENG 1120 English Composition II for three credit hours.

In some cases, students who score 700 or above on the SAT Critical Reading section or 30 or above on the ACT English section may test out of ENG 1120 by providing evidence of an acceptable graded research paper from an English class. A College English professor will assess the research paper and determine whether or not the student may be exempt from ENG 1120. Qualified students should contact the Dean of the College office for information.

**Computer Advanced Standing**

During New Student Orientation students may take the computer proficiency exam. If a student scores an A on the exam, he will receive credit for CIS 1100 Intro to Computers. If a student scores a B on the exam, he will bypass CIS1100 Intro to Computers and have 3 hours of free elective in its place. If a student scores below a B on the exam, the student must complete the CIS 1100 Intro to Computers requirement.
Undergraduate Transfer of Credits

Standard Policies: Course work completed at other institutions and applied toward any program at Southeastern is subject to certain conditions. For additional information about other institutions and the college’s interaction with these institutions, please inquire at the Registrar.

1. Course work must be complementary to the course requirements and overall purposes of Southeastern’s degree program as determined by the Registrar. In general, course descriptions, material covered, and assignments given must reasonably correspond to the complementary course at Southeastern for credit to be transferred.

2. Course work must be from a school whose accreditation is commonly recognized by similar institutions in this region. The College at Southeastern is accredited by SACS. Other accrediting agencies are reviewed on a case-by-case basis. To verify accreditation of an institution, contact the Registrar. The student may be asked to provide a copy of the transfer institution’s academic catalog.

3. Only college-level courses that appear on a student’s official transcript with a grade of C or better will be transferred.

4. If the cumulative grade point average of an applicant is lower than a C, then the student may be admitted under conditional or restricted status.

5. Course work taken at non-accredited institutions cannot be transferred to the College.

Concurrent Enrollment

Once a student has enrolled as a student at Southeastern, the student should not enroll at another academic institution without permission from the College. A student who desires to take classes from another regionally accredited institution while concurrently enrolled at Southeastern must have prior approval of the student’s faculty adviser, the Dean of the College, and the Registrar. To initiate the approval process, the student should complete a Transfer Request Form available from the Registrar. The student should be prepared to provide all pertinent information regarding the transfer course in question. Except in rare circumstances, students will not be permitted to enroll in transfer courses if the course in question is offered in the same term by The College at Southeastern. Consult the section on “Undergraduate Academic Load” and “Undergraduate Transfer of Credits” for additional information.

A.Div. Program Transfer Policies

Up to 15 hours of general education courses may be taken at other accredited colleges and applied to the A.Div. program. However, since the A.Div. is a specialized professional degree, no more than 6 hours of the foundational or vocational electives may be transferred from comparable work at another accredited institution. No hours will be transferred from unaccredited institutions.

B.A. Program Transfer Policies

Transfer students in the B.A. program must take a minimum of 32 hours at Southeastern in order to graduate from the College and at least 26 hours must be taken on the main campus in Wake Forest. Not more than 12 may be taken in practica, individualized studies, and similar special courses.

Correspondence and External Degree Programs

A maximum of 12 hours of regionally accredited correspondence, online, and external degree program course work may be credited toward graduation requirements. Only six hours may be completed and transferred once the student has matriculated at Southeastern. Of the 12 hours, only 6 may transfer into Biblical Studies major courses. Before registering at another accredited institution for correspondence or online course work to be transferred to the college, current students must have written permission from the Dean of the College. Transfer Request Forms are available in the Registrar.

Military Experience

Military credit is reviewed on a case-by-case basis and may only apply as electives. Applicants must provide all necessary military transcripts.

Graduate Courses for Undergraduate Credit

On occasion, undergraduate students may be permitted to take a graduate course for undergraduate credit. To do so, the undergraduate student must initiate a request with the Dean of the College by submitting in writing a detailed explanation of the reasons for requesting to take the graduate course, together with a Request to Transfer Credit Form available from the Registrar. Permission to take the course is at the discretion of the Dean of the College and is subject to the following minimum conditions:

1. The student must have completed a minimum of 63 undergraduate hours.
2. The student must have a minimum cumulative GPA of 3.0.
3. The course either has no undergraduate parallel and is being taken as an elective, or has an undergraduate parallel but reasonable conflicts prevent the student from taking the undergraduate course within the timeframe of expected graduation. (Work, ministry, and travel schedules are not considered reasonable conflicts.)
Credit By Examination

The College at Southeastern accepts nationally recognized Credit by Examination programs including the Advanced Placement Program of the College Board (AP), the College Level Examination Program (CLEP), and the International Baccalaureate (IB). Credit awarded for successful completion in AP, CLEP, and IB programs is assigned semester hours without quality points. Successful completion in these programs is determined according to the following guidelines. Students may be awarded a maximum of 30 hours of Credit By Examination.

Advanced Placement Program

The College at Southeastern will award credit with grades of 3 or above for the following courses. Scores of 4 or 5 on selected AP examinations will award 6 hours of credit, with the second course identified by an asterisk (*).

Master's Program Interaction
College students who have completed 114 hours or more toward the B.A. graduation requirements can be considered for conditional admission into one of the master’s programs in the Seminary. This allows students to begin some Seminary work toward master's graduation requirements, as they concurrently complete their remaining B.A. requirements. Master’s courses generally are not transferable into the degree requirements of the College programs.

Information on the Southeastern Collegiate Partnership and undergraduate preparation for the M.Div. with Advanced Standing are included below in the Academic Policies and Degree Programs sections.

Undergraduate Academic Load
Full-time undergraduate academic course load is 12–16 hours per semester. A student must receive prior approval from his/her academic adviser, the Registrar, and the Dean of the College in order to take more than 16 hours per semester, including hours taken concurrently at another institution (please see the concurrent enrollment section below). A student may not take more than 21 hours per semester. Students are expected to give priority to the program of study in which they have enrolled. Extracurricular responsibilities require a corresponding reduction in the student’s academic load. The faculty recommends that a student employed in church work for as many as two weekends per month on a regular basis, or who works for as many as 20 hours per week, should not register for more than 12 credit hours per semester.

Campus housing is available to students who are enrolled in a minimum of six hours of classes in the college or the seminary, but priority will be given to full-time, degree seeking students.

Undergraduate Academic Advisement
Each College student is assigned an adviser to help with course scheduling, career planning, and personal concerns. College faculty members are assigned as academic advisers by the Registrar and cannot be changed except in rare circumstances and when approved by the Dean of the College. Freshman and Sophomore students are required to meet with their academic advisor each semester and must obtain approval from their advisor on all items submitted to the Registrar (including semester registration, add/drop requests, degree change requests, etc.). Junior and Senior students are encouraged to meet with their advisers when making academic decisions but are not required to do so. While academic advisors provide guidance and should be aware of all current academic policies, each student is responsible to be aware of and abide by current policies, procedures, and deadlines, and is responsible for his/her academic decisions.

Evaluation and Grading

The following table presents the meaning of grading symbols as they are employed at The College at Southeastern:

- **A** The A grade recognizes a student’s exceptional ability and outstanding performance in the class.

- **B** The B grade signifies that the student has demonstrated a better and more effective command of the material than is generally required to pass the course.

- **C** The C grade is the certification that the student has demonstrated an acceptable level of competency in the course of study. A student must achieve a cumulative average grade of C in order to graduate.

- **D** The D grade signifies that the student’s grasp of the academic components of the course was minimal or deficient, but the instructor believes that the student would not significantly profit by repeating the course.

- **E** Conditioned. The professor may choose to give this grade in continuing courses to a student who has not met the minimum requirements but shows promise of sufficient improvement in the second semester to be given a permanent grade of D. A grade not less than C must be earned in the continued course the following semester, otherwise, the grade of E becomes F.

- **F** The F grade indicates a student’s failure to master the essentials of the course. A student must repeat the course before credit may be allowed. Grades received when the failed course is repeated will be used to calculate final GPA. Students must achieve an overall average of C in order to receive their degree.

- **I** Incomplete. If circumstances prevent an otherwise competent student from completing the requirements of a course by the end of the class schedule, the instructor may assign the letter I. The student must complete the work of that course as quickly as possible and must do so by the end of the fourth week following the end of the course. If the grades on incomplete work have not been submitted to the Registrar by six weeks after the end of the course, the Registrar is instructed by the Faculty to record the grade of F.

- **W** In cases of authorized withdrawal after the drop deadline, if the instructor has no data for evaluation, the grade of W will be submitted. Otherwise, the faculty member will be requested to submit a grade of WP (withdrew passing) or WF (withdrew failing) depending on the student’s status at the time of withdrawal. (See Adding, Dropping, and Withdrawing from Courses.)

- **P** Certain specified courses are taught on a pass/fail basis and are graded P or F. College students may take a maximum of 3 hours Pass/Fail and only for those elective courses designated Pass/Fail in the catalog course description. International semester practicum courses for Missions majors are not included in the 3 hour maximum. GPA is calculated on the basis of graded classes only. The grade P does not affect GPA; however, the grade F does affect the GPA as it would in a graded class.

- **CR** Transfer credit accepted. Transfer credit does not affect a student’s GPA.

- **NG** No grade given.

**Undergraduate Grade Points**

Grade points are awarded on the following basis: One point is awarded for each semester hour earned with the grade D. Two points are awarded with a C; three points with a B; and four points with an A. No points are given for the grade F. Students must complete their work with an overall average of 2.0 in order to receive their degree.

**Undergraduate Progress Reports**

Records of academic progress toward the completion of a degree are maintained on all students. Semester grades, Academic Plans, and unofficial transcripts can be obtained through CampusNet.
Class Attendance

Regular class attendance is expected and students are responsible for completing all assignments. The individual instructor is responsible for his/her attendance policy. Instructors are at liberty to assign a failing grade to any student who is absent from 15% or more of the scheduled class meetings regardless of assignment and/or examination grades.

Academic Integrity

Students often have class assignments that involve academic research. In preparing their papers and other assignments, students must not copy the work of others. Any direct quotations must be documented. Summaries and paraphrased materials must also be noted with reference in the text or notes to the original sources. Students should document their sources and maintain the highest standards of academic integrity in all of their work. Plagiarism, cheating on tests, and other forms of academic fraud will not be tolerated. Students who engage such activity will receive a failing grade on any fraudulent work and may receive a failing grade for the course. All instances of such behavior will be recorded on an offending student’s record in the Senior Vice President for Academic Administration’s office and will be available to the Registrar, Dean of the College, and the Dean of Students offices. In addition, the Dean of Students reserves the right to take disciplinary action against those guilty of such behavior.

Southeastern Policy on Plagiarism

Students in attendance at Southeastern are expected to maintain high standards of academic integrity appropriate to a Christian lifestyle. Plagiarism and cheating in any form will not be tolerated.

Integrity requires that the Christian student conduct him or herself according to the highest academic standards. Plagiarism is a very serious offense because it is stealing. Not only does plagiarism steal from the original author, it also takes away from the student the opportunity to learn and grow in the way the assignment was intended to provide.

What is plagiarism?

Craig Price defines plagiarism as “a failure to distinguish between the work of the student and the work of others, either intentionally or unintentionally.” Plagiarism can be committed in a number of ways, four of which are highlighted here:

1. Quoting one or more sentences verbatim without proper citation. This is the most obvious form of plagiarism. In addition, using unattributed direct quotations is a violation of US copyright law. Electronically cutting and pasting is easy to do, so it presents a definite temptation—especially if a deadline for an assignment is looming.
2. Presenting the thoughts or ideas of another without proper attribution. Many students fail to realize that this practice is also plagiarism even if a student writes the summary himself. If one paraphrases the work of another, then he must give a proper citation.
3. Borrowing without proper citation such things as an outline, an idea, or an approach in dealing with a problem that is unique to an author. This type of plagiarism often results from poor note taking on the part of the student.
4. Using improper methods of citation. The student is responsible for learning the appropriate rules for citing sources and for following those rules throughout the paper. Ignorance of the rules of citation is not an excuse.

For other definitions of plagiarism and ways to avoid it see Robert A. Harris, The Plagiarism Handbook: Strategies for Preventing, Detecting, and Dealing with Plagiarism (Los Angeles, CA: Pyrczak Publishing, 2001.) A good rule of thumb to follow is that if you wonder if a citation should be inserted, then probably you should do so. Very few papers are penalized for over-citing!

What is the penalty for plagiarism?

The penalty for plagiarism in a particular course is determined by the professor and generally will range from a failing grade for the assignment to a failing grade for the class. However, all instances of plagiarism are reported to the Dean of Students, along with a copy of the documents in question. The Dean of Students will take disciplinary action on behalf of the school, and the minimal action taken will be disciplinary probation. Disciplinary probation is defined in the Student Handbook as “notice to the violating student that if the inappropriate behavior is repeated, suspension or expulsion is likely.” The infraction will also be recorded in the student’s permanent file. A copy of the disciplinary letter will be sent to the student, the professor, the Registrar, either the Dean of the College or the Dean of Graduate Studies (depending on whether the student is an undergraduate or graduate student), and the Senior Vice President of Academic Affairs/Dean of the Faculty.

The disciplinary letter will clearly state that in the event of a second offense the Dean of Students will report the matter directly to the Dean of the Faculty and the result can be expulsion from school.
Academic Warning, Probation, and Suspension

1. Academic Warning: Any student who does not achieve a semester GPA of 2.0 for a given semester will receive an Academic Warning.

2. Academic Probation: Any student whose cumulative GPA falls below a 2.0 will be placed on Academic Probation. The student will not be permitted to take more than 12 hours in subsequent semesters until his cumulative GPA rises to or above 2.0. The student must complete an Academic Probation Student Agreement form (available from the Registrar) that acknowledges his need for improvement and describes the actions he intends to take to improve. The student will meet with his advisor to discuss the form and his advisor should sign it. The student will then submit the completed form to the Dean of the College, at which point it becomes part of the student’s academic record. The student will not be permitted to register for courses for the following semester until the Academic Probation Student Agreement form has been received by the Dean of the College. Academic Probation will be noted on the student’s transcript for each applicable semester.

3. Academic Suspension: Any student who earns a semester GPA below 2.0 for two successive semesters after being placed on Academic Probation will be placed on Academic Suspension. The student must withdraw from enrollment for one semester. After the semester of suspension the student must appeal to the Dean of the College to reenroll, which includes the completion of an Academic Probation Student Agreement that describes the actions he intends to take to improve his academic performance. Upon reenrollment, the student enters on Academic Probation status. Academic Suspension will be noted on the student’s transcript for each applicable semester. Please also see Undergraduate Graduation below.

Changes in Registration
After registration, any changes in a student’s enrollment must be arranged through the Registrar. No changes are permitted in enrollment or academic status after stated deadlines except by permission of the instructor, approval of the student’s academic adviser, and approval of the Dean of the College.

Undergraduate Adding, Dropping, and Withdrawing from Courses
To add or drop a course prior to the Add/Drop deadlines a student must formally submit an Add/Drop request to the Registrar. Freshman and Sophomore college students must obtain their adviser’s signature of approval for all Add/Drop requests. Courses may be dropped and fees refunded before the Add/Drop deadline without transcript notation. A fee is charged for each course dropped or added. See Fees and Expenses for fee amounts and the Academic Calendar for the Add/Drop deadlines for each term.

Students may withdraw from courses between the Drop deadline and prior to the Withdrawal deadline with the approval of the student’s adviser. During this period the withdrawal will be noted on the student’s transcript as WP or WF but will not affect the student’s grade point average. During this time, fees will not be refunded for withdrawals. Students may not withdraw from courses after the Withdrawal deadline. See the Academic Calendar for the Withdrawal deadline for each term.

After the deadline, drops are not allowed unless circumstances occur that were not present prior to the drop deadline, are beyond the control of the student, and prevent class attendance and/or completion of class assignments. Heavy work loads, church responsibilities, or other personal and/or family difficulties normally are not sufficient reasons for withdrawal from a class after the calendar deadline. If a student wants to drop a class after the drop deadline, appeal must be made to the Dean of the College and will be approved only in rare circumstances.

Entering a Closed Class
Certain classes are most effective when the number of students that may be enrolled in a given section is restricted to a predetermined maximum. When enrollment in these classes reaches that maximum, the class section is closed. There are rare occasions in which the Dean of the College may permit a student to enroll in a closed section. To request entrance to a closed section, a student must obtain and complete a Request to Enter a Closed Class form from the Registrar that is then turned in to the Dean of the College office. Request approvals are at the discretion of the Dean of the College.

Undergraduate Withdrawal from Enrollment
In order to withdraw from enrollment, a student must consult the Registrar, confer with the Dean of the College, obtain certain required signatures, surrender identification cards, return all materials on loan to the Library, and clear their accounts with the Accounting Services office. A Withdrawal Procedure Form is available from the Registrar. Students whose withdrawals are completed before the final drop date will receive a refund of fees.

Students who have not completed requirements for a degree and who do not plan to enroll for the following term are required to withdraw from enrollment through the withdrawal procedure initiated in the Registrar. Students who follow the approved procedure for withdrawal will have their admission status maintained for two regular semesters and may register for classes
during any regular registration period during that year. A student who withdrew but returns within a two-year period must submit a Readmission Form to the Registrar prior to registration. After two years from the date of withdrawal, students are required to reapply through the Admissions Office. Students who have been out of school for more than a year may be required to re-enter under the catalog in effect at the time of re-entry.

**Undergraduate Summer School**

Certain classes are offered between the spring and fall semesters on various schedules. Such classes help students to maximize their study opportunities. Students planning to enter The College at Southeastern for the first time in the summer should submit their completed applications no later than 30 days prior to the beginning of the term in which they desire to enter. They are required to attend the New Student Orientation for the following fall semester. For more information, contact the Admissions Office, The College at Southeastern, Box 1889, Wake Forest, N.C. 27588-1889.

**Short-Term Courses**

Courses may be offered in short-term sessions during January, May, or during summer months. Students may enroll in only one course during each short-term.

**Undergraduate Graduation**

Students must achieve a minimum cumulative grade point average of C (2.0) in order to graduate. It is the responsibility of the student to check his or her record in the Registrar to determine if qualifications for graduation have been accomplished or can be scheduled. This graduation check and degree audit should be made no later than the preregistration period for the semester prior to the semester in which graduation is planned. This will allow the student two full semesters to complete courses required for graduation in a specific degree program.

Students who qualify to graduate should submit a graduation application to the Registrar no later than October 1 for December graduation and no later than March 1 for May graduation. Students submitting graduation applications after these dates will be required to pay a late fee (see Fees and Expenses). No graduation applications will be accepted after November 1 for December graduation and after April 1 for May graduation. Any transcript corrections (including grades, transfer credits, advanced standing credits, etc.) must have been made by this time in order to complete the graduation check. Students must have their accounts paid in full in order to graduate.

Academic regalia must be ordered from the LifeWay Campus Store within the first three weeks of the semester in which the student wishes to graduate. The prescribed regalia list is available from the Registrar.

Students are required to be present at graduation exercises in order to receive their diplomas. They are excused from attendance only by written permission of the Dean of the College. Written requests specifying the unusual circumstances leading to such a request to graduate *in absentia* must be submitted by the student to the Dean of the College Office no later than three weeks prior to the date on which they are scheduled to graduate.

**Chapel Attendance Requirement**

Chapel is at the heart of campus life at Southeastern. The Southeastern community – faculty, staff, and students – gathers twice each week (Tuesday and Thursday at 10:00 am) to worship by singing, praying, and hearing the exposition of Scripture. Corporate worship is vital to the formation of a Christian way of life, and it is our goal to foster a learning environment at Southeastern that is rooted in love of God and love for one another. Chapel is one of the ways we pursue spiritual formation and encourage students as they pursue God’s calling on their lives.

Undergraduate students are required to either attend twenty (20) chapel services or listen to twenty five (25) online services during each of their first six (6) semesters.

**Email and Computer Use for Assignments and in Classrooms**

All students are issued a Southeastern email address which will be the exclusive address through which the College communicates. Email sent to this address can be automatically forwarded to another email address, if desired.

All students have access to the campus computer labs when classes are not being conducted in the labs. Nevertheless, students are strongly encouraged to purchase and learn to use computers with word processing and Internet capabilities.
Each professor may allow or disallow the use of portable computers in his/her classroom. Check with each professor about the rules for computer usage for that class. If portable computers are permitted, students should arrive early so that all set-up procedures are complete prior to the beginning of class. Turn off all computer sounds, and sit so that other students will not be distracted by your computer images. Computers are to be used for class-related purposes only. If a professor thinks a student is being distracted from lectures or is using a computer for non-class purposes, the professor may revoke a student’s privilege as he/she deems appropriate.

Style Requirements for Writing Assignments

Inclement Weather

As a general rule, classes will always meet. If extreme weather conditions affect campus operations, an announcement will be made on the website www.sebts.edu and on the following television stations: WRAL (5), WTVD (11), and WNCN (17). The switchboard will also be open during regular hours and will have the latest information at 919-761-2000. On days when Wake County Schools publicly announce that they are closed, delayed, or released early due to inclement weather or similar circumstances, students who live away from the main campus will not be penalized for failure to attend class during the time period specified. No one is expected to subject his or her life to any unusual danger in order to travel on days when severe weather is a problem, nor should preschool or school-age children be left unattended during such times. Nevertheless, classes, if at all possible, will meet at all scheduled times.

Graduate Academic Policies

Southeastern Baptist Theological Seminary offers the Master of Divinity degree, with several concentrations, as a first professional degree for Christian ministers. The Seminary also offers several Master of Arts programs, the Masters of Church Music, a Master of Theological Studies program, and several certificates and diplomas. Advanced graduate-level work includes the Master of Theology, two professional doctorates (Doctor of Ministry and Doctor of Education), and an advanced research doctorate (Doctor of Philosophy).

Graduate Doctrinal Guidelines

Since Southeastern’s founding in 1950, each elected member of the faculty has publicly signed the Abstract of Principles at the beginning of his or her teaching career at the Seminary. Southeastern’s faculty members also publicly sign and affirm the Baptist Faith and Message statement as adopted by the Southern Baptist Convention in 2000. Trustees have also approved the Chicago Statements on Biblical Inerrancy and Hermeneutics and the Danvers Statement as doctrinal guidelines for the school.
Graduate Academic Regulations

The Senior Vice President for Academic Administration/Dean of the Faculty administers the academic policies and procedures of the Seminary. These academic regulations are established by the Faculty under the authority of the Board of Trustees. Southeastern reserves the right to change academic policies and requirements as needed. Questions concerning the current status of all academic matters should be addressed to the Registrar, who serves as the Assistant to the Dean.

The information in this catalog applies to the academic year 2008-2009 only. Southeastern Seminary reserves the right, in its sole discretion, to review, modify, amend, alter, rescind, abolish, or delete any provision of this catalog or of any other catalogs, policies, publications, or statements of the seminary. This right includes, without limitation, admission or graduation standards, degree requirements, and accreditation of academic programs. This catalog is not a contract, real or implied; it is for informational purposes only. The most current version online is always operative.

Students may take advantage of any improvements that appear in later catalogs while they are enrolled. A student who withdraws from enrollment for more than one academic year may be required to re-enter under the catalog that is current at the time of re-entry.

Student Records

Southeastern has established and is committed to certain guidelines for maintaining the confidentiality of student educational records in keeping with the Family Educational Rights and Privacy Act of 1974 (FERPA generally bars colleges from releasing any educational records that include "personally identifiable information" without the student’s consent). Current personal educational records, including transcripts, enrollment records, and degree audits, are not released or shown to anyone other than Southeastern personnel except in accordance with the written consent of the student.

Access to these files by Southeastern personnel is allowed under the authority of the Senior Vice President for Academic Administration on a need-to-know basis for honors evaluation, routine processing, academic concerns, and to fulfill necessary administrative tasks. Student records are otherwise held in confidence.

A student’s permanent academic record consists only of the following:

- Completed application for admission
- Transcripts from all institutions attended
- Final Southeastern transcript (showing degree received and the date awarded)
- Graduation application with the final degree check
- Original church recommendation for admission
- Annual Church Membership verification forms
- Copies of any correspondence regarding disciplinary issues and the student’s written response(s), if any. U.S. Courts have ruled that disciplinary files qualify as “educational records” under FERPA.
- Any other information deemed pertinent to a student’s academic history

A student has the right, with the Registrar present, to view his or her permanent file but is not allowed to alter the content in any way except by the addition of written and signed correctives. Failure to provide truthful and/or accurate information on applications, church certifications, or other permanent records provided by the student may be grounds for dismissal.

Directory information published by the seminary is in the public domain. Students may request that the school not disclose directory information about them. This may be done by completing a General Request Form available from the Registrar or by the Address Update Form sent to students each semester. Questions regarding directory information and/or permanent student records should be directed to the Registrar.

Annual Certification of Church Membership

Southeastern Seminary seeks to equip students to serve the church and fulfill the Great Commission. Therefore, to promote accountability in students’ participation in a local church, each student is required to furnish an annual certification form from the church in which he or she is a member.

Annual verification of church membership must be provided every fall semester no later than December 1. Without this verification, a student will be unable to register for the spring semester. Because of the matriculation subsidy from the Southern Baptist Cooperative Program, the forms must indicate membership in good standing in a Southern Baptist church in order for the student to be eligible for the discounted Southern Baptist matriculation fees. Special instructions regarding the forms and church membership are listed below. If you are a:
• Church Member or Church Staff - the form should be completed by the pastor after congregational action as certified by the church clerk.
• Southern Baptist Pastor - the form should be completed by the deacon chairman after congregational action as certified by the church clerk.
• Non-Southern Baptist Student - this form should be completed by appropriate church officials at the church where membership and attendance is recognized. These students must pay non-Southern Baptist fees.

Southeastern Collegiate Partnership
All graduate students who have completed undergraduate courses in the area of biblical studies at an accredited institution will have their transcripts evaluated by the Registrar’s Office for eligibility in the Southeastern Collegiate Partnership (SCP). If the student has received an A or B in these course and he meets SCP criteria, the student will then be eligible to earn credit on the master’s level for corresponding classes in the seminary. To earn credit the student must pass a proficiency test or complete an intensive seminar for eligible classes. For further information please contact the SCP Office at 919-761-2284.

Graduate Transfer of Credits in Master’s Programs
Credits earned at other schools may be applied toward degree programs at Southeastern, subject to certain conditions: the credits must be of a comparable graduate level, in a subject appropriate to the student’s degree program at Southeastern, and awarded by a recognized accredited school. Other guidelines may also apply.

Students transferring credits to Southeastern must maintain a C average on courses taken at Southeastern in order to graduate (students enrolled in advanced degrees must maintain a B average).

Persons seeking to transfer to Southeastern must make application through the normal channels of admission. Upon request, Southeastern’s Registrar will evaluate the official transcript and inform the student of the credit that may be transferred.

Transfer students in the master’s programs must complete through Southeastern at least one-half of the hours required for any degree and must complete the equivalent of one year of full-time academic study at the main campus or at an extension site that has been approved for degree-granting status. (This amounts to at least half of the required hours for the M.A. and one-third for the M.Div.) Not more than 12 of these on-campus hours may be taken in practica, individualized study, travel-based courses, or similar special classes. Details of all transfer policies are provided by the Registrar.

Seminary master’s-level courses that are counted toward an undergraduate degree cannot be transferred back into any Seminary master’s degree program.

Credit-Only (Non-Degree) Status and Credit Transfer
Non-Degree or Credit-Only status, permitting up to 30 hours of transferable credit work from the Seminary, is available to those who properly apply and qualify for admission. Students should not interpret acceptance under Non-Degree or Credit-Only status as a guarantee of being admitted into a degree program in the future.

Whether this academic work will transfer into a degree program at another institution is determined by the transfer policies at the other institution. However, course credits received under this status usually will transfer as accredited work.

Seminary courses transferred to an undergraduate program cannot be transferred back into any Seminary-degree program. A student who through this process finds that Seminary degree requirements would be a duplication of previous work would be allowed to take non-duplicating courses in the same field in order to meet the hour requirements of the Seminary degree. The exception would be biblical languages, which would be treated under the advanced standing guidelines.

International students who apply for non-degree status will not be issued an I-20.

Graduate Academic Load
An average academic load of 15 hours per semester enables the M.Div. with Pastoral Ministry degree to be earned in six semesters. The non-thesis M.A. degrees call for an average of 16 hours per semester to earn the degree in four semesters. Students are expected to give priority to the program of study in which they have enrolled. When a student assumes responsibilities in addition to academic work, there is an ethical obligation to fulfill all these tasks in a satisfactory manner.
Extracurricular responsibilities require a corresponding reduction in the student’s academic load. The faculty recommends that students not register for more than 12 credit hours per semester if they are employed. The M.Div. degree is normally an intensive three-year program of study for a full-time student.

The maximum academic load for Seminary programs is 18 credit hours per semester.

Coursework for credit taken at other schools concurrently while enrolled at Southeastern requires the prior approval of the Dean of the Faculty.

In order to be eligible for residence in Seminary housing, Seminary students in M.Div. and M.A. programs must enroll for a minimum of 9 semester hours. Enrollment is encouraged but not required in the summer terms. Students actively engaged in coursework for advanced degree programs are considered to be full-time students regardless of course load and thus are eligible for student housing. Contact the Housing Office for details and priority guidelines.

Graduate International Students
International students who are in “F-status” must take the minimum load that their status requires. For Seminary students, this is nine credit hours. International students should consult with the Director of Financial Aid and International Students before making any changes to their class schedules that might affect their status.

Student Classification
A Senior is a seminary student who has 33 or fewer semester hours remaining toward his or her degree. A Junior is a seminary student who has earned fewer than 31 semester hours toward his or her degree. A Middler is an M.Div. student whose achievement level falls between the other two classifications.

Graduate Evaluation and Grading
The following explains the grading symbols that are employed at Southeastern.

A  The A grade recognizes a student’s exceptional ability and outstanding performance in the class.

B  The B grade signifies that the student has demonstrated a better and more effective command of the material than is generally required to pass the course.

C  The C grade is the certification that the student has demonstrated an acceptable level of competency in the course of study. A student must achieve a cumulative average grade of C in all of their master’s degree work in order to graduate.

D  The D grade signifies that the student's grasp of the academic components of the course was minimal or deficient, but the instructor believes that the student would not significantly profit by repeating the course.

E  Conditioned. The professor may choose to give this grade in continuing courses to a student who has not met the minimum requirements but shows promise of sufficient improvement in the second semester to be given a permanent grade of D. A grade not less than C must be earned in the continued course the following semester; otherwise, the grade of E becomes F.

F  The F grade indicates a student’s failure to master the essentials of the course. A student must repeat the course before credit may be allowed. Grades received when the failed course is repeated will be used to calculate final GPA. Students must achieve an overall average of C in order to receive their degree.

I  Incomplete. If circumstances prevent an otherwise competent student from completing the requirements of a course by the end of the class schedule, the instructor may assign the letter I. The student must complete the work of that course as quickly as possible and must do so by the end of the fourth week following the end of the course. If the grades on incomplete work have not been submitted to the Registrar by six weeks after the end of the course, the Registrar is instructed by the Faculty to record the grade of F.

W  In cases of authorized withdrawal after the drop deadline, if the instructor has no data for evaluation, the grade of W will be submitted. Otherwise, the faculty member will be requested to submit a grade of WP (withdrew passing) or WF (withdrew failing) depending on the student’s status at the time of withdrawal. (See Adding, Dropping, and Withdrawing from Courses.)
Certain specified courses are taught on a pass/fail basis and are graded P or F. While pass/fail courses may count as elective credit toward a degree, a student must have a minimum of 85% of all degree credits in graded classes. GPA is calculated on the basis of graded classes only. The grade P does not affect GPA; however, the grade F does affect the GPA as it would in a graded class.

Transfer credit accepted. Transfer credit does not affect a student’s GPA.

No grade given.

Graduate Grade Points
Grade points are awarded on the following basis: One point is awarded for each semester hour earned with the grade D. Two points are awarded with a C; three points with a B; and four points with an A. No points are given for the grade F. Students must complete their work with an overall average of 2.0 in order to achieve a master’s degree.

Graduate Progress Reports
Records of academic progress toward the completion of a degree are maintained on all students. Semester grades, Academic Plans, and unofficial transcripts can be obtained through CampusNet.

Class Attendance
Grades are based upon academic performance, not upon class attendance as such. However, if he or she is absent from 25% or more of the scheduled class meetings, a student may be required to repeat the course in order to receive credit.

Southeastern Policy on Plagiarism
Students in attendance at Southeastern are expected to maintain high standards of academic integrity appropriate to a Christian lifestyle. Plagiarism and cheating in any form will not be tolerated.

The disciplinary letter will clearly state that in the event of a second offense the Dean of Students will report the matter directly to the Dean of the Faculty and the result can be expulsion from school.

Academic Warning, Probation, and Suspension

1. **Academic Warning:** Any student who does not achieve a semester GPA of 2.0 for a given semester will receive an Academic Warning.

2. **Academic Probation:** Any student whose cumulative GPA falls below 2.0 will be placed on Academic Probation. The student will not be permitted to take more than 9 hours in subsequent semesters until his cumulative GPA rises to or above 2.0. The student must complete an Academic Probation Student Agreement form (available from the Registrar) that acknowledges his need for improvement and describes the actions he intends to take to improve. The student will meet with his advisor to discuss the form and his advisor should sign it. The student will then submit the completed form to the Dean of Graduate Studies, at which point it becomes part of the student's academic record. The student will not be permitted to register for courses for the following semester until the Academic Probation Student Agreement form has been received by the Dean of Graduate Studies. Academic Probation will be noted on the student’s transcript for each applicable semester.

3. **Academic Suspension:** Any student who earns a semester GPA below 2.0 for two successive semesters after being placed on Academic Probation will be placed on Academic Suspension. The student must withdraw from enrollment for one semester. After the semester of suspension the student must appeal to the Dean of Graduate Studies to reenroll, which includes the completion of an Academic Probation Student Agreement that describes the actions he intends to take to improve his academic performance. Upon reenrollment, the student enters on Academic Probation status. Academic Suspension will be noted on the student’s transcript for each applicable semester.

Graduate Changes in Registration

After registration, any changes in a student’s class schedule must be arranged through the Registrar. No changes are permitted in enrollment or academic status after stated deadlines except by permission of the Dean of the Faculty.

Adding, Dropping, and Withdrawing from Courses

To add or drop a course prior to the Add/Drop deadlines a student must formally submit an Add/Drop request to the Registrar. A fee is charged for each course dropped or added. See Fees and Expenses for fee amounts and the Academic Calendar for Add/Drop deadlines for each term.

After the deadline, drops are not allowed unless circumstances occur that were not present prior to the drop deadline, are beyond the control of the student, and prevent class attendance and/or completion of class assignments. Heavy work loads, church responsibilities, or other personal and/or family difficulties normally are not sufficient reasons for withdrawal from a class after the calendar deadline. If a student wants to drop a class after the drop deadline, appeal must be made to the Dean of Faculty and will be approved only in rare circumstances.

Students may withdraw from courses prior to the Withdrawal deadline with the approval of the student’s adviser. During this period the withdrawal will be noted on the student’s transcript as WP or WF but will not affect the student’s grade point average. During this time, fees will not be refunded for withdrawals. After the Withdrawal deadline, students may not withdraw from courses. See the Academic Calendar for withdrawal deadlines.

Entering a Closed Class

Some courses require for pedagogical reasons that the size of the class be limited. Caps for graduate courses generally are set by the area to which the course belongs or occasionally by the Dean of the Faculty. A professor may request a cap be lifted and/or a student may request to enroll in a course in which the roll is closed. In both instances, the request must be made to the appropriate associate dean. The cap can be lifted only with the approval of the Dean of Graduate Studies or the Dean of the Faculty. To request entrance to a closed section, a student must obtain and complete a Request to Enter a Closed Class form from the Registrar that is then turned in to the Dean of Graduate Studies office. Request approvals are at the discretion of the Dean of Graduate Studies or the Dean of the Faculty.

Auditing Courses

Students, student spouses, friends of the Seminary, and other interested parties may audit Seminary classes, if there is space available, with the professor’s permission and payment of the audit fee. Audit applications are available from the Registrar.
Withdrawal from Enrollment

In order to withdraw from enrollment, a student must consult the Registrar, obtain certain required signatures, surrender identification cards, return all materials on loan to the Library, and clear their accounts with the Accounting Services Office. A withdrawal procedure form is available from the Registrar. Students whose withdrawals are completed before the final drop date will receive a refund of fees.

Students who have not completed requirements for a degree and who do not plan to enroll for the following term are required to withdraw from enrollment through the withdrawal procedure initiated with the Registrar. Students who follow the approved procedure for withdrawal will have their admission status maintained for two regular semesters and may register for classes during any regular registration period during that year. If a student who withdrew but returns within a two-year period must submit a Readmission Form to the Registrar prior to registration. After two years from the date of withdrawal, students are required to reapply through the Admissions Office. Students who have been out of school for more than a year may be required to re-enter under the present catalog.

Short-Term Courses

Certain classes are offered between semesters on various schedules. Such classes help students to maximize their study opportunities. Students may not enroll in courses which overlap in days or times during any session. Class schedules are available from the Registrar.

Distance Learning

At Southeastern we recognize that commitments to family, work, and ministry make it impossible for some people to physically attend our main campus at Wake Forest for the total duration of their respective degree program. It may be impossible for students to attend or continue to attend one of our brick and mortar classrooms.

To meet these real needs an innovative system of delivering theological education has been developed that is academically sound, ministry focused, and Christ centered. Whether it is through an online class or a face to face extension center experience, this program provides both a supplement and a front door to the world of theological preparation. For information please contact the Office of Professional Studies and Distance Learning with any questions.

Online Courses

Southeastern offers several classes through an online-based delivery system. Online courses allow you to apply up to 30 credit hours toward any of our degrees with a total of 60 or more hours and up to half of a degree with 59 or less total hours.

Online classes are taught by the same professors teaching on-campus. Online students receive the same lectures, same materials, and same assignments. Further information is available through the Online Courses Office and the seminary website.

Extension Centers

Southeastern offers opportunities at several locations around the country called “extension centers” for students to complete a significant portion of our degree programs in addition to taking classes on our main campus. These courses feature members of our faculty leading face to face classroom experiences in various locations meeting in churches, denominational buildings and other educational institutions. Courses are taught on a semester schedule much like our main campus but in an intensive manner. Most courses will meet either on Friday evenings and Saturdays or on Mondays.

For specific information please contact the Office of Professional Studies and Distance Learning, the Admissions Office or go to the seminary website. Our centers also have local liaisons that can provide additional information.

Graduate On-Campus Requirements

M.Div. and M.A. students must complete the equivalent of one year of full-time academic study at the main campus or at an extension site that has been approved for degree-granting status. (This amounts to at least half of the required hours for the M.A. and one-third for the M.Div.) Not more than 12 of these on-campus hours may be taken in practica, individualized study, travel-based courses, and similar special classes. Courses taken at other Southeastern extension center sites and online courses do not count as on-campus hours. In addition, at least one-half of the hours for any degree must be completed through Southeastern (including work taken at extension sites).

Some of Southeastern’s extension centers have been approved as degree-granting sites for Southeastern’s M.A. (Christian Studies) degree. This degree requires a “summative evaluation” which is conducted on the main campus. These centers are also approved to offer more than 50% of the work required for the M.Div.
Chapel Attendance Requirement

Chapel is at the heart of campus life at Southeastern. The Southeastern community – faculty, staff, and students – gathers twice each week (Tuesday and Thursday at 10:00 am) to worship by singing, praying, and hearing the exposition of Scripture. Corporate worship is vital to the formation of a Christian way of life, and it is our goal to foster a learning environment at Southeastern that is rooted in love of God and love for one another. Chapel is one of the ways we pursue spiritual formation and encourage students as they pursue God's calling on their lives.

Graduate students are required to either attend twenty (20) chapel services or listen to twenty-five (25) online services during each of their first four (4) semesters.

Field Ministry Requirement

Field Ministry is a vital part of every degree offered at Southeastern Baptist Theological Seminary. This component of each degree is designed to connect the student with a church to allow him to gain hands-on experience under the supervision of an experienced mentor. The purpose of field ministry is for the student to grow in his personal walk with the Lord, in his understanding of the ministry, and in his ability to minister to the church relative to his calling. The student will be challenged to integrate theological training with the practice of ministry.

There are three ways to gain field ministry experience at Southeastern. The first and most common way is for the student to participate in the field ministry class offered on campus relative to his or her degree (e.g., PMN6590 for pastoral ministry students). These classes include significant field ministry components. Second, some students have opportunities to be involved in ministry settings that will not allow them to participate in the on-campus classes. These students may participate in a PMN7900 Mentored Internship in lieu of the on-campus class. However, the student should be aware that this option requires a faculty sponsor to oversee the mentorship. The student is responsible to find a faculty member who will oversee the field ministry experience. Because of the extra work on the part of the faculty member, the student should see this option as an exception and not the norm. Finally, Southeastern has partnered with some healthy churches in our area (and near our Extension Centers in some cases) to develop Equipping Centers for the purpose of offering a significantly greater field ministry experience. These Equipping Centers normally offer a one or two year internship through which a student can gain field ministry experience. A student must be invited and approved by the individual Equipping Center in order to gain Field Ministry credit in this manner.

In any case, the student will be working with a Field Supervisor who must meet the requirements set by Southeastern and be approved by the professor and/or the Field Ministry Coordinator prior to the beginning of the student’s Field Ministry Mentorship. It is the student’s responsibility to contact and secure a Field Supervisor for his or her field ministry experience. Therefore, this process should normally begin before the start of the semester in which the student wishes to gain Field Ministry credit. While the professor and the Field Ministry Office will attempt to assist the student in securing a Field Supervisor, it is ultimately the student’s responsibility.

The student should obtain a copy of the Field Ministry Handbook in order to determine the best route to obtain field ministry credit. The Handbook can be acquired by contacting the Field Ministry Office at (919) 761-2393 or fmo@sebts.edu.

Email and Computer Use for Assignments and in Classrooms

All students are issued a Southeastern email address which will be the exclusive address through which the seminary communicates. Email sent to this address can be automatically forwarded to another email address, if desired.

All students have access to the campus computer labs when classes are not being conducted in the labs. Nevertheless, students are strongly encouraged to purchase and learn to use computers with word processing and Internet capabilities.

Each professor may allow or disallow the use of portable computers in his/her classroom. Check with each professor about the rules for computer usage for that class. If portable computers are permitted, students should arrive early so that all set-up procedures are complete prior to the beginning of class. Turn off all computer sounds, and sit so that other students will not be distracted by your computer images. Computers are to be used for class-related purposes only. If a professor thinks a student is being distracted from lectures or is using a computer for non-class purposes, the professor may revoke a student’s privilege as he/she deems appropriate.
Style Requirements for Writing Assignments

Inclement Weather

As a general rule, classes will always meet. If extreme weather conditions affect campus operations, an announcement will be made on the website www.sebts.edu and on the following television stations: WRAL (5), WTVD (11), and WNCN (17). The switchboard will also be open during regular hours and will have the latest information at 919-761-2000. On days when Wake County Schools publicly announce that they are closed, delayed, or released early due to inclement weather or similar circumstances, students who live away from the main campus will not be penalized for failure to attend class during the time period specified. No one is expected to subject his or her life to any unusual danger in order to travel on days when severe weather is a problem, nor should preschool or school-age children be left unattended during such times. Nevertheless, classes, if at all possible, will meet at all scheduled times.

Graduation

Students must achieve a minimum cumulative grade point average of C (2.0) in order to graduate from the master’s program. It is the responsibility of the student to check his or her record with the Registrar to determine if qualifications for graduation have been accomplished or can be scheduled. This graduation check and degree audit should be submitted no later than the preregistration period for the semester prior to the semester in which graduation is planned. This will allow the student two full semesters to complete courses required for graduation in a specific degree program.

Students who qualify to graduate should submit a graduation application to the Registrar no later than October 1 for December graduation and no later than March 1 for May graduation. Students submitting graduation applications after these dates will be required to pay a late fee (see Fees and Expenses). No graduation applications will be accepted after November 1 for December graduation and after April 1 for May graduation. Any transcript corrections (including grades, transfer credits, advanced standing credits, etc.) must have been made by this time in order to complete the graduation check. Students must have their accounts paid in full in order to graduate.

Academic regalia must be ordered from the LifeWay Campus Store within the first three weeks of the semester in which the student wishes to graduate. The prescribed regalia list is available from the Registrar.

Students are required to be present at graduation exercises in order to receive their diplomas. They are excused from attendance only by permission of the Dean of the Faculty. Written requests specifying the unusual circumstances leading to such a request to graduate in absentia must be submitted by the student to the Dean’s Office no later than three weeks prior to the date on which he or she is scheduled to graduate.
Revocation of Degrees

The Seminary, by conferring a degree, does not provide a lifetime certification of the good character of the graduate, nor does it guarantee the orthodoxy or spiritual commitments of the graduate. Those who employ any graduate of the institution should conduct interviews and determine whether or not the graduate fits the expectations of the employer.

If it should be discovered after graduation that the student misrepresented personal data on application forms on which admission was improperly based, or if it is found that the student cheated on exams, received transcript credit for courses not actually taken or completed, committed plagiarism in academic papers, or otherwise engaged in academic fraud or other behavior that would have led to expulsion if known at the time, the student may have his or her degree revoked. The academic transcript will note any such revocation from the date of official action. A degree may also be revoked if it is discovered that a diploma was issued in error.

If the student believes the revocation is based on erroneous information or is unjust and appeals the ruling to the Registrar, the case will be reviewed by the Dean of Students, the Dean of the College, and the Senior Vice President for Academic Administration/Dean of the Faculty. The student would have the right to a hearing and may provide further information to resolve the issue. The decision of the Dean of the Faculty, if it is further disputed by the student, may be reviewed by the President using a procedure appropriate to the case. Unless overturned by the President, the Deans’ decision is final.

Undergraduate Degree Programs
Bachelor of Arts

All baccalaureate students at The College at Southeastern complete two majors. The first major in Christian Studies will be required of every baccalaureate student in the college. It is composed of two elements—General Studies (48hrs) and Christian Studies (36hrs), also known as the Core Curriculum. These courses that make up the core curriculum are listed below. Each student will also choose a second major in English, History, Humanities, Missions, Music, Pastoral Ministry, or Theology. The requirements for each of these majors, along with a course sequence recommendation, follows below.

Bachelor of Arts in Christian Studies and English

All baccalaureate students at The College at Southeastern complete two majors. The first major in Christian Studies will be required of every baccalaureate student in the college. It is composed of two elements—General Studies and Christian Studies, also known as the Core Curriculum. Each student will also choose a second major in English, History, Humanities, Missions, Music, Pastoral Ministry, or Theology.

The major in English promotes an understanding of literature, trains students to think critically and write effectively, and encourages them to reflect on the central issues of the human condition—all from a Christian perspective. Core curriculum classes in composition emphasize the skills of effective research and writing. English major classes present literature from within a Christian worldview. Students who major in English will be equipped to understand culture and to communicate the gospel to others clearly and effectively.

Bachelor of Arts in Christian Studies and History

All baccalaureate students at The College at Southeastern complete two majors. The first major in Christian Studies will be required of every baccalaureate student in the college. It is composed of two elements—General Studies and Christian Studies, also known as the Core Curriculum. Each student will also choose a second major in English, History, Humanities, Missions, Music, Pastoral Ministry, or Theology.

The major in History teaches the student to comprehend and critically evaluate the present through a biblically-informed understanding of the past. The student will examine the story of humanity, develop reading, writing, and research skills, and learn how to study history from a Christian perspective. The graduate will be equipped for a wide range of ministries and vocations, and be well prepared for graduate work in seminary, graduate school, or law school.

Bachelor of Arts in Christian Studies and Humanities

It is composed of two elements—General Studies and Christian Studies, also known as the Core Curriculum. Each student will also choose a second major in English, History, Humanities, Missions, Music, Pastoral Ministry, or Theology.

The major in Humanities introduces students to the influential ideas of Western civilization. Students read great works of literature, history, philosophy, theology, and political theory and interact with them from a Christian perspective. Additional courses in philosophy, literature, and history prepare students for graduate work in seminary, classical studies, literature, history, law, or any other field in the liberal arts.

Bachelor of Arts in Christian Studies and Missions

All baccalaureate students at The College at Southeastern complete two majors. The first major in Christian Studies will be required of every baccalaureate student in the college. It is composed of two elements—General Studies and Christian Studies, also known as the Core Curriculum. Each student will also choose a second major in English, History, Humanities, Missions, Music, Pastoral Ministry, or Theology.

The major in Missions introduces students to knowledge, principles, and practices central to missions in national and international contexts. In addition to courses related to missions, church planting, and anthropology, students are taught to evaluate ideas critically and to interact with others winsomely through classes centered on the reading and discussion of great works of literature, history, philosophy, theology, and political theory. During an international semester with HandsOn, a project of the International Mission Board of the Southern Baptist Convention, students also complete practicum courses and gain experience in cross-cultural missions work in a foreign nation. Those majoring in Missions will be well equipped to communicate the gospel in various contexts and prepared for continued studies in seminary or graduate school.

Notes Concerning the International Semester: Completion of the Missions major and the international semester are contingent upon acceptance by the International Mission Board (HandsOn). The student must complete the international semester component of the Missions major after completing not less than 75 hours and not more than 96 hours of his degree requirements. The student must be a member of a Southern Baptist church, between 18–29 years of age, single, and generally in good health at the time of his international semester. An additional cost is associated with the international semester.

Bachelor of Arts in Christian Studies and Music

All baccalaureate students at The College at Southeastern complete two majors. The first major in Christian Studies will be required of every baccalaureate student in the college. It is composed of two elements—General Studies and Christian Studies, also known as the Core Curriculum. Each student will also choose a second major in English, History, Humanities, Missions, Music, Pastoral Ministry, or Theology.

The purpose of the program of studies leading to the degree, Bachelor of Arts in Christian Studies and Music, is to equip students for a future in the field of music, and to train them for graduate work in music and worship ministries. The program is designed to be completed within a minimum of four academic years, beginning with a fall semester.

Unique Requirements for Music Students

Based upon accrediting agency requirements, persons seeking admission to this program should (a) have the ability to relate musical sound to notation and terminology both quickly and accurately enough to undertake basic musicianship studies in the freshman year, (b) have a level of achievement in musical performance that indicates the ability to be successful on the undergraduate level in music.

In order to determine abilities in these areas, each entering BACS and Music student will be required to take a placement exam in Basic Musicianship and perform in their chosen performance medium for the music faculty. In preparation for the placement exam in musicianship the student should purchase and complete the workbook in musicianship studies *Basic Materials in Music Theory* by Greg Steinke and Paul Harder (Prentice Hall; 11 edition July 29, 2002, ISBN: 0130993336). An accompanist will be provided for the performance evaluation if necessary. If deficiencies are indicated in either area, remedial work will be required without undergraduate credit.

An opportunity to demonstrate piano proficiency is provided during the orientation period at the beginning of a student’s SEBTS matriculation. Music Students are required to be enrolled in piano lab or private piano study until piano proficiency is passed.

Degree Requirements

At the time of admission, the student’s proficiency in music will be evaluated by the faculty for the purpose of designing an individualized program of study. As a part of applied study in voice/instrumental/keyboard, each student will present a recital in their chosen performance medium.

Students who choose concentrations in Voice Performance or Instrumental Performance are required to complete a keyboard proficiency requirement. Students who choose concentrations in keyboard performance are expected to complete a proficiency requirement in voice.

For Secondary Applied requirements, Vocal and Instrumental majors must take Keyboard Lab (1 semester hour each) until piano proficiency is completed. These students may take private study keyboard or other instrument for credit after proficiency is completed to fulfill the rest of these hours.

For Performance Specific Selectives, voice majors must take Vocal Diction, keyboard majors must take Keyboard Literature, instrumental majors must take Instrumental Literature.

Bachelor of Arts in Christian Studies and Pastoral Ministry

All baccalaureate students at The College at Southeastern complete two majors. The first major in Christian Studies will be required of every baccalaureate student in the college. It is composed of two elements—General Studies and Christian Studies, also known as the Core Curriculum. Each student will also choose a second major in English, History, Humanities, Missions, Music, Pastoral Ministry, or Theology.

The major in Pastoral Ministry introduces students to the knowledge and skills central to the work of pastors through classes in pastoral ministry, discipleship, counseling, and Bible exposition. The major also provides students opportunity for additional classes in biblical and theological studies beyond those of the Core Curriculum. The program is designed to begin the formation of the student’s life for pastoral ministry, and prepares students for continuing studies in the Master of Divinity, the standard degree for the equipping of pastors.

Bachelor of Arts in Christian Studies and Theology

All baccalaureate students at The College at Southeastern complete two majors. The first major in Christian Studies will be required of every baccalaureate student in the college. It is composed of two elements—General Studies and Christian Studies, also known as the Core Curriculum. Each student will also choose a second major in English, History, Humanities, Missions, Music, Pastoral Ministry, or Theology.

The major in Theology introduces students to the study of God and man. Students read great works of theology, literature, history, philosophy, and political theory and interact with them from a Christian perspective. Additional courses in logic, rhetoric, philosophy, apologetics, and theological electives allow students to tailor the program toward graduate work in seminary, classical studies, literature, history, law, or any other field in the liberal arts.

The Church Music Certificate is a 20-hour program of study offered through the College for bi-vocational ministers of music who serve in local churches who have not attained an undergraduate degree. College-level music courses are offered via the Internet and in select churches across North Carolina.

Offered in collaboration with the Baptist State Convention of North Carolina’s Music and Worship Team, the program is designed to be flexible enough to accommodate the schedule of a student who has part-time secular employment, part-time church employment and a family. Courses from the program can transfer into the Bachelor of Arts in Christian Studies and Music undergraduate degree program at Southeastern College at Wake Forest.

Church Music Diploma

The Church Music Diploma entails 38 hours of courses in a program of study offered through the College providing the equivalent of an undergraduate music major for students who have an undergraduate degree but did not pursue an undergraduate degree in music. Music credits from other institutions may be applied to this diploma if such courses correspond to those in this diploma. Upon completion of the diploma program, students are eligible to pursue the Master of Church Music degree in the Seminary.

At the time of admission, the student’s proficiency in music will be evaluated by the music faculty to assess readiness for entry into various components of the diploma program. In some instances, students will be able to bypass portions of the program via testing or transcript evidence of comparable achievement at some other institution.

Upon entrance into the program, the student will sing or play for the music faculty a piece of representative repertoire in his/her chosen performance skill area. An accompanist will be provided if necessary. This hearing is not an audition, per se; rather, it is an opportunity to demonstrate one’s level of accomplishment and competence in his/her chosen performance skill area.

During this initial orientation period, students will also demonstrate piano proficiency (vocal and instrumental students) and vocal proficiency (keyboard and instrumental students). Music students are required to be enrolled in Piano Class (MUS 1534-1535) or private piano study until piano proficiency is passed; keyboard and instrumental students not prepared to meet the vocal proficiency requirement upon entrance to the program are required immediately to enroll in Voice Class (MUS 1530-1531) and remain enrolled until the proficiency requirement is met.

Church Music Diploma students may bypass via testing 17 hours of Structure in Music courses, 4 hours of Music History and Literature courses, 2 hours of Conducting courses, 5 hours of Applied Music Study, and 4 hours of Secondary Applied. This coursework must be completed prior to taking any graduate level music courses. As a part of applied study in voice/organ/keyboard/instrumental, each student will present a recital. In addition to piano and vocal proficiency, all Church Music Diploma students must complete a sight-singing/ear-training proficiency. Further information about the recital and proficiency requirements are available in the “Handbook for Church Music Students” issued during orientation and available at any time upon student request.

Structure of Music 17

After passing the Pre-College Music Theory Test, the student is eligible to take the Music Theory I & II Tests in succession. Placement in the Music Theory sequence is based on the results of these tests. Those students whose Pre-College Music Theory Test results indicate a need for remediation will be required to complete a programmed music theory test prior to enrollment in MUS 0010. Students who achieve criterion score level I on the Music Theory I placement test are not required to take MUS 0010. Students who achieve criterion score level II on the Music Theory I placement test are not required to take MUS 1501. Students who pass Music Theory II placement test are not required to take MUS 1503. In each case, the student bypasses the course via placement exam success.

Master of Divinity (M.Div.)

The Master of Divinity is a Seminary program designed to prepare pastors, missionaries, and other Christian workers for a life of effective kingdom service. Within three academic years of full-time attendance, the M.Div. program prepares Christian ministers by enabling them to gain a basic understanding of Scripture, Christian history, theology, and ministry skills within the Christian worldview. Students may choose from specializations in Advanced Biblical Studies, Biblical Counseling, Christian Apologetics, Christian Education, Christian Ethics, Christian Ministry, Collegiate Ministry, Evangelism, Expository Preaching, International Church Planting, North American Church Planting, Pastoral Ministry, Student Ministry, Women's Studies, and Worship Leadership.

Admissions Requirements

Admission to the Master of Divinity program is limited to persons holding a baccalaureate degree or its equivalent who also meet all other admission requirements. Individual track concentrations may have additional requirements as noted. While a B.A. in Religion or Christian Studies may allow students to qualify for advanced standing, it is not a requirement for enrolling in the Master of Divinity program of the Seminary. Students with a B.A. in Religion or Christian Studies may qualify for the M.Div. with Advanced Standing, a degree that may be completed with a minimum of 75 hrs. of course work.

Degree Requirements

The Master of Divinity (M.Div.) degree requires 90 or more semester hours, including 60 hours of core studies. Students must achieve an overall GPA of 2.0 or better on all work taken in order to graduate. Not more than 15 additional semester hours may be taken to make up a deficiency in quality points.

A notation of the specialized concentration within the Master of Divinity will be placed on diplomas of those students who complete the prescribed courses of study as listed under the specialized degree tracks.

Curriculum Design

Typically, most foundational courses should be completed during the first two years of Seminary studies. See the suggested sequence of courses for M.Div. Foundational Core Studies (below). Summer school and other short-term classes are offered to help students finish their degree plan within a minimum of three academic years. Students who find languages difficult should consider reducing their academic load during the semesters in which they are studying languages.

# Suggested Sequence of Courses for M.Div. Foundational Core Studies

The faculty advises students to take introductory level courses early in order to prepare for upper-level electives. Students are also advised to focus on track requirements for their chosen specialization toward the end of their degree programs. This suggested sequence is provided as a guidance tool for academic advisement. Students are permitted to take courses out of sequence if necessary. Short-term classes (such as those in January, June, and July) may be taken and are encouraged so that students may reduce their academic load during regular semesters.

M.Div. with Advanced Standing

The Master of Divinity with Advanced Standing is for students who have significant undergraduate preparation in biblical or religious studies culminating in the attainment of a baccalaureate degree from an accredited institution of similar theological persuasion. The Master of Divinity with Advanced Standing is designed to prepare pastors, missionaries and other Christian workers for a life of effective kingdom service and requires a minimum of 75 hours of course work. The Master of Divinity with Advanced Standing fulfills the prerequisite degree requirement for persons seeking to further their education through the Master of Theology (Th.M.), Doctor of Ministry (D.Min.), Doctor of Education (Ed.D.), or Doctor of Philosophy (Ph.D.) degrees.

Admission Requirements

Admission to the Master of Divinity with Advanced Standing will be determined after a thorough evaluation of the applicant’s transcript in light of the prerequisite undergraduate preparation necessary for the program. Applicants must have a minimum of a 3.0 on a 4.0 scale in the baccalaureate classes required for their major to be accepted to the Master of Divinity with Advanced Standing. To demonstrate writing ability applicants must submit a graded research paper from their baccalaureate studies. If no such paper is available, applicants will be asked to write an essay demonstrating their writing/research ability and discussing why they are qualified to participate in the Master of Divinity with Advanced Standing. Due to the substantial academic prerequisite for admission to the program, students who are more than 5 years removed from their baccalaureate graduation are not eligible for admission to the Master of Divinity with Advanced Standing. These students are welcome to make application to the traditional Master of Divinity program.

Substantial undergraduate preparation shall consist of the following classes and number of semester hours:

- Old Testament Introduction 6hrs
- New Testament Introduction 6hrs
- Christian Theology 9hrs
- Hermeneutics 3hrs
- Church History 6hrs
- Baptist History 3hrs
- Evangelism 3hrs

M.Div. with Biblical Counseling

Within the Seminary’s Master of Divinity program, a student may receive the notation, “with Biblical Counseling.” The concentration in Biblical Counseling provided by this track will prepare students for a wide variety of biblical guidance ministries in local churches. Students completing the M.Div. or M.A. degree programs in Biblical Counseling will be prepared to serve as a chaplain or on a local church staff with special responsibilities for counseling, pastoral care, and family ministries.

Philosophy of the Biblical Counseling Program

The guiding foundation for Southeastern’s Biblical Counseling program is that the Holy Scriptures are the written Word of the Living God and are sufficient for understanding people as spiritual, moral, relational, and psychological beings (2 Timothy 3:14-17; Psalm 1). God has provided all things necessary for life and godliness: His risen and reigning Son, our Lord Jesus Christ; His written Word, the Holy Bible; His indwelling Holy Spirit; and His churches, local communities of baptized believers committed to the historic Christian faith and living out their personal faith through deeds of love (2 Peter 1:3-4; 1 Corinthians 6:19; Galatians 5:6). Southeastern intends to equip men and women of God to become wise, merciful counselors, thoroughly and completely equipped to minister both God’s grace and truth.

We believe that counseling is a part of the local church’s mission to make disciples and to teach them to obey the Lord, and is therefore best practiced under the authority of a local body of believers. Our primary goal is to play an active part in restoring to our churches’ practical biblical wisdom in the care and cure of souls. Counseling is a ministry of God’s Word, a type of individualized discipleship, which in concert with the other ministries of a church facilitates the process of sanctification for each member and the subsequent purification and strengthening of the Body of Christ (Matthew 28:19-20; 2 Corinthians 3:18; Hebrews 12:14; 1 Thessalonians 5:14; Romans 15:14).

The Seminary's counseling program intends to prepare students to counsel from within the framework of a biblical anthropology, developing a biblical, God-related understanding of human problems, and implementing truthful, graceful, timely, relevant, and practical Christ-centered methods of problem solving and change (Psalm 1:1-2; Hebrews 4:12-13). In addition, we believe the character of the counselor and the quality of the relationship between counselor and counselee are as important as practical skill. Christ-likeness, relationally manifested through the fruit of the Holy Spirit (Galatians 5:22-23; James 3:13-18), is the ideal for the counselor and the goal for the counselee. The ultimate goal of all aspects of the counseling relationship is to glorify God (1 Corinthians 10:31; Colossians 3:17).

While biblical counselors can benefit from the empirical findings of the human and medical sciences, we believe the Bible is the only infallible source for counseling theories and models. Our perspective is that the theories, practices, and institutions of the secular mental health establishment are not essential for constructing a Christian counseling model or for providing an effective cure for the soul, psyche, or mind. Particularly in the counseling domain, secular and naturalistic personality theories and psychotherapies are fundamentally flawed because they excise the God of the Bible from the human equation (Psalm 10:4; Psalm 14:1; Proverbs 28:26).

Degree Description

The M.Div. B.C. is better preparation for those with long-term local church ministry goals. The M.A. in B.C. is for those who will be specializing primarily in vocational counseling ministries. Pastoral candidates seeking a specialization in counseling ministries are advised to complete both the M.Div. following the Pastoral Ministry track and the M.A. in B.C. The Registrar can help a student design a program of study leading to the completion of both degrees.

Students seeking professional licensure will need to complete additional hours of academic and practical training beyond those offered in either the M.Div. B.C. or the M.A. in B.C. degrees. Southeastern also offers several courses that are intended to be a part of the preparation for state-approved professional board licensure or certification. Course requirements vary from state to state, so the student is responsible to be aware of their state’s criterion and to take the courses that are necessary for that particular licensing or certifying board. These courses are not necessary for the degree (although they may be used to fulfill an elective requirement). We do not believe it is necessary or prudent for church-based counselors to be licensed by state-approved professional boards. The purpose of these courses is to prepare students for missional engagement with the mental health culture, not merely for the private practice of counseling. We recommend that those who desire to pursue these optional courses discuss this with a SEBTS counseling professor to evaluate the student’s vocational objectives and make sure they are consistent with our program philosophy and goals.
Degree Requirements

Master of Divinity with Biblical Counseling students complete the 60-hour M.Div. Foundational Core, 33 hours of specialized track requirements, and 3 hours of electives for a total of 96 hours with an overall GPA of 2.0 or better.

M.Div. with Christian Apologetics

The emphasis on Christian Apologetics within the Seminary’s Master of Divinity degree program provides specialized studies for those students who are interested in developing expertise in the defense of the Christian faith. Students completing the program will receive the notation “with Christian Apologetics.”

Students with good reasoning skills and with a desire to engage the culture will find the Christian Apologetics track to be an excellent opportunity to develop proficiency in apologetics. Those seeking to prepare for youth ministry, college ministry, and international or home missions ministries will find this course of study especially useful. Those preparing for pastoral and educational ministries will need to use elective hours to assure that they are properly prepared for those vocations, as the church pulpit is a primary platform for biblical exposition and apologetic reasoning.

Students who apply for admission should have an accredited Bachelor’s degree and must fulfill all the other general requirements for admission to the Seminary. Those who have no previous background in apologetic studies are welcome.

M.Div. with Christian Ethics

Within the Seminary’s Master of Divinity program, a student may receive the notation “with Ethics.” The M.Div. with Ethics is a Seminary program providing specialized academic training that prepares men and women to impact the culture for Christ through prophetic moral witness and service in a variety of settings.

Some choose this program to enhance qualifications for further academic study. Most, however, choose this program to add focus to preparation for ministry in the local church, on the mission field, in denominational service, or to prepare for parachurch ministry.

The M.Div. with Ethics can be completed in 3 years alone or a student may complete both the M.Div. with Ethics and the M.A. (Christian Ethics) with an additional year of study.

M.Div. with Christian Ministry

Within the Seminary’s Master of Divinity program, a student may receive the notation “with Christian Ministry.” The Christian Ministry track provides a large number of elective hours and is designed to afford students flexibility in their degree program.

Beyond the 60 hr. M.Div. Core students are required to select PMN 6590 Supervised Ministry or another course that satisfies the Field Ministry component (e.g., BCO 7501 Counseling Practicum I, PMN 6541 Worship Leadership), and are required to take PRS 6500 Sermon Delivery or another 3 hr. communication course (e.g., PHI 7550 Critical Thinking. Women are encouraged to take WST 5520 Women & Communication). The remaining hours of the curriculum are free electives.

A student may receive the notation “with concentration in . . .” a certain academic discipline upon completion of eight or more elective hours in that discipline. Eight or more hours in each of two disciplines qualifies as a dual concentration.

M.Div. with International Church Planting

The Master of Divinity with International Church Planting (M.Div. -ICP) is a specialized 90 hour degree program offered by Southeastern in partnership with the International Mission Board of the Southern Baptist Convention (IMB). The M.Div. -ICP combines a campus-based curriculum with a term of field service where academics are applied in an international church planting context. The campus curriculum can be completed in two years of full-time study. Students may opt for a two-year or three-year assignment with the IMB to complete the field curriculum.

Selection into the International Church Planting program is contingent upon acceptance by Southeastern and the IMB, and consideration is given to the number of applicants that may be deployed to the designated field site in a given year. Once accepted by Southeastern, students and their spouses enter the application process for service with the IMB. Those opting for a two-year term will apply for the IMB’s International Service Corps, and those anticipating future career service are encouraged to apply for the three-year Career Apprenticeship. More information on these requirements is available from the Lewis A. Drummond Center for Great Commission Studies on Southeastern’s campus.

Curriculum Design

Students complete 63 hours of campus-based coursework, including the 54-hour M.Div. -ICP core, while working through the IMB application process. Upon completion of the campus curriculum and IMB approval, students are deployed as a group to their overseas assignment within the region mutually designated by Southeastern and the IMB. The IMB provides the laboratory wherein students learn how to plant churches by actually serving as church planters. Southeastern professors travel to the field to teach modular courses, and students complete practicum courses under the supervision of experienced church planters, gifted nationals, and proficient language coordinators. M.Div. -ICP students earn their degree while acquiring language skills, developing cross-culturally effective lifestyles, and planting churches among the least reached peoples of the world.

Students must complete both the campus and field curriculum with a GPA of 2.0 or better. The student who successfully completes the M.Div. -ICP is an equipped and experienced church planter who may apply for career status with the IMB.

M.Div. with North American Church Planting

The Master of Divinity with North American Church Planting (M.Div. N.A.C.P.) is a specialized 90 hour degree program offered by Southeastern in partnership with the North American Mission Board of the Southern Baptist Convention (NAMB). The M.Div. N.A.C.P. combines a campus-based curriculum with a term of field service where academics are applied in a North American church planting context. The campus curriculum can be completed in two years of full-time study. Field-based curriculum can be completed in one or two years while serving on the field.

Curriculum Design
At least 30 of the 72 campus-based hours must be completed on the seminary campus with an overall GPA of 2.0 or better. Modular seminars, guided readings and supervised practicum comprise the 18 hours of field-based courses (which must also be completed with a grade of “C” or better). The modulars may be offered in the region of service or on the Wake Forest campus. North America provides the laboratory wherein students plant churches while receiving academic instruction and on-site mentoring from experienced church planters. Graduates receive a master of divinity diploma with the notation “with North American Church Planting.”

The North American Mission Board (NAMB) contributes financial support and benefits for each individual or student family which they approve for field placement. Additional funding is provided through the Baptist state conventions, local associations, and sponsoring churches.

Students who successfully complete the M.Div. with North American Church Planting degree are equipped and experienced church planters who may apply for career status with NAMB. Graduates may also choose to continue serving in the church plant setting or they may pursue other ministry opportunities.

Master of Divinity with North American Church Planting students must complete the 60 hours of the M.Div. core and 30 hours of specialized track requirements for a total of 90 hours with an overall GPA of 2.0 or better.

M.Div. with Women’s Studies

Within the Seminary’s Master of Divinity program, a woman may concentrate in Women’s Studies in order to prepare for Christian ministries other than the pastorate and thereby receive the Master of Divinity degree with the notation “with Women’s Studies.” This track will prepare women for a wide variety of family, church and mission ministries: (1) in church staff and denominational ministries to women; (2) in evangelistic work; (3) in women’s conference ministries; (4) in advocacy work; (5) in teaching the Bible; (6) in addressing the practical, moral, and spiritual needs of women.

The Master of Divinity with Women’s Studies requires the 60-hour M.Div. Foundational Core, 27 hours of Women’s Studies core and selective requirements, and 9 hours of free electives for a total of 96 hours with an overall GPA of 2.0 or better. Prior to registration each semester, students should meet with the Director of Women’s Studies to receive counsel and advice on track requirements. The Danvers Statement describes the perspective from which courses in the Women’s Studies track are taught.

M.Div. with Worship Leadership

Within the Seminary’s Master of Divinity program, a student may receive the notation, “with Worship Leadership.” The specialization in Worship Leadership will prepare students to provide leadership in worship ministries in the local church.

All general admissions requirements for the Seminary must be met. An undergraduate music degree is not required, though a certain proficiency in music is required to complete the degree. At the time of admission, the student’s proficiency in music will be evaluated by the faculty for the purpose of recommending an individualized program of study.

Entering M.Div. with Worship Leadership students will be required to take placement exams in the following areas: Theory/Harmony and Conducting. If competence is not demonstrated on the placement exams within the first semester after admission, the student’s advisor will recommend the appropriate courses to address deficiencies. Students must also complete a piano certification, which is included in the requirements of the required course PMN 6541 Worship Leadership. Class piano is available to prepare for certification.

M.A. in Biblical Counseling

The primary purpose of the Master of Arts in Biblical Counseling program is to equip students for service in vocational counseling ministries in the church or in a parachurch ministry that is properly related to the church. This Seminary program is designed to be completed in a minimum of two to three academic years. Candidates for this degree should consult with Biblical Counseling faculty before beginning their program of study.

Philosophy of the Biblical Counseling Program

The guiding foundation for Southeastern’s Biblical Counseling program is that the Holy Scriptures are the written Word of the Living God and are sufficient for understanding people as spiritual, moral, relational, and psychological beings (2 Timothy 3:14-17; Psalm 1). God has provided all things necessary for life and godliness: His risen and reigning Son, our Lord Jesus Christ; His written Word, the Holy Bible; His indwelling Holy Spirit; and His churches, local communities of baptized believers committed to the historic Christian faith and living out their personal faith through deeds of love (2 Peter 1:3-4; 1 Corinthians 6:19; Galatians 5:6). Southeastern intends to equip men and women of God to become wise, merciful counselors, thoroughly and completely equipped to minister both God’s grace and truth.

We believe that counseling is a part of the local church’s mission to make disciples and to teach them to obey the Lord, and is therefore best practiced under the authority of a local body of believers. Our primary goal is to play an active part in restoring to our churches’ practical biblical wisdom in the care and cure of souls. Counseling is a ministry of God’s Word, a type of individualized discipleship, which in concert with the other ministries of a church facilitates the process of sanctification for each member and the subsequent purification and strengthening of the Body of Christ (Matthew 28:19-20; 2 Corinthians 3:18; Hebrews 12:14; 1 Thessalonians 5:14; Romans 15:14).

The Seminary’s counseling program intends to prepare students to counsel from within the framework of a biblical anthropology, developing a biblical, God-related understanding of human problems, and implementing truthful, graceful, timely, relevant, and practical Christ-centered methods of problem solving and change (Psalm 1:1-2; Hebrews 4:12-13). In addition, we believe the character of the counselor and the quality of the relationship between counselor and counselee are as important as practical skill. Christ-likeness, relationally manifested through the fruit of the Holy Spirit (Galatians 5:22-23; James 3:13-18), is the ideal for the counselor and the goal for the counselee. The ultimate goal of all aspects of the counseling relationship is to glorify God (1 Corinthians 10:31; Colossians 3:17).

While biblical counselors can benefit from the empirical findings of the human and medical sciences, we believe the Bible is the only infallible source for counseling theories and models. Our perspective is that the theories, practices, and institutions of the secular mental health establishment are not essential for constructing a Christian counseling model or for providing an effective cure for the soul, psyche, or mind. Particularly in the counseling domain, secular and naturalistic personality theories and psychotherapies are fundamentally flawed because they excise the God of the Bible from the human equation (Psalm 10:4; Psalm 14:1; Proverbs 28:26).

Degree Description

The M.Div. B.C. is better preparation for those with long-term local church ministry goals. The M.A. in B.C. is for those who will be specializing primarily in vocational counseling ministries. Pastoral candidates seeking a specialization in counseling ministries are advised to complete both the M.Div. following the Pastoral Ministry track and the M.A. in B.C. The Registrar can help a student design a program of study leading to the completion of both degrees.

Students seeking professional licensure will need to complete additional hours of academic and practical training beyond those offered in either the M.Div. B.C. or the M.A. in B.C. degrees. Southeastern also offers several courses that are intended to be a part of the preparation for state-approved professional board licensure or certification. Course requirements vary from state to state, so the student is responsible to be aware of their state’s criterion and to take the courses that are necessary for that particular licensing or certifying board. These courses are not necessary for the degree (although they may be used to fulfill an elective requirement). We do not believe it is necessary or prudent for church-based counselors to be licensed by state-approved professional boards. The purpose of these courses is to prepare students for missional engagement with the mental health culture, not merely for the private practice of counseling. We recommend that those who desire to pursue these optional courses discuss this with a SEBTS counseling professor to evaluate the student’s vocational objectives and make sure they are consistent with our program philosophy and goals.

Admission Requirements

Admission to this program is limited to persons holding a Bachelors degree or its equivalent who also meet all other admission requirements for the seminary.

Degree Requirements
Master of Arts in Biblical Counseling (M.A. in B.C.) students complete 30 semester hours of core studies, 30 specialty hours, and 3 elective hours for a total of 63 credit hours with an overall GPA of 2.0 or better.

Graduate Degree Programs

M.A. (Christian Ethics)
The Master of Arts (Christian Ethics) is a Seminary program providing specialized academic training that prepares men and women to impact the culture for Christ through prophetic moral witness and service in a variety of settings.

Some choose this program to enhance qualifications for further academic study. Most, however, choose this program to add focus to preparation for ministry in the local church, on the mission field, in denominational service, or to prepare for parachurch ministry.

The M.A. (Christian Ethics) can be completed in two years alone, or completed as a supplement to the M.Div. (comparable to Southeastern requirements) with one additional year of study. This degree is not a substitute for the M.Div. Taken alone, the M.A. (Christian Ethics) does not provide adequate preparation for ministry positions involving preaching, church administration, or pastoral responsibility.

Admission Requirements
Application for admission should be made at least 60 days prior to matriculation. Persons enrolled in another Seminary degree program must notify the Director of Admissions, the Registrar and the Program Administrator.

Admission to this degree program is based on the following application elements:
1. A set of completed standard application forms and an M.A. (Christian Ethics) application form
2. Minimum 3.0 GPA in an accredited baccalaureate degree program. Applicants with degrees from colleges or universities outside the United States will be considered on an individual basis.
3. Five references (non-family): 1 pastor; 2 personal character; 2 academic
4. A graded research paper from a graduate or undergraduate course, or the GRE Writing Assessment
5. Applicants for whom English is a second language must achieve a minimum TOEFL score of 600 or present an equivalent demonstration of ability to read and write English at a graduate level.

Degree Requirements
The Master of Arts (Christian Ethics) is awarded based on satisfactory fulfillment of the following requirements.

Courses: Candidates must complete 42 semester hours of classroom study and six hours of guided research and writing. Students who have taken a required course while earning another degree may substitute another course in ethics or a cognate field.

Candidacy: Students will be recognized as candidates after completing 12 semester hours of graduate study with a cumulative GPA of 2.5 (on a 4.0 scale) and removing any entrance deficiencies. Screening for candidacy will be done by a committee consisting of faculty in the Christian Ethics department.

Major Professor: Students admitted to candidacy will be assigned a major professor who will advise, write the comprehensive exam, and serve as chairman of the candidate’s thesis examining committee.

Thesis: Candidates must complete a Master’s thesis on a subject approved by the major professor. Acceptable theses must demonstrate a student’s ability to think critically and conduct independent research. Theses should have at least 90 and should not exceed 120 pages of text (double-spaced). Theses will be read and approved by the major professor and at least one other faculty member competent in the field of Christian ethics.

Comprehensive Exam: Candidates must take a 3-hour comprehensive exam in the field of Christian ethics, which will be scheduled during or after the final semester of coursework. Satisfactory completion of the comprehensive exam will be voted by a committee consisting of faculty in the Christian Ethics department.

Continuous Enrollment: Students in the M.A. (Christian Ethics) program must maintain continuous enrollment until completing all degree requirements. After completing all coursework, candidates will be charged a continuation fee each semester they remain enrolled. Two years after completing coursework, the continuation fee will double. Students not paying the continuation fee will be dropped from the program.

Master of Arts Core 30
M.Div. students overlapping hours will have 6 elective hours that may be taken in any cognate field.
Students pursuing an M.A. Christian Ethics must take ETH 5100 Ethics: Theory and Practice for their Core requirement.

Christian Studies Summative Evaluation and Oral Exam 3

IND 7530 M.A. Summative Evaluation 3

Students should register for the summative evaluation during their final semester in the program. Reading lists for the exam are provided upon registration. The requirements will include chapel attendance, class attendance as specified, and other campus-based academic activities. Students from off-campus locations will arrive on Monday, participate Tuesday through Friday, and return home on Friday afternoon.

An exit interview (oral exam) will be conducted with each student. The oral interview will examine the student over the reading and the coursework taken for this degree. The summative evaluation will be scheduled through the registry as a part of the application for graduation. Students who are resident on-campus for one or more semesters will not have the special required week of campus activities but will receive a reading list and will participate in the oral exam at a time to be determined in consultation with the Registrar.

Master of Church Music

The purpose of the program of studies leading to the degree, Master of Church Music, is to equip persons for the ministry of music, usually in a local church. The program is designed to be completed within a minimum of two academic years, beginning with a fall semester.

Admission Requirements

Based upon The Association of Theological Schools accrediting requirements, persons seeking admission to this program should (a) possess a baccalaureate degree approved by the National Association of Schools of Music or (b) meet the standards of the bachelor of music degree as prescribed by NASM. Students not possessing an undergraduate degree in music will qualify for admission into the program via criterion (b) above by completing the Church Music Diploma offered by Southeastern College. In further accordance with ATS accrediting requirements, Southeastern Seminary is required to administer placement exams of all graduate applicants to the M.C.M. program. If deficiencies are indicated, remedial work will be required without graduate credit.

Each entering M.C.M. student will be required to take placement exams in the following areas: Theory/Harmony, Sightsinging / Ear Training, Orchestration, Music History, Form and Analysis, and Conducting. Results from these tests will determine whether the student has demonstrated competence in these areas. If competence is not demonstrated on the placement exams within the first semester after admission, courses in these areas (MUS 0010, MUS 1501, MUS 1502, MUS 1503, MUS 1504, MUS 2510, MUS 2511, MUS 3503, MUS 3501, and MUS 3520) must be taken for no graduate music credit.

Upon entrance into the program, the student will sing or play for the music faculty during the orientation period a piece of representative repertoire in his/her chosen performance skill area. An accompanist will be provided if necessary. This hearing is not an audition, per se. Rather, it is an opportunity to demonstrate one's level of accomplishment and competency in his/her chosen skill area.

During this initial orientation period, students will also demonstrate undergraduate level piano proficiency (vocal and instrumental students) and undergraduate vocal proficiency (keyboard and instrumental students). If remediation is recommended for the above skills, Music Students are required to be enrolled in class voice and / or piano lab until undergraduate voice and piano proficiency is passed. Students not prepared to meet the keyboard proficiency requirements upon entrance to the program are required immediately to enroll in the non-degree credit course MUS 5534 Piano Class and remain enrolled in Piano Class until the proficiency requirement is met. Students may not register for secondary applied study until proficiencies are passed.

Degree Requirements

Students must complete 30 semester hours of Foundational Core studies, 17 semester hours of Church Music Core courses, and 17 semester hours of Specialization courses as prescribed. At the time of admission, the student’s proficiency in music will be evaluated by the faculty for the purpose of designing an individualized program of study. As a part of applied study in voice/instrumental/keyboard, each MCM student will present a terminal project/recital.

Music students, regardless of specialization, are required to complete a proficiency requirement in either voice or piano based upon their main performance skill area.

In addition to piano and vocal proficiency, all M. C. M. students must complete a sight-singing/ear-training proficiency, unless they pass the Placement Test in this area. Further information about the recital and proficiency requirements is available in the “Handbook for Church Music Students” issued during orientation.

The M.C.M degree requires the completion of 64 semester hours of credit with an overall GPA of 2.0 or better. Not more than ten additional semester hours may be taken to make up a deficiency in quality points that are required for the M.C.M degree. Up to 10 hours of Advanced Standing without Credit is available to students who have completed theology and church music courses during their undergraduate study which might be replicated on the master’s level. Advanced Standing without Credit is obtained via a combination of successful completion of undergraduate study in the same course content (earned grade of “A” or “B”) and an Advanced Standing exam which may be either oral or written. Advanced Standing exams are administered by the relevant music faculty members. Students may bypass up to 7 hours of graduate church music course work, the total amount of Advanced Standing without credit not to exceed 10 hours in accordance with ATS accreditation standards.
Candidates for the M.C.M. degree are required to consult with a Church Music faculty member in planning their programs of study in order to accomplish the objective of the program within two years of full-time attendance and course work. In their final semester of study, M.C.M. students will have an exit interview conducted by the music faculty.

Master of Theological Studies

The Master of Theological Studies is a basic Seminary program of study and research for international students who have already completed an initial undergraduate degree in theological studies. The purpose of the program is to train men and women from outside North America to be leaders within various national and international Christian ministries.

Admission Requirements

This degree is available to international students with a B.Th. or a similar degree. Transcripts or other official documentation of all post-secondary coursework must be provided to the Seminary’s Admissions Office. All other requirements for general admission to the Seminary must also be met.

Program Design

The M.T.S. at Southeastern is a general theological studies program permitting some academic specialization. Transcripts for the B.Th. that do not show satisfactory completion of an appropriate range of courses (based on the M.Div. core requirements at Southeastern) may lead the Registrar to require remedial work without reducing the course requirements for the M.T.S. program. At least half of the 48 hours required for the M.T.S. program must be under the direct supervision and tutelage of members of Southeastern’s regular faculty. A Supervisory Professor will be selected for each student. Biblical and theological requirements are supplemented by electives in several areas of possible specialization. These electives should be chosen in consultation with the Supervisory Professor. The research project is approximately 50 pages, directed and approved by the Supervisory Professor in consultation with the Director of Professional Studies and Distance Learning.

With a 2.5 or better cumulative GPA on all Southeastern coursework and with additional Master’s level work leading to an M.Div. advanced standing equivalency (including biblical languages), applications could be made to the Th.M. program of the Seminary in the field of concentration indicated by a high quality M.T.S. research project. Students should complete their research project by the end of their final semester of class work or no later than three months after completion of their final class.

Specialty Selectives

At least two elective courses must be taken in the specific field that will be addressed in the research project.

M.T.S. Research Project

The student and the Supervisory Professor will seek approval for the topic for the M.T.S. Research Project by filling out a Project Approval Form with the Director of Professional Studies and Distance Learning at least by the beginning of the final semester of the student’s program. The project must address a significant topic and must conform to the Turabian style manual (6th edition) and to the Southeastern Supplement to Turabian and must contain a substantial bibliography. Technical style and format follow the same guidelines as those established for Southeastern’s Th.M. theses. The project must be presented to the Supervisory Professor for grading at least 30 days prior to the anticipated date of graduation. Four corrected copies on dissertation quality paper stock are delivered to the library at least 15 days prior to graduation. M.T.S. Project Reports are bound, filed in the seminary archives, and listed in the library catalog as unpublished materials. If this research project is subsequently published by the student, a copy of such publications should be donated by the student to Southeastern’s library.

Certificate in Missions Studies

The Certificate in Missions Studies is designed for students who are not seeking a degree, but desire a basic theological background for international ministry. The International Mission Board does not require a specific curriculum for career appointment, but Southeastern encourages those who need 20 or more seminary hours prior to IMB appointment to follow this directed course of study.

For those students who begin the Certificate and later wish to pursue a degree, the Certificate Requirements feed directly into the M.A. in Intercultural Studies.

Admissions Requirements

Students must complete the non-degree application process.

Advanced Degree Programs
Doctor of Philosophy

The purpose of the Seminary’s Doctor of Philosophy (Ph.D.) program is to prepare men and women for service in ministries of teaching and academic research. The program also meets the needs of pastors who serve in settings that demand specialized academic training.

The Ph.D. degree is an advanced academic research degree in the major fields of Biblical Studies, Theological Studies, Applied Theology, and Cross-Area Studies.

The Ph.D. program requires a minimum of three academic years (6 semesters) of full-time study. Actual completion time is often four or more years. The program must be completed within 7 years. The program requires a minimum two-year residency prior to the dissertation stage. Seminars meet on a weekly basis during the Fall and Spring semesters. Continuous enrollment is required with fees paid each semester (fall and spring) until graduation. Continuous enrollment may be waived for international field-based missionaries under career appointment through the Southern Baptist International Mission Board. A Cohort Ph.D. in Applied Theology with a concentration in Missions is now available for IMB missionaries serving overseas. For more information on this degree, please contact the Ph.D. Office.

Admission Requirements

Admission to the Ph.D. program is selective and is offered only to students who have demonstrated the intellectual ability, preparation, and motivation to perform academically at the highest level. Enrollment in the program is limited to applicants who, in the judgment of the faculty, appear best qualified and most capable of using the resources that the seminary provides. The following pre-application requirements are for self-screening purposes and only establish the opportunity to apply to the Ph.D. program.

Pre-Application Requirements

1. M.Div. or first graduate professional degree providing an equivalent theological background and educational equivalent of Southeastern’s M.Div. degree. Note that many M.Div. do not require certain core courses which are prerequisite to entrance into the Ph.D. program at Southeastern. Applicants with M.A. degrees must attain M.Div. equivalency to be considered for admission. The determination regarding M.Div. equivalency is made by the Director of Ph.D. Studies in consultation with the Senior Vice President for Academic Administration. The following Ph.D. Prerequisite/M.Div. equivalency chart applies to all Ph.D. applicants:

   | Hebrew I       | Hebrew II      | Church History I | Church History II | Baptist History | Christian Theology I | Christian Theology II | Christian Theology III | Christian Philosophy | Christian Ethics2 Electives in |
   | HEB 5110       | HEB 5120       | HIS 5110         | HIS 5120          | THE 6110        | THE 6120          | THE 6130               | PHI 5100              | ETH 5100              | anticipated Ph.D. area |

2. 3.25 GPA (minimum) on a 4 point scale. GPA is calculated from transcripts of all graduate and professional-level study. Admission is competitive; higher GPA is favored.

3. If the student’s first language is not English, a TOEFL score of 600 minimum (250 for the computer-based exam or 100 for the internet-based test) or an equivalent demonstration of the ability to read, write, and do academic research in Standard English is required.

4. Students are required to take the MAT (Miller Analogies Test).

Application Elements

Interested candidates who meet the pre-application standards listed above may request application forms from the Office of Ph.D. Studies, Southeastern Baptist Theological Seminary, P.O. Box 1889, Wake Forest, NC 27588-1889. The Office of Ph.D. Studies may be reached by phone at 919-761-2491. Applicants can also download most application materials from Southeastern’s Ph.D. web site (http://sebts.edu/phd/admissions).
Prospective students should apply in Biblical Studies, Theological Studies, Applied Theology, or Cross-Area Studies and indicate their anticipated area of concentration. Applications must be completed prior to taking the entrance exam. The items listed below are necessary for an application to be complete:

1. Application Form with application fee containing a waiver of student access to application files and to privileged knowledge of the decision-making process
2. Church Recommendation Form (current)
3. References (non-family): 2 academic (with at least one from the student’s anticipated field of study); 1 pastor; 2 character references
4. Official transcripts for all graduate and undergraduate study
5. MAT scores from testing within one year of the date of application
6. Mentor Request Form including a rationale for undertaking study in the proposed area of concentration and a request to work under the guidance of a specific major professor. It is required that the applicant contact a prospective major professor prior to submitting the application.
7. Graded research paper from a graduate-level course. The research paper should demonstrate the applicant’s research and writing ability and include footnotes and bibliography.
8. Medical Forms and Immunizations
9. Entrance exams which allow the applicant to demonstrate an adequate knowledge of M.Div.-level content. Those applying in the field of Biblical Studies or Biblical Theology are required to pass a Hebrew or Greek examination.

The Office of Ph.D. Studies may request additional information from the applicant.

For specific financial information, please refer to the section on Tuition and Fees.

Program Elements

The Ph.D. program at Southeastern is designed to assist the student in gaining the following: (1) proficiency in research and writing; (2) understanding of the philosophy and methods of teaching at college and seminary levels; (3) breadth of knowledge of the literature in the student’s major field of study; (4) depth of knowledge and skill in the student’s area of concentration; (5) reading proficiency in at least two research languages; (6) ability to think across traditional disciplinary boundaries. The Ph.D. program is accordingly comprised of the following elements:

Instruction in Research and Teaching
At the beginning of the program, students complete a one credit hour “Introduction to Research” course. This course offers a systematic introduction to academic research and writing. Students also complete a one credit hour “Teaching in Higher Education” course during residency. This course offers a systematic introduction to the philosophy and methods of college and seminary teaching.

Integrative Seminar
First-year students participate in a two-semester integrative seminar led by the program director and invited faculty. The seminar meets monthly and addresses topics such as postmodernism, the relationship between the Testaments, historical method and other issues of contemporary relevance and cross-area concern.

Graduate Seminars
Students must take at least four seminars in their area of concentration. If less than four are available, they must take all the seminars that are offered plus confer with their major professor about acceptable cross-area seminars.

Examination
Each student must pass a written and oral comprehensive examination in the concentration (New Testament, Old Testament, Systematic Theology, Church History, etc.), to be taken at the end of the residency, that is, following successful completion of all course and language requirements. Passing these exams qualifies the student for doctoral candidacy.

Mentorship
The Ph.D. program includes a mentorship; that is, a focused series of interactive academic meetings including personal tutoring in the field by the student’s major professor. The professor meets with the student regularly and frequently to provide academic direction and advice as the student develops increasing depth and skill in the area of research interest, preparing for the comprehensive exams at the end of residency. The mentorship also leads to the successful preparation of a dissertation prospectus.

Language Proficiency
All Ph.D. students are required to demonstrate proficiency in two research languages (normally German and one other language). In appropriate cases, the student will qualify with one research language and demonstrated competency in social
science research techniques (e.g. research and statistics). It is recommended that proficiency in at least one research language be demonstrated before beginning coursework in the program.

The student must demonstrate proficiency in at least one research language before commencing his or her second year of study. The student must demonstrate proficiency in a second research language before taking the comprehensive exams. Proficiency must be demonstrated by passing language examinations offered by the seminary.

**Dissertation**

Production of a dissertation that makes an original contribution to the student's academic field is the final stage in the Ph.D. program. Preparation of a dissertation prospectus normally begins during the mentorship stage of the student's program, though submission must follow successful completion of written and oral comprehensives.

**General Information**

Entrance exams are normally scheduled for January and July or August. The Office of Ph.D. Studies will provide information on the exact dates each year. Admissions decisions are normally made by April or September. An initial fee is due within 30 days after receipt of the acceptance letter to confirm one's entrance into the program. New Ph.D. students begin their studies with the “Introduction to Research” course. The Office of Ph.D. Studies reserves the right to cancel “Introduction to Research” if there are not enough students in a given semester. In this case, the incoming Ph.D. students may take seminars without “Introduction to Research” but must take “Introduction to Research” the next time it is offered.

Applicants who are not accepted into the program may reapply no earlier than one year after their last application. Applicants who are twice unsuccessful must make a new, updated application including a statement of any and all special circumstances that would have significantly enhanced the applicant's qualifications to be considered in a later admission cycle.

Courses taken prior to entering the Ph.D. program at SEBTS are not repeatable nor transferable into the Ph.D. program at Southeastern. Up to two (2) seminars from other Ph.D. or equivalent research-based doctoral programs may be considered for transfer. The Director of Ph.D. Studies, if necessary in consultation with the Ph.D. Studies Committee, will make all determinations regarding transfer of course credit into the Southeastern Ph.D. program.

Students in the Ph.D. program must earn a grade of “B” or above to receive credit for any graded element in the Ph.D. program. Students may be dismissed from the program if they make one or more C’s, if they fail to meet language proficiency or residency requirements, if they commit plagiarism (see General Academic Policies), or if in the judgment of the Ph.D. Studies Committee they at any time fail to show satisfactory progress in the program. Deadlines and calendar dates for various program elements are found in the seminary's academic calendar.

For explanation or clarification concerning the status of one's application or concerning any aspect of the Ph.D. admissions process the applicant should consult the Office of Ph.D. Studies. Questions regarding program requirements should be directed to the director. For a more complete explanation of requirements and guidelines relating to the Ph.D. program, the current Ph.D. Student Handbook may be consulted.

Doctor of Education

The purpose of the Seminary’s Doctor of Education program is to prepare men and women through rigorous academic study for service as leaders in denominational ministry, as teachers in colleges or seminaries, and as educators or administrators in local churches or Christian schools.

In our mission to equip students to serve the church and fulfill the Great Commission, Southeastern Baptist Theological Seminary has long recognized the importance of preparing qualified educators to pursue their calling. Southeastern continues to maintain a selection of degree programs focused on professional educators including the MDiv with Christian Education, the MA in Christian Education, the MA in Christian School Administration, and the BA in Biblical Studies and Christian Teacher Education. The addition of the Doctor of Education degree completes a full complement of academic training by providing a terminal degree program for those students called to the ministry of Higher Education.

Graduates of this degree program will be able to apply biblical concepts and educational theory in their chosen area of ministry. Graduates will also demonstrate competence in research skills necessary for guiding future research and problem solving. They will demonstrate leadership skills and administrative concepts needed in a variety of organizational settings and demonstrate teaching skills suited for both ministry and academic environments. Finally, graduates will be able to integrate insights from current research in human growth and development and learning theory to design effective educational models and programs.

Pre-application Phase

The pre-application phase includes a pre-application form available from the Doctor of Education office, a professional resume, and official transcripts from each academic institution you have attended beyond high school mailed to the Doctor of Education Office directly from each institution(s). Once these items are completed and considered by the Ed.D. Admission Committee, a full application form will be sent by mail.

Full Application Process

The items listed below are necessary for an application to be complete:
1. The application form and applicable non-refundable fee: new applicants $50, re-applicants $25. Please make checks payable to SEBTS – Admissions.
2. A church affirmation and recommendation form is to be filled out by the church of current membership.
3. Recommendations from three persons who have known the applicant longer than one year. Recommendations should include one academic source, one clergy source, and one additional source.
4. A printed autobiography, 2-3 pages in length, documenting conversion experience, spiritual pilgrimage, call to ministry, and life experiences. This autobiography should include information on ministerial experience, spiritual growth, calling, and significant life events (such as marriage, physical and emotional illness, or divorce, and reasons for choosing Southeastern Seminary).
5. A printed statement of how this degree will complement the applicant’s professional goals.
6. Miller Analogies Test (MAT) scores.
7. Applicants must successfully complete (minimum grade of B) a graduate-level class in statistics in order to fulfill the language requirement and assure adequate preparation for the course in statistics included in the program.
8. A master's degree in education or related fields from other accredited institutions will be accepted. Admission will require a minimum 3.25 GPA requirement in addition to an acceptable score on the MAT. However, for those students who did not have biblical studies background in their graduate program, a biblical core of 12 hours will be required prior to matriculation in the second year of the program. The biblical studies core consists of 12 hours composed of New Testament Survey (3 hours), Old Testament Survey (3 hours), Systematic Theology (3 hours), and Baptist History (3 hours). The same option applies to the statistics requirement. Those students lacking course work in Christian education may be given additional requirements.
9. Applicants must submit a 3-5 page paper on their personal philosophy of education.
10. After receiving all application materials the Ed.D. Committee may request an interview.
11. The Ed.D. Admission Committee will notify applicants of their admission status within 60 days of receiving their completed application.

Additional information may be obtained from the Doctor of Education Office, Southeastern Baptist Theological Seminary, P.O. Box 1889, Wake Forest, NC 27588-1889. An application information sheet and check list will be provided to guide the student in completing the application.
Degree Requirements
The Doctor of Education program is designed to be completed in three years. The curriculum for the first two years requires 48 semester hours. Of these 48 hours, 41 are in the classroom, while the remaining 7 semester hours will involve the student in mentorship and guided research and the dissertation prospectus. The third year requires 12 semester hours of dissertation work.

Students will take all classes on campus at Southeastern Seminary during two week-long sessions each semester, during January term, and during summer sessions. The first session occurs early in the semester after initial assignments have been completed. The second session occurs later in the semester to advance the student’s understanding of his/her research and course content and to provide summative experiences.

Integrative Seminars
Integrative Seminars are designed to be a forum for doctoral students and faculty where issues and developments in the ministry of Christian education and leadership are explored.

Students are required to take 6 hours of integrative seminars. Both of these seminars will be taken in Christian education or the student may elect to take a seminar in the Ph.D. program.

In order for a student to receive credit for a research seminar, the student must earn a B (3.0 on a 4.0 scale). Any grade below a B results in loss of credit for the course and the student is placed on probation after a review of the student's status by the Doctor of Education Committee. An additional research seminar grade below a B during the following semester may result in termination from the program.

Advanced Statistics
Graduate studies in empirical research methodologies, statistical analysis, and computer applications serve as substitutes for foreign language studies in the Doctor of Education program. Actual foreign language studies are not ordinarily required unless mandated by the dissertation research topic.

Mentorship
The Ed.D. program includes a mentorship; that is, a focused series of interactive academic meetings including personal tutoring in the field by the student’s major professor. As this process takes place, the professor interacts with the student to provide academic direction and advice as the student develops increasing depth and skill in the area of research interest.

Comprehensive Examinations
Comprehensive exams will consist of twelve hours of oral and written examinations following the completion of all course work and prior to advancing to candidacy. Six hours of the exam will be related to core requirements and 6 hours related to the area of concentration. Testing involving the area of concentration will be designed by the student's major adviser.

Specialized Studies Courses
Students must complete 6 hours of course work related to their area of academic interest. These classes may include doctoral seminars at SEBTS. In addition, the Doctor of Education Committee may approve one doctoral-level course at another regionally accredited institution. Students who take courses at institutions other than SEBTS will pay fees and tuition charges prescribed by the host institution. If the student is simultaneously taking courses for credit at SEBTS, the student also will pay the seminary registration fees.

The student is responsible for requesting that an official transcript of coursework taken at other institutions be sent to the Registrar's office at SEBTS. No student will be cleared to take Comprehensive Examinations until the official transcript(s) have been received and evaluated by the Doctor of Education Committee at SEBTS.

Dissertation
Production of a dissertation that makes an original contribution to the student’s academic field is the final stage in the Ed.D. program. Preparation of a dissertation prospectus normally begins during the mentorship stage of the student’s program, though submission must follow successful completion of written and oral comprehensives. The prospectus specifies the title, the proposed method, content of research, and demonstrates that the resources necessary to successfully complete the dissertation are available to the student.

In order to graduate with a Doctor of Education, the student must complete 60 hours of study as follows:

Doctor of Ministry

The purpose of the Seminary’s Doctor of Ministry program is to equip the student for the practice of ministry at a high level of professional competence. The program provides opportunities for advanced study in intensive seminars, courses, and field settings. It combines academic study and experiential learning under faculty and field supervision to integrate theology and practice.

Admission Requirements

Pre-application: The applicant will be interviewed by the Director to receive counsel about the program and the admission criteria in order to determine the prospect for acceptance into the program. The interview may be conducted by telephone or by a visit with the director and will be scheduled upon receipt of a completed pre-application form, a professional resume, and official transcripts of undergraduate and Master of Divinity or equivalent work from a recognized accredited school.

Admission Criteria

Graduates of accredited colleges or universities who have also earned the Master of Divinity degree or its equivalent with distinction and have otherwise demonstrated aptitude for academic work on the doctoral level may apply for admission to the program of studies leading to the Doctor of Ministry degree.

In the judgment of the faculty, the D.Min. program is most effective when the students bring to it a period of experience in ministry that follows the attainment of the first professional degree. Students should have three years of full-time post-M.Div. ministry experience prior to beginning the D.Min. program and must be continuously engaged in some type of Christian ministry during enrollment. The program of study required for the D.Min. degree will be no fewer than three academic years.

Admission to the Doctor of Ministry program is determined by an evaluation of the applicant’s academic ability and potential for excellence in ministry. Decisions on admission to the program are made by the Director and the Committee on Doctor of Ministry Studies.

Academic ability is assessed on the basis of transcripts of all college, seminary, and graduate divinity school work, and on the basis of performance on the Miller Analogies Test and any other tests the Director and the Committee on Doctor of Ministry Studies consider appropriate.

Potential for excellence in ministry is assessed on the basis of a letter of recommendation from the applicant’s church; references from at least five persons acquainted with the applicant’s ministry; and an essay describing one’s Christian experience, calling, ministry service record, and goals in pursuing the Doctor of Ministry degree.

Application to the D.Min. program must be approved at least 90 days prior to the matriculation date.

Additional information may be obtained from the Doctor of Ministry Office, Southeastern Baptist Theological Seminary, P.O. Box 1889, Wake Forest, NC 27588-1889. The Doctor of Ministry Office may be reached by phone at: 919-761-2216.

Degree Requirements

Each student for the Doctor of Ministry degree works with a supervisory committee which consists of two faculty members and a field mentor. The chair of the committee shall be an elected faculty member. The student is assigned the chair following the admissions process, and once admitted, the Director confers with the student in completing the supervisory committee.

In order to continue in the program and to be awarded the degree, the student must maintain an academic average of at least 3.0 on a 4.0 scale. Additional hours beyond those taken to meet the requirements outlined below may not be taken to bring up the academic average to the required level. Students are required to maintain continuous enrollment. Any exception to this rule must be approved by the Director and the Dean of the Faculty. Transfer of credit from other accredited D.Min. programs or post M.Div. programs will be considered by the Director on a case-by-case basis. Minimally, all transfer students must satisfactorily complete at least 14 credit hours of D.Min. work at Southeastern, including the Ministry Project and Project Report (6 credit hours), two intensive seminars (6 credit hours), and the Research Methods and Project Proposal Workshop (2 credit hours).
Fees for the program are based upon a per hour tuition rate along with an initial non-refundable deposit and admission fee. For more information please contact the Office of Professional Studies or Accounting Services. The D.Min. course of study is designed to be completed in three years. Enrollment beyond three years require the consent of the Director and the chair of the supervisory committee. Continuous enrollment and extensions may be granted with additional fees. In no case shall the program extend beyond six years from the date of admission (exceptions are made for missionaries under appointment with the Southern Baptist International Mission Board.)

**Curriculum Design**

Applicants in the Doctor of Ministry Program will select a vocational emphasis and be assigned to a cohort team made up of other students in that emphasis track. Upon admission, the student will participate in the curriculum with his or her cohort throughout the course of study in the selected ministry competence. The vocational emphases are:

- Doctor of Ministry with Christian Leadership (DMN 8600 Cohort)
- Doctor of Ministry with Expository Preaching (DMN 8900 Cohort)
- Doctor of Ministry with Missions, Evangelism, and Church Growth (DMN 8800 Cohort)

The Doctor of Ministry program requires a total of 32 hours including 12 hours of intensive five day, on-campus seminars, 12 hours of Contextualized Learning Experience courses completed from the ministry field with significant online components, 2 hours of Research Methods and Project Proposal Workshop completed in an on-campus format, and 6 hours of supervised field experience in the Ministry Project and Project Report.

**Intensive Seminars**

The seminars are presented in four, five-day courses designed for each vocational emphasis. Each course offers 3 hours credit. The seminars provide the student a cohort peer learning experience with fellow students as well as interaction with faculty and guest facilitators. The seminars are offered in five-day sessions during inter-terms. The student is a resident on the campus with access to faculty, library, and other Seminary resources.

- DMN 8x01 Theoretical and Foundational Issues 3
- DMN 8x02 Biblical and Theological Foundations 3
- DMN 8x03 Historical and Contemporary Models 3
- DMN 8x04 Practical and Strategic Issues 3

**Contextualized Learning Experience**

The CLE course requirements are accomplished from the student’s field of ministry between the on-campus seminars. Each course contains an online component to maintain interaction between the student, cohort, and faculty. Each course offers 3 hours credit. The course assignments correspond to the previous and upcoming seminars as well as application of content to the ministry context, and research and preparation for the final project and project report.

- DMN 8x11 Contextualized Learning Experience in (Emphasis Track) I 3
- DMN 8x12 Contextualized Learning Experience in (Emphasis Track) II 3
- DMN 8x13 Contextualized Learning Experience in (Emphasis Track) III 3
- DMN 8x14 Contextualized Learning Experience in (Emphasis Track) IV 3

**Research Methods and Project Proposal Workshop**

DMN 8141 Research Methods and Project Proposal Workshop 2

This workshop will be conducted in a three-day format the Thursday, Friday and Saturday prior to seminar 3. The workshop will provide the culmination of prior CLE assignments related to the project and project report as well as provide the necessary instructions for conducting the project and writing the report.

**Supervised Field Experience: Ministry Project and Report**

DMN 8151 D.Min. Ministry Project and Project Report Writing I 3
DMN 8152 D.Min. Ministry Project and Project Report Writing II 3

The student submits a Ministry Project proposal to his or her supervisory committee following the workshop. Upon acceptance, the candidate begins his or her project requiring a minimum of fifteen weeks under the supervision of the committee. The candidate begins meeting monthly with his or her field mentor and faculty supervisor. Final draft copies of project report must be submitted to the supervisory committee at least 90 days before graduation, following a calendar established with the committee.

**Total Hours**

Total Hours: 32

Candidacy for the D.Min. degree is declared when the student has completed the 12 hours of intensive seminars, the 12 hours of Contextualized Learning Experience, the 2 hours of Research Methods and Project Proposal Workshop, has maintained at least a 3.0 grade point average, has an approved Ministry Project Proposal, and has the approval of the supervisory committee.
for candidacy. Candidacy permits the student to begin the 6 hours of supervised field experience in the ministry project and in
the writing of the project report.

The ministry project shall require a minimum of 15 weeks under the supervision of the committee. The candidate submits
monthly reports to the supervisory committee chair. The field mentor also submits a monthly report to the committee and to
the candidate.

Upon completion of the project, the candidate writes and submits a copy of the final draft of the Doctor of Ministry Project
Report to each member of the supervisory committee at least 90 days before graduation following the calendar established with
the committee. The committee will then review the report and meet with the candidate for an oral evaluation. The project and
the report are graded on a pass-fail basis. Committee approval of the report is required before credit is granted. Such approval
should be achieved no later than the catalog deadline for submission of the report for binding or else an extension may be
necessary and graduation may be delayed. Extensions in enrollment require additional fees.

Four copies of the Project in Ministry Report in final approved form should be submitted to the director. The copies must
conform to the regulations provided by the director. The copies of the report must be in the Library for binding 15 days prior
to graduation.
Master of Theology

The purpose of the Seminary’s Master of Theology degree program is to provide the post-M.Div. student with an opportunity for advanced guided research in a special area of theological study. Some students choose this program to enhance their academic qualifications for post-graduate or doctoral studies. Other students choose this program primarily to extend their preparation for ministry in a local church, on the mission field, or in other positions of denominational service. The Th.M. is designed to build leaders through personal mentoring by the faculty. The Th.M. Program has a thesis and a non-thesis option; students should consult with a faculty adviser or the Coordinator of the Th.M. program to determine which option best meets their academic goals.

Master of Theology

Admission Requirements

Only graduates of accredited colleges and universities who have also earned the M.Div. degree or its equivalent (as determined by the Seminary) from an accredited institution may apply for admission to the program of studies leading to the Master of Theology degree.

Admission to this program requires facility with two foreign languages. Students majoring in theological or applied studies may partially fulfill this requirement with either Greek or Hebrew, while students majoring in biblical area must fulfill this requirement with both biblical languages.

Satisfaction of one of the language requirements can be achieved concurrently with the student’s course work in the Th.M. program. Language requirements must be completed prior to approval of the Th.M. Guided Research.

Applications for admission to the Th.M. program should be made at least 60 days prior to matriculation. Students normally begin the program June 1, though they may commence in January as well.

M.Div. graduates from Southeastern will follow a simplified admissions procedure. Information regarding the simplified admission process, as well as simplified application forms, is available in the Admissions Office. Applications from non-Southeastern graduates will follow the steps below.

Admission to the Th.M. program is based upon the following application elements:

1. A completed set of application forms, including the Church Recommendation form, Personal Statement, Spouse’s Personal Statement, Divorce form, Medical History, Immunization Record, and Th.M. Application form (and application fee). Applicants must also sign a copy of the “Southeastern Covenant.”

2. A transcript showing the satisfactory completion of the Master of Divinity degree (or its equivalent) is the basic prerequisite. Minimum 3.0 GPA in the M.Div., or its equivalent, is required for application to the Th.M. program.

3. Official transcripts are required from all graduate and undergraduate studies. Southeastern students already have these transcripts on file.

4. Transcript or other evidence of satisfactory completion of all language requirements. Biblical Greek and/or Biblical Hebrew must be completed with an average grade of B or above, or a biblical language competency exam may be required.

5. Five references (non-family): 1 pastor; 2 personal character references; 2 academic (at least one from the field of desired specialization).

6. A graded research paper from the M.Div. program or an equivalent demonstration of research skills and scholarly writing ability is required.

7. Students for whom English is a second language should have a minimum TOEFL score of 600 (100 for the internet-based test) or an equivalent demonstration of ability to read and write in English at the scholarly level. Please note that TOEFL scores must be less than 24 months old to be considered valid by the Seminary.
8. Applicants must complete a Major Professor Request Form in which they designate a possible Major Professor and summarize their interest in the field concentration and their scholarly preparation for their desired specialization. Applicants may be approved only if there is a Major Professor available who agrees to work with the student in the desired discipline of major concentration. Applicants are required to meet with the desired Major Professor, in person or by phone, in order to discuss the student’s academic interests and planned course of study before completing the Major Professor Request Form.

The applicant must waive all rights to privileged knowledge of the decision making process leading toward admission. All references and other evaluative documents will be confidential. The decision of the Admissions Office regarding a student’s application to the Th.M. program, acting officially on behalf of the faculty, will be final. However, an applicant who fails to be admitted may reapply with the same application materials for the following year. A third application requires a complete update of all application materials.

Degree Requirements
The degree, Master of Theology, is awarded based upon the satisfactory fulfillment (minimum 3.0 GPA) of the following requirements. All Th.M. students should consult with their Major Professor to determine the appropriate classes and course sequence that will enable timely graduation.

1. **IND 7500 Bibliographical Research**
   Candidates complete IND 7500 Bibliographical Research in the first two months after admission.

2. **Concentration Electives (Major)**
   Candidates take six hours of masters-level course work in the field of concentration.

3. **Free Electives**

4. **IND 7580 & 7581 Guided Reading I & II**
   Candidates work with their Major Professor to complete IND 7580 and 7581 Th.M. Guided Reading I & II. Guided Reading should be completed prior to enrollment for Guided Research.

5. **IND 7582 Guided Research**
   In the place of a thesis, students in the Th.M. program must complete an acceptable research paper under the supervision of their Major Professor. The title, outline, and research methodology must be approved by the Major Professor at least by the beginning of the final semester prior to graduation, and the student’s final draft must be delivered to the professor no later than 45 days prior to graduation. This paper is to be 40–60 pages in length and must follow Seminary standards in format and style, which is the most current edition of Kate L. Turabian, et al., *A Manual for Writers of Research Papers, Theses, and Dissertations*, The Th.M. Handbook has further details. The paper, when graded by the Major Professor, will be revised and fully corrected and approved by the Major Professor, then certified by the library staff before being copied on thesis-quality paper. Finally, four copies will be delivered to the library for binding no later than 15 days prior to graduation.

6. **Continuous Enrollment**
   Candidates for the Th.M. degree are required to maintain continuous, full-time enrollment until the degree is completed. Fees will be charged each semester, including those semesters during which the Guided Research takes place. Continuous Enrollment is maintained by enrolling for at least one three-hour (3) component of the Th.M. program each fall and spring semester, including during the research stage of the program. Students who fail to complete their research after one semester of enrollment in IND 7582 Th.M. Guided Research (or students who do not wish to enroll in an academic course in a given semester) maintain continuous enrollment by enrolling in, and paying for, IND 7000 Th.M. Continuous Enrollment.

Missionaries under full-time career appointment by the Southern Baptist International Mission Board may receive special consideration regarding the continuous enrollment policy. Students who are appointed by the IMB will need to send an approved copy of the letter of confirmation from the IMB to the Th.M. Office in order to receive a letter of deferment.

**Note on the Th.M. Curriculum**
All Th.M. work is completed at the master’s level, but half of the program credits are taken in courses designed to be at an advanced graduate level. The other half are taken in upper-level M.Div. courses (i.e., courses beyond those required in the M.Div. core or in the standard ministry track). Th.M. students may not repeat coursework previously taken in the M.Div. program.

**Master of Theology with Thesis**

The purpose of the Master of Theology degree program is to provide the post-M.Div. student with an opportunity for advanced guided research in a special area of theological study. Graduates are prepared to teach at the undergraduate level. Some students choose this program to enhance their academic qualifications for further graduate study. Others may choose this program primarily to extend their preparation for ministry in a local church, on a mission field, or in other positions of denominational or other service.

**Admission Requirements**

Only graduates of accredited colleges and universities who have also earned the M.Div. degree or its equivalent (as determined by the Seminary) from an accredited institution may apply for admission to the program of studies leading to the Master of Theology degree.

Admission to this program requires facility with two foreign languages, at least one of which must be a Biblical language: Greek or Hebrew. Students majoring in the Biblical area, however, must have both Greek and Hebrew.

Satisfaction of one of the language requirements can be achieved concurrently with the student's course work in the Th.M. program upon the recommendation of the Major Professor and with the approval of the Coordinator of the Th.M. Program. Language requirements must be completed, however, prior to approval of the Th.M. Thesis prospectus.

Applications for admission to the Th.M. program should be made at least 60 days prior to matriculation. Students normally begin the program June 1, though they may commence in January as well.

Admission to the Th.M. program is based upon the following application elements:

1. A completed set of standard application forms, including the Church Recommendation form, Personal Statement, Spouse's Personal Statement, Divorce form, Medical History, Immunization Record, and Th.M. Application form (and application fee). Applicants must also sign a copy of the “Southeastern Covenant.”

2. Minimum 3.0 GPA on the M.Div. or its equivalent is required. Transcripts are required from all graduate and undergraduate studies.

3. Transcript or other evidence of satisfactory completion of all language requirements. This means the completion of Biblical Greek and/or Biblical Hebrew at the Master's level with an average grade of B or above; or the satisfactory completion of a biblical language competency exam.

4. Five references (non-family): 1 pastor; 2 personal character references; 2 academic (at least one from the field of desired specialization).

5. A graded research paper from the M.Div. program; or an equivalent demonstration of research skills and scholarly writing ability.
6. Students for whom English is a second language should have a minimum TOEFL score of 600 (100 for the Internet based test) or an equivalent demonstration of ability to read and write in English at the scholarly level. Please note that TOEFL scores must be less than 24 months old to be considered valid by the Seminary.

7. Applicants must complete a Major Professor Request Form in which they designate a possible Major Professor and summarize their interest in the field concentration and their scholarly preparation for their desired specialization. Applicants may be approved only if there is a Major Professor available who agrees to work with the student in the desired discipline of major concentration. Applicants are required to meet with the desired Major Professor, in person or by phone, in order to discuss the student’s academic interests and planned course of study before completing the Major Professor Request Form.

The applicant must waive all rights to privileged knowledge of the decision making process leading toward admission. All references and other evaluative documents will be confidential. The decision of the Admissions Office regarding a student’s application to the Th.M. program, acting officially on behalf of the faculty, will be final. However, an applicant who fails to be admitted may reapply with the same application materials for the following year. A third application requires a complete update of all application materials.

Degree Requirements
The Master of Theology degree is awarded based upon the satisfactory fulfillment of the following requirements:

1. Courses and Seminars
A candidate must complete at least 15 semester hours of study chosen from upper-level M. Div. courses and doctoral seminars, with a minimum of 45 quality points earned on these 15 hours (a “B” average). No additional hours may be taken to make up a deficiency in quality points. A maximum of three (3) hours may be transferred from graduate courses at other institutions taken concurrently with or within one year of enrollment in Southeastern’s Th.M. program. Approval of transfer credits must be made by both the Coordinator of the Th.M. program and the student’s Major Professor. Six (6) semester hours must be taken in doctoral seminars, which are open only to Th.M. and Ph.D. students. Th.M. students may not take more than 3 classes in a single semester and no seminars may be taken prior to satisfactory completion of IND 7500 Bibliographical Research. The Coordinator of the Th.M. program may grant exceptions to these rules upon the request of the Major Professor.

2. Major Field
Each Th.M. student must select a Major Field of study (Biblical Studies, Theological Studies, or Applied Theology) in which at least 12 of the required 15 course and seminar semester hours must be completed. Within the field of Biblical Studies students may specialize in Old Testament or New Testament. Within the field of Theological Studies students may specialize in Theology, Philosophy, Church History, or Christian Ethics. Within the field of Applied Theology students may specialize in Preaching, Evangelism, Missions, or Biblical Counseling. In some cases, with the consent of the Coordinator of the Th.M. program, a program of study may be approved in one of the other academic fields offered at the Seminary. During the first semester of the program, the student must complete IND 7500 Bibliographical Research for 3 credit hours under the supervision of his or her Major Professor.

3. Other Fields
Candidates must consult with their Major Professor in the selection of courses outside of their area of specialization.

4. Thesis
The candidate must prepare a thesis on an approved subject within the major field of concentration, following The SBL Handbook of Style, ed. Patrick H. Alexander et al. (Peabody: Hendrickson, 1999). A full prospectus, including a proposed subject and a plan of research for the thesis, must receive initial approval by the Major Professor. After Major Professor approval the prospectus is to be submitted by the Major Professor to the Th.M. Office. Then the prospectus will be reviewed by the 2nd reader and the SBL/Turabian style reader. The prospectus will then be returned to the student for corrections. The Coordinator of the Th.M. program, together with the Major Professor and the 2nd reader, will form the prospectus approval committee. Once the prospectus has received final approval, the student may commence work on the Thesis under the supervision of the Major Professor.

5. Deadlines
At least 45 days before the candidate expects to receive the degree four “final draft” copies of the Th.M. thesis must be submitted to the candidate’s Major Professor who will then submit these copies to Th.M. Office. The thesis will then be read and graded by the Major Professor and two other faculty readers. Following an oral examination, 4 copies, in final form, must be delivered to the library 15 days prior to graduation for binding. Please note that these deadlines are final; thus, failure to meet deadlines may delay a student’s graduation from the Th.M. program.

6. Oral Examination
Upon completion of the thesis, the candidate’s work will be evaluated by an examining committee composed of the Major Professor and the two faculty readers. Normally these will be professors within the candidate’s major field or with whom the candidate has studied in the Th.M. program. In this exam, the candidate will be expected to defend the thesis and may be expected to demonstrate academic competence in the area of specialization. Final approval will be determined by a majority of the committee.

7. Continuous Enrollment
Candidates for the Th.M. degree are required to maintain continuous, full-time enrollment until the degree is completed. Fees will be charged each semester, including those semesters during which the research and writing of the thesis takes place. Continuous Enrollment is maintained by enrolling for at least one three (3) hour component of the Th.M. program each fall and spring semester, including during the writing stage of the program. Students who fail to complete their thesis after one semester of enrollment in IND 7590: Th.M. Thesis (or students who do not wish to enroll in an academic course in a given semester) maintain continuous enrollment by enrolling in, and paying for, IND 7000: Th.M. Continuous Enrollment.

Missionaries under full-time career appointment by the Southern Baptist International Mission Board may receive special consideration regarding the continuous enrollment policy. Students who are appointed by the IMB will need to send an approved copy of the letter of confirmation from the IMB to the Th.M. Office in order to receive a letter of deferment.

Leadership
Board of Trustees

The Board of Trustees consists of 30 members who are elected by the Southern Baptist Convention and are charged with the control and governance of Southeastern Baptist Theological Seminary, Inc. The chief function of the board is to establish policy concerning the operation of the seminary and approve the academic programs offered by the school. Not only must the board know and understand the objectives of the Seminary, they must interpret, clarify, and apply that understanding to current conditions of the school as well as help others to understand these policies, programs, and standards.

Though meeting formally on the Seminary campus only twice a year, individual members of the board make it a point to become personally involved in Seminary life all year. Working out of their love for the seminary, trustees serve as recruiters, fundraisers, and prayer warriors for the benefit of Southeastern and the Kingdom of God.

Faculty Profile

In seeking to build the faculty at Southeastern Baptist Theological Seminary and the College at Southeastern, the following “Faculty Profile” has been established by the trustees in order to define the general characteristics sought in all elected faculty members. Within the faculty there will be specific characteristics needed for individual positions related to the teaching specialization. Those special expectations may be set forth in position descriptions prepared for each declared vacancy or in other ways. The “Faculty Profile,” however, describes the general expectations of the institution for its permanent faculty.

Elected members of the faculty at Southeastern serve the Christian community as ministers who are personally committed to the lordship of Jesus Christ in every area of life; they seek to obey Christ's command to love God with all their heart, soul and mind and their neighbor as themselves; they are able and ready to testify of a personal experience of regenerating grace in their life; they affirm and maintain biblical standards of sexual morality; they defend and honor the biblical reverence for life; and they are dedicated to the task of equipping students for service through local churches, mission work and other forms of Christian ministry.

Elected members of the faculty are Baptists in sympathy with the mission of the Southern Baptist Convention; during their time of service at Southeastern, they are active members of a cooperating Southern Baptist church; and they are personally committed to intentional evangelism, Christian social concerns and world missions.

Faculty members teaching at the master’s level and above are expected to have a basic theological education and an earned research doctorate (such as the Th.D., Ph.D. or a degree with similar recognition) from an established institution of higher learning. Moreover, all faculty members are required to have and maintain an appropriate expertise in their teaching field.

Faculty members are competent teachers committed to the purpose and the mission of the school and to the historic evangelical Christian faith, while employing all useful methods of research and avenues of legitimate theological inquiry in the free pursuit of truth and knowledge.

Faculty members accept, affirm, pledge to teach in accordance with and not contrary to and subscribe to the Abstract of Principles and the Baptist Faith and Message 2000; they affirm and teach the Bible as the inspired, inerrant and infallible Word of God; a perfect treasure of divine instruction with God for its author, salvation for its end and truth without any mixture of error for its matter; the true center of Christian union; and the supreme standard by which all human conduct, creeds and religious opinions should be tried.
